ARTICLE 1 PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between Management and the employees covered by this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered by this Memorandum, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County's Board of Supervisors.

ARTICLE 2 RECOGNITIONSection 1.

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, LACEA, Local 660, SEIU, was certified on March 6, 1970, by County's Employee Relations Commission (Employee Relations Commission File No.20-69) as the majority representative of County employees in the Health Science Professional Employees Representation Unit (hereinafter the "Unit") previously found to be appropriate by the Employee Relations Commission. The Los Angeles County Employee Relations Commission adopted an Amendment of Certification on February 26, 2007 transferring representational responsibilities to SEIU Local 721 for bargaining units formerly represented by Local 660 and SEIU Local 535. Management hereby recognizes Local 721, SEIU, as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit in the employee classifications comprising said Unit as listed in the Salaries Article, as well as such classes as may be added hereafter by the Employee Relations Commission.

Section 2. Exclusive Recognition

Management agrees that it shall recognize Local 721, SEIU, as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and Local 721, SEIU, has shown it has met the requirements of any such new rules.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be County's Chief Executive Officer, or his/her duly authorized representative [Address: 222 North Grand Avenue, Los Angeles, California, 90012; Telephone: (213) 974-1715], except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.
- B. The SEIU, Local 721 principal authorized agent shall be the Executive Director or his/her duly authorized representative (Address: 1545 Wilshire Blvd, Los Angeles, California 90017; Telephone: (213) 368-8660).

ARTICLE 5 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither SEIU, Local 721, nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 6 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU, Local 721 and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511.

ARTICLE 7 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 A.M. on October 1, 2015. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2018.

ARTICLE 8 RENEGOTIATION

In the event either party hereto desires to negotiate the provisions of a successor Memorandum of Understanding, such party shall serve upon the other its written request to commence negotiations as well as its initial written proposals for such successor Memorandum of Understanding, during the period of May 15 to May 31, 2018.

Negotiations shall begin no later than June 15, 2018. If full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by July 31, 2018, an impasse shall be automatically declared on those issues which remain in dispute unless the parties mutually agree to continue negotiations.

ARTICLE 9 WORK RELEASE FOR NEGOTIATIONS

It is the intent of the parties to engage in good faith negotiations and endeavor to reach agreement on a successor Memorandum of Understanding.

The Chief Executive Office/Employee Relations Division will meet and consult with SEIU, Local 721 thirty (30) calendar days prior to the commencement of negotiations for the purpose of obtaining information to

ensure the release of a reasonable number of departmental employee representatives to attend and participate in successor contract negotiations.

For employees working on an evening or night shift the Chief Executive Office/Employee Relations Division will coordinate temporary work schedule/shift changes with Departments subject to operational considerations to facilitate negotiations for a successor MOU.

The parties shall be guided by past bargaining practice and ERCOM decisional precedent in releasing employee representatives to attend contract negotiations.

SEIU, Local 721 shall provide a final list containing the names and departments for bargaining committee members (regular members and alternates) to the Chief Executive Office/Employee Relations Division at least thirty (30) days prior to the commencement of negotiations.

ARTICLE 10 COORDINATED BARGAINING

The parties agree that coordinated bargaining shall take place between the County and SEIU's Local 721 Bargaining Policy Committee. Such bargaining shall include general salary movement, employee benefits, term, and common language provisions. Common language provisions shall be included in the individual unit MOUs.

Individual unit tables will continue to bargain economic matters including special pay practices, bonuses, recruitment and retention adjustments, step increases, differentials, and other compensation unique to their MOU's. Individual unit tables will also continue to bargain operational issues such as transfers, caseloads, training and other matters which are unique to their MOU's

The parties agree that the Fringe Benefits MOU will continue to be bargained between the County and SEIU's Local 721 Bargaining Policy Committee.

ARTICLE 11 GRIEVANCE PROCEDURE

Section 1. Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

Section 2. Definitions

1. Wherever used the term “employee” means either employee or employees as appropriate.
2. “Grievance” means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor.

A group grievance is a common complaint by a number of employees within the department or a unit thereof.

3. “Business Days” mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. SEIU, Local 721, agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee’s complaint with him/her at a mutually satisfactory time.
2. Departmental Management has the responsibility to:
 - A. Inform an employee of any limitation of the department’s authority to fully resolve the grievance; and

- B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.
3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.

3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.
3. Management shall notify SEIU, Local 721 of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The SEIU, Local 721, representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.
5. If the SEIU, Local 721 representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.

6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7. Procedures

Level 1. Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management. The employee shall submit two copies to his/her immediate supervisor and retain the third copy.
- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2. Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the

reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3. Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.
- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.
- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8. Arbitration

- 1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.
- 2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this

Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:

- A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
 - C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a

copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.

4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.
5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to

the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

- Purpose
- Recognition
- Non-Discrimination
- Implementation
- Term
- Renegotiation
- Safety and Health
- Payroll Deductions and Dues
- Authorized Agents
- Provisions of Law
- Workplace Retraining
- New Employee Orientation

ARTICLE 12 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 721, and the grievant. The final agreement shall be binding on all parties.

Final agreements reached by the parties shall not be published or precedent setting in any other dispute.
6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be

admissible in an arbitration of this grievance or any other similar dispute.

8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County

Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.

- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees.

Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14 EXPEDITED ARBITRATION

- 1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
- 2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties

cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.

3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
 - C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.

5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
 - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.
 - B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board

of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

- Purpose
- Recognition
- Non-Discrimination
- Implementation
- Term
- Renegotiation
- Safety and Health
- Payroll Deductions and Dues
- Authorized Agents

- Workplace Retraining

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2. Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3. Religious Objections

Any employee who is a member of a bona fide religion, body, or sect who has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 5. Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all

the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. There can only be one election during the term of this Memorandum of Understanding.

Section 6. Security Clause

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period August 10 through August 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7. Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop Memorandum of Understanding is in effect.

Section 8. Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9. List of New Employees/Separations

The County will furnish the Union with a semi-monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying documents. The list shall contain the name, employee number, date of hire into the Unit, item step, salary rate, classification, title, item number, item sub, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding. Such list shall include new hires, and employees promoted, demoted or transferred into the Bargaining Unit. The semi-monthly list shall also contain information which

It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

Section 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit,

or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such changes as soon as practicable. Such emergency assignments shall not extend beyond the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 19 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations, or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 20 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer.

Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to SEIU, Local 721 and in coordination with the Chief Executive Office Employee Relations Division offer to meet and consult with the Union within fifteen (15) business days. The review will include but is not limited to the cost savings,

service delivery and the quality control aspects of the recommended contract(s).

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency,

Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

ARTICLE 21 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 22 ALTERNATIVES TO LAYOFFS

Section 1. Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board Policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and

- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions.

Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

The Department of Human Resources and Department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

Section 3. Civil Service Rules

Nothing in Section 1 and 2 of this Article shall limit the Director of Human Resources or the appointing authority's discretion to implement layoffs pursuant to Civil Service Rules.

Section 4. Proposition A Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and Department Management will make every reasonable effort to place or,

if laid off, rehire such employees prior to using any new Proposition A contract employee provided such County employees are qualified to perform the available work.

Nothing in Section 4 has any impact on Proposition A contracts in effect on October 1, 1993. New Proposition A Contracts do not include Proposition A contract renewals, extensions, or rebids of existing Proposition A contracts.

Section 5. Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days' notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 23 EMPLOYEE BENEFITS

The parties agree that the provisions of the Memoranda of Understanding regarding Fringe Benefits, Mileage and Retirement between the County of Los Angeles and SEIU, Local 721, in effect during the term of this agreement shall apply to employees in this Unit.

ARTICLE 24 ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Any permanent, full-time employee shall be entitled to additional compensation equivalent to two standard salary schedules for the performance of additional responsibilities of a higher level which are assigned or approved by the Department Head or designated Management representative and approved by the Chief Executive Office.

Within ten (10) business days, the Department shall notify an employee in writing of the approval or denial of his/her written request for the additional responsibilities bonus.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally

performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed.

Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional Responsibilities' Bonus. In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 25 for the same assignment.

The additional compensation provided in this Article shall not constitute a base rate.

ARTICLE 25 OUT-OF-CLASS ASSIGNMENTS

Section 1. Definition

- A. For the purpose of this Article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated vacant,* funded position in one class by an individual in another class.
- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee's class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

* For the purpose of this article, vacancies due to leaves of absence shall be defined as in County Code Section 6.20.110.

Section 2. Conditions

- A. If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within thirty (30) calendar days from the date of request for relief, no bonus under this article is to be paid;

return the employee to an assignment in his/her own class. If such return is made within thirty (30) calendar days of the request for relief, no bonus under this article is to be paid; or

pay the employee the bonus. The bonus is paid from the date of request for relief, and terminates when the conditions of this article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.
- B. Nothing in this article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training.

341 SSW

Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.
- D. Upon the employee's written request a written confirmation of his/her out-of-class assignment shall be placed in the employee's personnel file after completion of the out-of-class assignment. A copy will be provided to the employee.
- E. Grievances filed under this article may be filed under the expedited arbitration procedure set forth in this MOU.

ARTICLE 26 POSITION CLASSIFICATION STUDY

Section 1 Definition and Authority

For the purpose of this article, a classification study is a study by the Director of Personnel or by the Personnel Office of the Department, of the duties and responsibilities assigned to a position in order to determine whether the position is properly classified.

Section 2. Intent

It is the intention of the parties that this article be included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3. Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the

employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4. Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The County agrees to provide Local 721 notice and consult pursuant to County Code Section 5.04.090 (A) regarding new classifications, the primary duties of which are derived from Local 721 represented classifications. Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of Local 721, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. Nothing in this paragraph shall limit Management's authority to classify or reclassify County positions pursuant to Civil Service Rule 5, Classification.

ARTICLE 27 PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her

work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement. Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

An employee on reviewing his/her personnel file, may request and have any written warnings or reprimand(s) issued more than two (2) years prior

removed from his/her personnel file except as such may be a part of an official permanent record.

ARTICLE 28 LEAVES OF ABSENCE

Section 1. Medical Leave

Pursuant to applicable provisions of the Civil Service Rules, County Code, and other law, medical leaves of absence will be granted by the employee's Department Head upon request only upon submission of a doctor's certificate or other satisfactory medical evidence of the employee's need for such leave.

Section 2. Educational Leave

Pursuant to applicable provisions of the Civil Service Rules, and subject to the staffing needs of the department, educational leaves will be granted to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university.

Section 3. Pregnancy Leave

The parties agree that departmental Management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued

vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

Section 4. Employee Organization Leave

SEIU, Local 721 requests for employee organizational leave for at least thirty (30) calendar days or more, shall be made in writing to the CEO/Employee Relations Division and to the affected Department at least ten (10) business days in advance of the leave. SEIU, Local 721 may not have more than ten (10) employees in the Bargaining Unit on leave of absence to accept employment with SEIU, Local 721. These leaves are subject to the Civil Service Rules.

The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct SEIU, Local 721 business as it is related to County functions. The leave shall be without County pay or benefits of any kind. In no case shall an individual employee's leave extend beyond a year. Except by mutual agreement, no more than one (1) employee shall be on such leave from any given department.

Section 5. Family Leave

A. The parties agree that employees covered by this Memorandum of Understanding are subject to the provisions of the California Family Rights Act of 1993 (CFRA) and the Federal Family and Medical Leave Act of 1993 (FMLA), as amended and the California Fair Employment and Housing Act (FEHA) Pregnancy Disability Leave (PDL).

"Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State Law, except that a domestic partner and their children may qualify an employee as eligible for FMLA/CFRA".

B. The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.

- C. Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.
- D. An employee shall be entitled to file a grievance for violation of the provisions of this Article in addition to the rights provided by law.

Section 6. Jury Duty and Witness Leave

During the time an employee is actually reporting to the court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the Department Head or his/her designate will convert the employee's usual shift to a regular five-day Monday through Friday day-shift basis.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels the employee's presence as a witness, unless the employee is a party or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular pay to comply with such subpoena, provided the employee deposits any witness fees, except mileage, with the County Treasurer.

Section 7. Other Leaves

The parties agree that employees covered by this Memorandum of Understanding are subject to other County authorized leave provisions including but not limited to: military leave, disaster leave, leave for civil service examinations and leave for school or child day care program activities. Specific leave information is available in the Appendix.

ARTICLE 29 ENHANCED VOLUNTARY TIME-OFF PROGRAM

Program Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time-Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.
- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the departments in determining projected savings.
- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.

- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge, and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a Department Head to terminate any leave of absence as described in Civil Service Rule 16.04.
- An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
 - EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.
 - EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.
 - An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
 - EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
 - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.

341 SSW

- After the first sixty (60) days of EVTO, the sixty (60) day EVTO benefit guarantees will not apply.
- Retirement service credit will not accrue during this period.
- FLSA Non-exempt employees may request EVTO in increments as little as one hour.
- FLSA Exempt employees must request EVTO in full work day increments.
- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
- EVTO is not available to employees on any other paid or unpaid leave.
- Department Heads may continue to approve other unpaid leave of absences.
- If the employee's request is not approved, Management will respond in writing to the employee giving the reason(s) for denial.

ARTICLE 49 OVERTIME

Section 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

- A. The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. § 201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday and for Continuing Education training will be counted in calculating hours worked for overtime purposes.
- B. The County shall pay employees for any overtime worked at a rate of one and one-half (1½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

Employees working overtime shall not be required to take a break before starting the overtime.
- C. On or after August 1, 1995, at the employee's option, Compensatory Time-off (CTO) accrued during the period from October 1, 1993 through June 30, 1994 and remaining on the books may continue to be taken as time off, subject to Management approval, or may be

converted to pay. An employee electing payment for any portion of his or her CTO accrual balance may submit a request and within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.

The parties agree that all overtime worked on or after July 1, 1994 shall be subject to the overtime provisions in effect on September 30, 1993.

Section 2. Usage of Non-FLSA Earned Compensatory Time

- A. Employees shall not be directed by Management to take compensatory time off without at least ten (10) business days' notice or be denied a timely request to take such time off.

Requests for time-off will be approved based on the needs of the service as determined by Management.

- B. With prior approval of departmental management, accumulated compensatory time not used during the calendar year in which it is earned may be carried over one (1) additional calendar year during which it must be taken. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Section 3. Saving Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 4. Distribution of Overtime

Management shall assign overtime work as equitably as possible among all qualified employees in the same classification and in the same organizational work unit and work location. Management shall make every reasonable

attempt to distribute overtime in an equitable manner with regard to the number of shifts, the assignment of weekends, nights, and holidays among those employees who wish to work overtime. In the assignment of overtime, however, Management may consider special skills required to perform particular work.

Section 5.

An employee who works a four (4) day – 40 hour week schedule or a nine (9) day – 80 hour two week schedule and who uses benefit time or compensatory time to cover the balance of a day in which they receive an eight (8) hour holiday, the benefit time or compensatory time used shall be treated for purposes of overtime computation in the same manner as the eight (8) hours of County holiday time.

Section 6. Accrual and Use of FLSA Compensatory Time Off (CTO)

- A. At the employees option, an employee may request CTO in lieu of pay, at a rate of one and one-half (1½) hours off for each hour of overtime worked, to a maximum of 54 hours worked at any one time.

To use compensatory time, an employee must submit a request to the immediate supervisor prior to the date requested to be off. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior approval of the immediate supervisor. Unless approved by management, employees may not accrue CTO which are worked during disaster periods or emergencies declared by the Board of Supervisors, local or federal government.

- B. An employee shall be permitted to use such time off within a reasonable period after making the request, providing such use does not unduly disrupt departmental operations.
- C. At the discretion of Management, an employee may be paid for a portion or all of his/her CTO at any time.

APPENDIX A

Performance Evaluations

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. Because they are informal, they do not get inserted into the employee's official personnel record. Informal correction actions include discussion/coaching, counseling or a written notice of expectations or counseling.

Any employee who is the parent, guardian, or grandparent with custody may utilize existing vacation, personal leave, compensatory time off, or leave without pay to participate in the school activities of their children who are either enrolled in kindergarten through twelfth grade or are under the age of five and enrolled in a child care or preschool program.

Civil Service Examinations

Any employee shall be allowed time necessary to be absent from work at his or her regular rate of pay to participate in civil service examinations for positions with any public entity as defined in Section 6.04.080 of the Los Angeles County Code.

Any employee shall be allowed a military leave of absence in accordance with the applicable provisions of law including, but not limited to, the Uniformed Services Employment and Reemployment Act, the Family and

Medical Leave Act, the California Military and Veterans Code, the Los Angeles County Charter, and the Los Angeles County Code. At the conclusion of such leave, the employee shall be returned to work with all accumulated rights and benefits, including educational benefits, in accordance with all applicable provisions of law. No County employee shall be discriminated against, or adversely impacted, in any manner as a result of utilizing military leave.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

***The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

***Special hours of service eligibility requirements apply to airline flight crew employees.**

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"

YOUR RIGHTS AND OBLIGATIONS AS A PREGNANT EMPLOYEE

If you are pregnant, have a related medical condition, or are recovering from childbirth, **PLEASE READ THIS NOTICE.**

- California law protects employees against discrimination or harassment because of an employee's pregnancy, childbirth or any related medical condition (referred to below as "because of pregnancy"). California law also prohibits employers from denying or interfering with an employee's pregnancy-related employment rights.
- Your employer has an obligation to:
 - reasonably accommodate your medical needs related to pregnancy, childbirth or related conditions (such as temporarily modifying your work duties, providing you with a stool or chair, or allowing more frequent breaks);
 - transfer you to a less strenuous or hazardous position (where one is available) or duties if medically needed because of your pregnancy; and
 - provide you with pregnancy disability leave (PDL) of up to four months (the working days you normally would work in one-third of a year or 17½ weeks) and return you to your same job when you are no longer disabled by your pregnancy or, in certain instances, to a comparable job. Taking PDL, however, does not protect you from nonleave related employment actions, such as a layoff.
 - provide a reasonable amount of break time and use of a room or other location in close proximity to the employee's work area to express breast milk in private as set forth in Labor Code section 1030, et seq.
- For pregnancy disability leave:
 - PDL is not for an automatic period of time, but for the period of time that you are disabled by pregnancy. Your health care provider determines how much time you will need.
 - Once your employer has been informed that you need to take PDL, your employer must guarantee in writing that you can return to work in your same position if you request a written guarantee. Your employer may require you to submit written medical certification from your health care provider substantiating the need for your leave.
 - PDL may include, but is not limited to, additional or more frequent breaks, time for prenatal or postnatal medical appointments, doctor-ordered bed rest, "severe morning sickness," gestational diabetes, pregnancy-induced hypertension, preeclampsia, recovery from childbirth or loss or end of pregnancy, and/or post-partum depression.

Notice A
YOUR RIGHTS AND OBLIGATIONS AS A PREGNANT EMPLOYEE
Page 2

- PDL does not need to be taken all at once but can be taken on an as-needed basis as required by your health care provider, including intermittent leave or a reduced work schedule, all of which counts against your four month entitlement to leave.
- Your leave will be paid or unpaid depending on your employer's policy for other medical leaves. You may also be eligible for state disability insurance or Paid Family Leave (PFL), administered by the California Employment Development Department.
- At your discretion, you can use any vacation or other paid time off during your PDL.
- Your employer may require or you may choose to use any available sick leave during your PDL.
- Your employer is required to continue your group health coverage during your PDL at the level and under the conditions that coverage would have been provided if you had continued in employment continuously for the duration of your leave.
- Taking PDL may impact certain of your benefits and your seniority date; please contact your employer for details.

Notice obligations as an Employee:

- Give your employer reasonable notice: To receive reasonable accommodation, obtain a transfer, or take PDL, you must give your employer sufficient notice for your employer to make appropriate plans – 30 days advance notice if the need for the reasonable accommodation, transfer or PDL is foreseeable, otherwise as soon as practicable if the need is an emergency or unforeseeable.
- Provide a Written Medical Certification from Your Health Care Provider. Except in a medical emergency where there is no time to obtain it, your employer may require you to supply a written medical certification from your health care provider of the medical need for your reasonable accommodation, transfer or PDL. If the need is an emergency or unforeseeable, you must provide this certification within the time frame your employer requests, unless it is not practicable for you to do so under the circumstances despite your diligent, good faith efforts. Your employer must provide at least 15 calendar days for you to submit the certification. See your employer for a copy of a medical certification form to give to your health care provider to complete.
- PLEASE NOTE that if you fail to give your employer reasonable advance notice or, if your employer requires it, written medical certification of your medical need, your employer may be justified in delaying your reasonable accommodation, transfer, or PDL.

This notice is a summary of your rights and obligations under the Fair Employment and Housing Act (FEHA). For more information about your rights and obligations as a pregnant employee, contact your employer, visit the Department of Fair Employment and Housing's Web site at www.dfeh.ca.gov, or contact the Department at (800) 884-1684. The text of the FEHA and the regulations interpreting it are available on the Department's Web site.

"NOTICE B"

FAMILY CARE AND MEDICAL LEAVE AND PREGNANCY DISABILITY LEAVE

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with your employer and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.
- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take pregnancy disability leave (PDL) of up to four months, or the working days in one-third of a year or 17½ weeks, depending on your period(s) of actual disability. Time off needed for prenatal or postnatal care; doctor-ordered bed rest; gestational diabetes; pregnancy-induced hypertension; preeclampsia; childbirth; postpartum depression; loss or end of pregnancy; or recovery from childbirth or loss or end of pregnancy would all be covered by your PDL.
- Your employer also has an obligation to reasonably accommodate your medical needs (such as allowing more frequent breaks) and to transfer you to a less strenuous or hazardous position if it is medically advisable because of your pregnancy.
- If you are CFRA-eligible, you have certain rights to take BOTH PDL and a separate CFRA leave for reason of the birth of your child. Both leaves guarantee reinstatement to the same or a comparable position at the end of the leave, subject to any defense allowed under the law. If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or a family member). For events that are unforeseeable, you must to notify your employer, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- Your employer may require medical certification from your health care provider before allowing you a leave for:
 - your pregnancy;
 - your own serious health condition; or
 - to care for your child, parent, or spouse who has a serious health condition.

NOTICE B
FAMILY CARE AND MEDICAL LEAVE AND PREGNANCY DISABILITY LEAVE
Page 2

- See your employer for a copy of a medical certification form to give to your health care provider to complete.
- When medically necessary, leave may be taken on an intermittent or a reduced work schedule. If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. Contact your employer for more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits.

This notice is a summary of your rights and obligations under the Fair Employment and Housing Act (FEHA). The FEHA prohibits employers from denying, interfering with, or restraining your exercise of these rights. For more information about your rights and obligations, contact your employer, visit the Department of Fair Employment and Housing's Web site at www.dfeh.ca.gov, or contact the Department at (800) 884-1684. The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU, Local 721, and all other rights in the Employee Relations Ordinance and Government Code, Section 3500 through 3511.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, age, national origin, political or religious opinions or affiliations, disability, or other factors not directly related to the successful performance of the job.

ARTICLE 2 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties either in whole or in part unless and until said Board of Supervisors:

1. Acts, by majority vote, formally to approve said Memorandum of Understanding;
2. Enacts necessary resolutions and amendments to County ordinances required to implement the full provisions of this Memorandum of Understanding;
3. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

If the parties do not mutually agree to implement appropriate provisions of the Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 3 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 2, Implementation, are fully met; but in no event shall said Memorandum of Understanding become effective prior to 12:01 A.M. on October 1, 2015. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2018.

ARTICLE 4 RENEGOTIATION

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, such party shall serve upon the other during the period from May 15, 2018 through May 31, 2018, its written request to commence negotiations.

Upon receipt of proposals, negotiations shall begin no later than June 15, 2018.

ARTICLE 5 RETIREMENT

Section 1.

The parties agree to recommend jointly to the County's Board of Supervisors that pursuant to Section 31581.1 of the California Government Code, said Board adopt a resolution that, effective July 1, 2014, and for the term of this agreement only, provides that the County shall pay to the Retirement Fund the amount necessary which, based on actuarial determination, is sufficient to fund the difference between:

- a. The employee contributions that would be paid to said Retirement Fund during the term of this agreement if the employee contribution rates set forth in the Fringe Benefit MOU costs based

on June 30, 2013, Actuarial Valuation dated February 28, 2014, by Milliman USA, were implemented, and

- b. The employee contributions that would be paid to said Retirement Fund during the term of this agreement if the employee contribution rates set forth in Section 2 of this Article were implemented in lieu of the contribution rates set forth in said Fringe Benefit MOU costs based on June 30, 2013 Actuarial Valuation.

Section 2.

The parties agree that, contingent upon action by the Board of Supervisors to adopt a resolution to implement the provisions of Section 1 of this Article, the negotiated employee contribution rates for the term of this agreement for employees who entered the Los Angeles County Employees Retirement Association prior to October 1, 1978, shall be as follows; provided, however, such contribution rates shall not apply to employees who are covered by the optional non-contributory plan (hereinafter referred to as Plan E) made operative for General Members of said Retirement Association on and after January 4, 1982.

Section 4.

The parties agree that General Members in Plans A, B, or C may not transfer to Plan E during the term of this agreement. Members in Plan E may transfer to Plan D, and General Members in Plan D may transfer to Plan E during the term of this agreement. Since Plan E closed to new LACERA members effective November 27, 2012, it is not available for transfer to General Members in Plan G.

Section 5.

The parties mutually agree that the retirement program shall be continued in a manner so that retirement contributions meet the conditions set forth in Section 414(h)(2) of the Internal Revenue Code as presently codified.

Section 6.

The parties agree to meet and confer regarding the impact of any increases in employee retirement contribution rates that may occur during the term of this agreement based on any actuarial valuation required under the County Employees Retirement Law of 1937.

Section 7.

Each newly hired employee shall become a member of Plan G, effective the first day of the month following the date of hire with the following exceptions: 1) Deferred member of LACERA prior to January 1, 2013, who returns to active membership; 2) An individual who becomes a member on or after January 1, 2013, and has established reciprocity based upon membership in a reciprocal system on or before December 31, 2012; or 3) A former member of LACERA who has re-deposited the accumulated contributions he or she withdrew prior to January 1, 2013 along with the interest those contributions would have earned. Individuals who meet one of these exceptions are entitled to become a member of Plan D or to restore to their former other contributory plan. Former vested Plan E members are entitled to become Plan E members.

For purposes of this Section 7, a “newly hired employee” shall mean an employee appointed to a position which otherwise entitles the incumbent to coverage under General Plan G.

Section 8.

The parties further agree to meet and confer on the integration of County retirement benefits with Social Security Retirement Benefits in the event the County re-enters the Social Security system. The scope of such meet and confer process shall be limited to retirement benefits provided under Plans A, B, C, D, and G for General Members and Plans A, B and C for Safety Members to the extent such plans cover employees who are represented by SEIU, Local 721, and are impacted by said re-entry into Social Security.

Section 9.

The parties agree that for the term of this agreement a portion of the County contribution to the Options Plan that may be taken as cash if the employee waives health insurance coverage equal to \$244.00 is considered as earnings for retirement purposes for each employee for whom a contribution is made, whether the employee elects to take cash or not. This section shall not apply to persons hired on or after January 1, 1996. For such employees, no portion of the County contribution to the Options Plan will be considered as earnings for retirement purposes.

Section 10.

Following completion of 2000–2003 fringe benefit negotiations and the parties' joint sponsorship of legislation (AB 399), the Board approved and the County implemented the following changes to the retirement plans:

- A. Provided a prospective COLA for Plan E of up to 2% per year based on Consumer Price Index movement for all urban consumers for the Los Angeles / Riverside / Orange County area (1982-1984 bases). Plan E members may purchase the 2% COLA for past service at rates to be determined by LACERA, provided such rates cover the full cost of the COLA for past service.
- B. For Plan E members who retire prior to age 65, reduced to age 62 the age at which the member is:
 - (1) no longer presumed to be working in Social Security covered employment following his or her retirement from the County; and
 - (2) permitted to provide evidence of the member's Social Security primary insurance amount in lieu of the estimated primary insurance amount that would otherwise be applied in the calculation of the member's Plan E benefit. This provision only applies to Plan E members who earned Social Security credits through County employment.

- C. Indexed the pre-disability final compensation figure for a Plan E participant on Long Term Disability by the Consumer Price Index movement for the Los Angeles / Riverside / Orange County area (1982-1984 base), not to exceed 2% per year. This provision shall apply only to Long Term Disabilities occurring on or after July 1, 2001.
- D. Established Plan E early retirement factors at the current levels, regardless of future actuarial valuations.
- E. Increased survivor benefits for Plans A, B, C, and D from 60% to 65% and for Plan E from 50% to 55% for all pre-retirement and post-retirement survivor benefits. Service connected survivor benefits payable at 100% are not affected. Persons already retired and persons already receiving survivor benefits will not receive the increase.
- F. Allowed prospective transfers from Plan E to Plan D (without a service buy back requirement) and from Plan D to Plan E (without in service cash out). Members in Plan E may also purchase all, some, or none of their time for Plan D credit. Members transferring from Plan E to Plan D must serve a two year waiting period for all disability retirements. Members who transfer from one plan to another prospectively will receive the appropriate prorated share of benefits from each plan upon retirement.
- G. Increased \$750.00 post-retirement lump sum death benefit for retirees in Plans A, B, C, and D to \$5000.00
- H. Established a \$5000.00 post-retirement lump sum death benefit for retirees in Plan E.

Effective July 1, 2001, the County amended the final compensation period for Plans B, C, and D to be the highest one year.

Section 11.

The County will provide LACERA survivor benefits for domestic partners as permitted by State law.

Section 12.

The County will provide retiree health insurance for domestic partners and their minor children who receive survivor benefits under LACERA.

Section 13. Joint Labor Management Retiree Health Committee

The Joint Labor Management Retiree Health Committee established during 2006-2009 Fringe Benefit Negotiations shall be permanent. The Committee will consist of five (5) representatives designated by the Union and five (5) representatives designated by management. The Committee shall establish meeting protocols and appoint a Chairperson and Vice- Chairperson from its members. The Chairperson and Vice-Chairperson positions will alternate annually between Union and Management.

The Committee will continue to develop and make joint labor-management advisory recommendations to the Chief Executive Officer to mitigate and control the cost of future retiree health insurance. The Joint Labor Management Retiree Health Committee has recommended and supports the establishment of a Trust and Investment Services Agreement to mitigate the cost of retiree health insurance.

The Committee will be provided with pertinent documentation/information from the County relating to the establishment of the Trust and Investment Services Agreement. The CEO shall review the Committee's recommendations and prepare an analysis and report to the Board of Supervisors for review and consideration.

Local 721 reserves its right to negotiate any Retiree Health recommendation that affects wages, hours, and other terms and conditions of employment.

The County will negotiate with SEIU Local 721 regarding:

- Amendment of the Trust and Investment Services Agreement
- Appointment of a Successor Trustee
- Termination of the Trust,
- Removal of the Trustee (LACERA)

The County will provide the Joint Labor Management Retiree Health Committee with information relating to the operation and funding of the OPEB Trust.

The Trust and Investment Services Agreement was adopted by the Board of Supervisors on May 15, 2012, and was adopted by the LACERA Board of Investments on June 13, 2012.

ARTICLE 6 LONG TERM DISABILITY

Section 1.

The parties agree to recommend jointly to the County's Board of Supervisors that said Board adopt and implement through amendment to the County Code the following modifications to the County's Long Term Disability and Survivor Benefit Plan (LTD Plan) to be effective on the effective date of the amending ordinance:

- a) Existing provisions of the LTD Plan stipulate that no benefit shall be payable for any "disability resulting from, or contributed to, by mental or nervous disorder, drug addiction, or alcoholism, except while the employee is under the care of a licensed physician." The parties agree that "care" shall mean regular care under a planned program of observation and treatment by a licensed physician as required by applicable medical standards.
- b) Existing provisions of the LTD Plan require that i) an employee who is sufficiently insured for Social Security Disability Benefits be eligible for or actually receiving such benefits as a condition of receiving LTD benefits beyond the initial 24 months of benefit payments, and ii) that LTD benefits be reduced by the amount of the Social Security Disability Benefits that an LTD disability beneficiary receives. The parties agree that an LTD disability beneficiary who receives Social Security Retirement Benefits in lieu of Social Security Disability Benefits shall not have his/her entitlement to LTD benefits impaired by reason thereof, providing the reason for the individual's entitlement to Social Security Retirement Benefits is due solely to age and not the fact that

the individual is not disabled within the meaning of the Social Security Act. The parties further agree that, in such case, the individual's LTD benefit shall be reduced by the amount of the Social Security Retirement Benefit as if it were a Social Security Disability Benefit, provided, however, that no such reduction shall apply to any LTD disability beneficiary who was receiving LTD benefits prior to the effective date of the ordinance implementing the provisions of this Article.

- c) LTD benefits shall not be payable in any case where an employee has been absent from work for six months or more prior to the commencement of total disability, provided, however, that this exclusion shall not apply to any employee whose absence is due to an approved, non-medical leave.
- d) After sending written notice by certified mail, should the surviving spouse fail to cooperate with the County for a period of 90 days, the survivor benefit payable under the LTD Plan shall be payable to the surviving children of the deceased employee or deceased disability beneficiary who otherwise meets all eligibility requirements. In the event that the survivor benefit is paid to the surviving children, duplicate payment for the same eligibility period shall not subsequently be payable to a surviving spouse.
- e) It is agreed that LTD benefits available to Plan E members are the same as those available to members of Plans A through D.
- f) Extend LTD Survivor Benefits to domestic partners. "Domestic Partner", for purposes of this Article, shall parallel the definition used by LACERA.

Section 2.

The parties agree to recommend that the Board of Supervisors amend the LTD plan to:

- A. provide a maximum 2% COLA for LTD disability cases commencing on or after January 1, 2001. The COLA would be based on the Consumer

Price Index for all urban consumers for the Los Angeles/Riverside/Orange County area (1982-1984 base) for each calendar year, not to exceed 2% per year, commencing the first month following two years of LTD benefit payments.

- B. increase the survivor continuance benefit under the LTD plan to 55%, effective July 1, 2001.

Section 3.

The LTD Health Insurance Program provides guaranteed access to County-sponsored or County-approved group health insurance for individuals currently enrolled in a health insurance plan and receiving LTD benefits. Effective January 1, 2008 all eligible LTD participants, otherwise eligible to receive LTD benefits, will receive health insurance protection at no cost to the participant. Under this health insurance protection program, the employee would pay 25% of the monthly medical plan premium while receiving LTD benefits, and the County would pay the remaining 75% from a LTD Health Trust Fund. No person shall be excluded from participating in a County-sponsored or County-approved group health insurance plan solely by virtue of being an LTD Health Plan beneficiary.

Beginning January 1, 2008, employees can elect to "buy-up" 100% LTD Health Insurance subsidy at a cost to the employee to be determined each year by the County. The monthly premium will raise sufficient revenue to fund the program as determined by the County of Los Angeles. Under this optional coverage, the County would pay 100% of the monthly medical plan premium while the employee is receiving LTD benefits.

After two years, LTD recipients who are participants in a contributory retirement plan (i.e. Retirement Plan A, B, C, D or G) must apply for disability retirement benefits with LACERA. Failure to make such application will result in the cessation of LTD benefits. In the event the employee becomes eligible to receive retiree health insurance coverage with LACERA, LTD Health Benefits will cease. The new program would apply only to new disabilities incurred on or after January 1, 2008 and would not apply to employees currently disabled or in the qualifying six month waiting period. Coverage

would become effective for those employees after returning to work for a period of six months or more.

The County will ask each health insurance carrier to “experience rate” the LTD group covered in their plans and any increase in premium costs associated with these individuals would be financed from the LTD Health Trust fund.

Employees who do not elect the 100% Optional Coverage would be barred from enrolling in it for two years following that decision. Beginning on January 1, 2005, LTD Health Insurance will be extended to the survivor (including a domestic partner) of an employee who is participating in the LTD health insurance protection program provided that the survivor was listed as an eligible dependent on record prior to the onset of disability.

The definition of “domestic partner” for this purpose will parallel the definition used by LACERA.

ARTICLE 7 INJURY LEAVE

The parties agree that the benefits for persons injured in the course of employment who are not covered by Section 4850 of the Labor Code shall be those set forth in Section 6.20.070 of the County Code and that such benefits shall provide for the following:

- A. The sum of benefits prescribed by the Worker’s Compensation Laws of the State of California plus benefits provided by said Section 6.20.070 and earnings from other employment shall equal 70% of an employee’s base salary for a period not to exceed one year from the date of injury or the length of his/her continuous service prior to the date of injury, whichever is less. In no event, however, shall an employee receive less than the benefits required under the law.
- B. If an employee charges an absence due to work-related injury to full-pay sick leave, vacation, accumulated overtime, or accumulated holiday time pending a determination as to the compensability of said injury, he/she shall, in the event said injury is determined to be compensable, be entitled to have 70% of such benefits restored. The

remaining 30%, having been used to provide a higher benefit than is authorized for injury leave, shall not be restored. For purposes of this Section, restorable time shall be calculated to the nearest 15-minute increment.

- C. From the time an injury is determined to be compensable until either one year from the date of injury, or the length of the employee's continuous service prior to the date of injury, whichever is less, an employee may not use any other leave benefits to supplement benefits described in this Article.
- D. Nothing herein shall prevent an employee from using leave benefits to supplement Workers' Compensation benefits available after one year from the date of injury, or the length of his/her continuous service prior to the date of injury, whichever is less.
- E. The County and Local 721 shall form a Labor-Management Committee to meet and consult pursuant to County Code Section 5.04.090(A) on health and medical issues that include but are not limited to workers' compensation, temporary and long-term disability, accommodation of employees with disabling health conditions, and mechanisms to ensure compliance with County policies on health and medical issues. The Committee shall consist of no more than five members of Local 721 and five members of Management. The intent of the Committee is to meet quarterly or more often if the parties mutually agree.

ARTICLE 8 OPTIONS — CAFETERIA BENEFIT PLAN AND HEALTH, DENTAL AND LIFE INSURANCE

Section 1. Cafeteria Benefit Plan — Options

The parties agree to recommend jointly to the County's Board of Supervisors for adoption and implementation by amendment to the County Code that a cafeteria benefit plan (hereinafter called Plan or Options), pursuant to Section 125 of the IRS Code be implemented for employees covered by the MOU for the period January 1, 2016 through December 31, 2018. The Plan will operate on a Plan year basis as required by Section 125 of the IRS

Code. It is the intent of the parties that this plan year will consist of twelve (12) months, January 1 through December 31 of each year. Each election period shall be an open enrollment, unless otherwise indicated.

Section 2. Benefits Administration Committee

- A. The Labor and Management Committee known as the Local 721 Benefits Administration Committee (BAC or Committee) will jointly administer the benefits provided to employees covered by this MOU through the Plan. The Committee shall use the Joint Labor-Management Health Insurance Cost Containment Strategic Action Plan (Cost Mitigation, Goals and Objectives) in Appendix A as a guideline in the development and design of benefit plans.
- B. The Committee shall be comprised of five (5) representatives designated by Local 721 and five (5) representatives designated by Management. The Committee shall have the authority, subject to CEO and Board of Supervisors approval when required, to:
 - 1. Develop its own internal procedures, including the scheduling of meetings and reports of contacts with insurance carriers.
 - 2. Negotiate with carriers of County-sponsored insurance plans regarding premium rates and benefit plan design for all benefits provided to employees under the Plan.
 - 3. Review utilization and claims experience of all County-sponsored insurance and benefits plans within the Plan, which may require access to all relevant reports, and face-to-face discussions with both providers and the appropriate agencies. This does not preclude the Committee from requesting similar information for other plans.
 - 4. Engage its own consultant. If it does, the cost of such consultant shall be negotiated by the County and Local 721.
 - 5. Recommend to the CEO which County-sponsored benefit options, (including but not limited to voluntary plans such as life, vision,

group legal, educational assistance), and plan carriers will be offered through the Plan.

Members may use their individual resources to analyze, research, and develop recommendations to the Committee regarding new benefit plan options.

The parties agree that during the term of this agreement, the parties will discuss ways to mitigate premium increases for subsequent plan years.

Section 3. Employees Eligible For Options

- A. Employees eligible for Options will include all full-time permanent employees who are:
1. Represented by Local 721;
 2. Employees in bargaining units covered by Local 721's Fringe Benefits Memorandum of Understanding;
 3. Non-represented employees who are ineligible to participate in the County's Flexible or Mega Flex Benefit Plan for non-represented employees and who are ineligible to participate in the Choices Plan for represented employees.
- B. For purposes of this Plan, "full-time permanent employee" means any employee appointed to an "A," "D," "M," "N" or "Z" item, as defined in Title 6 of the County Code. An eligible employee shall become a "Participant" in the Plan upon meeting all of the requirements for participation set forth above.

Section 4. How The Plan Works

It is the purpose of the Plan to allow Participants to choose among the various benefits contained within the Plan in a manner that best meets their personal needs, and, further, to choose, to the maximum extent permitted by applicable law, between taxable and nontaxable compensation. The benefit options available for the Plan Years 2016, 2017 and 2018 and various rules relating to those options, are set forth below:

A. Health Insurance:

Participants may purchase a County-sponsored health insurance plan.

Enrollment Rules:

1. The County-sponsored health insurance plans will be fully open to all Participants, and their dependents, subject to evidence of eligibility as required by the County. The premiums in effect on January 1 of each Plan Year for the County-sponsored health insurance plans will remain unchanged for the duration of that Plan Year unless mid-year premium increases are required due to imposition of State or Federal taxes.
2. Every participant in the Options Plan must be enrolled in a County-sponsored plan or certify that he/she has other health insurance coverage through another employer, retirement plan or Medicare to receive the waiver contribution. Such certification must state the name of the other insurance plan, name of the employer or retirement plan and the name, the Social Security Number and medical record number of the subscriber.

Beginning in January 2015, participants may decline coverage to enroll in an individual health insurance plan (including enrolling in health insurance coverage through a health care exchange). However, there will be no waiver contribution for participants who choose to decline coverage and enroll in an individual plan.

Effective January 1, 2011, in the event that a participant defaults on providing the required health insurance certification coverage information, he/she shall be defaulted into the lowest cost HMO plan.

B. Dental Insurance:

Plan Participants may purchase a County-sponsored dental plan.

Enrollment Rules:

All dental plans will be fully open to all Participants. As with health insurance, every Participant must be enrolled in a dental plan or certify that he/she has other dental coverage. Such certification shall require the name of the other dental plan, the name of the subscriber and the Social Security number of the subscriber. The premiums in effect on January 1 of each Plan Year for the dental plans will remain unchanged for the duration of each Plan Year, unless mid-year adjustments are required due to imposition of State or Federal taxes.

C. Life Insurance:

All Plan Participants will automatically receive \$2,000 of term life insurance coverage if they are members of Retirement Plan A, B, C, D, or G and \$10,000 of term life insurance coverage if they are members of Retirement Plan E. This coverage is fully paid by the County outside of the Plan.

The effective date of this change is January 1, 2005. Employees in Retirement Plan E may purchase up to \$40,000 of this coverage on a pre-tax basis through the Plan.

Employees in Retirement Plans A, B, C, D or G may purchase up to \$48,000 of coverage on a pre-tax basis through the Plan. Coverage in excess of \$40,000 or \$48,000, whichever is applicable, must be purchased on an after-tax basis outside the Plan.

Subject to the limitations set forth above, participants may purchase optional County-sponsored term life insurance in amounts up to eight (8) times their annual salary. The County will subsidize the three year rate guarantee for optional term life quoted by the insurer at a 15% subsidized rate for the term of this agreement.

Employees may elect to purchase optional life insurance in increments of \$5,000 to a maximum of \$20,000 for their spouse or domestic partner. The effective date of this option is January 1, 2005. Additional

coverage of lesser amounts is available for dependents and domestic partners.

D. Accidental Death and Dismemberment (AD&D) Insurance:

Participants may purchase County-sponsored AD&D insurance in specified amounts from \$10,000 to \$250,000, but not more than ten (10) times their annual salary. Additional coverage in lesser amounts is available for dependents.

Enrollment Rules:

Participants may increase or decrease coverage, or continue existing coverage. No evidence of insurability is required.

E. Health Care Spending Account:

Each Participant may allocate from \$10.00 to \$200.00 per month to a Health Care Spending Account. Limits in subsequent Plan Years shall be recommended by the Committee. Money allocated to a Health Care Spending Account may be expended on behalf of a Participant, or of his/her dependents, for "medical expenses," as defined in the Internal Revenue Code, incurred during the current Plan Year. Payments for such expenditures will be made directly to the Participants pursuant to claims procedures established by the Committee. Such procedures will provide that claims must be submitted no later than six (6) months after the close of the Plan Year in which the medical expenses were incurred.

Effective with Plan Year 2014, up to \$500.00 of unused Health Care Spending Account funds from the prior Plan Year will be carried over to the next Plan Year.

F. Dependent Care Spending Account:

- 1) Each participant may allocate from \$10.00 to \$400.00 per month to a Dependent Care Spending Account. Increases or decreases in the limits will be recommended by the Committee. Money

allocated to a Dependent Care Spending Account may be expended on “employment-related” dependent care expenses, as defined in the Internal Revenue Code. As with the Health Care Spending Account, payments for such expenditures will be made directly to the Participants pursuant to claims procedures established by the Committee. Such procedures will provide that claims must be submitted no later than six (6) months after the close of the Plan Year in which the dependent care expenses were incurred.

- 2) Effective with the Plan year beginning January 1, 2008, the County shall provide a monthly contribution to each participant’s Dependent Care Spending Account based on the employee’s annual salary as follows:

Employee Gross Annual Salary	Employer Contribution per month
Less than \$29,999	\$375
\$30,000–\$34,999	\$300
\$35,000–\$39,999	\$275
\$40,000–\$44,999	\$200
\$45,000–\$49,999	\$125
\$50,000 or more	\$ 75

The County contribution towards Dependent Care Spending Account for Local 721 members is subject to an annual limit not to exceed \$5 Million Dollars for plan years 2016, 2017 and 2018 (for a total of \$15 Million Dollars). Any remaining amount not used in the Plan Year will be returned to the County’s General Fund.

Participants in the Options Dependent Care Spending Account will be able to use their account for eligible Child Care and/or Elder Care expenses up to the maximum allowable contribution amount. Participants would be required to sign up for the Dependent Care Spending Account subject to existing administrative rules, IRS regulations, and other requirements

governing flexible spending accounts. The implementation of the County contribution towards Options Dependent Care Spending Account shall not change any of the IRS guidelines and/or claims procedures as established by the Committee and outlined in the Health Care and Dependent Care Spending Accounts booklet. The Benefits Administration Committee (BAC) Joint Labor-Management Committee will be responsible for making recommendations regarding the administration of the Dependent Care Spending Account and developing communication materials and election information. The provisions for the Options Dependent Care Spending Account will be provided during the term of this MOU agreement.

G. Election Procedures:

1. Eligible employees shall make their benefit elections pursuant to procedures established by the Chief Executive Office.
2. Newly hired and newly eligible employees shall have sixty (60) days to enroll.
3. An employee shall become a Participant effective on the first day of the month following the date on which the enrollment document is submitted. A newly hired employee who fails to act within the above time limit will be deemed ineligible to participate in the Plan until the next Plan Year. For purposes of this Plan, "hired" means appointment to a position eligible for the Plan.
4. Employees who fail to submit the required enrollment documentation during an annual open enrollment within the established time frame will be subject to the default rules set forth below:
 - a) If the defaulting employee is currently enrolled in a County-sponsored health insurance plan, he/she will become a Participant in the Plan for the subsequent Plan Year, and will be deemed to have elected to perpetuate his/her

existing benefit coverage relative to health insurance, dental insurance, optional life insurance, and AD&D insurance. The “existing coverage” for this purpose will be the coverage reflected on each Participant’s pay warrant on the 15th of the month immediately preceding the effective date of his/her election for all Plan Years. Such employee will not be entitled to receive coverage under a Health Care or Dependent Care Spending Account, and he/she will not receive any taxable cash unless the cost of his/her perpetuated nontaxable benefit coverage is less than the amount of the County contribution.

- b) If the defaulting employee is not enrolled in a County-sponsored health insurance plan, he/she will be deemed ineligible to participate in the Plan until the next Plan Year.

H. Maintenance of Benefits

Unless otherwise agreed to by the County and the Union, all insurance coverage sponsored by the County shall retain the levels of benefits in effect on January 1, 2016 through December 31, 2018.

Effective January 1, 2003, the parties implemented a \$5.00 mandatory office co-pay for the Kaiser and PacifiCare HMO — (high option) health plans, a \$5.00 prescription co-pay for the Kaiser plan, and a \$5.00 generic/\$10.00 brand name prescription co-pay for the PacifiCare HMO — (high option) plan.

Effective January 1, 2008, the parties implemented a \$10.00 mandatory Office/Urgent Care co-pay for the County sponsored HMO health plans, and a \$5.00 generic/\$20.00 brand name prescription co-pay for the County sponsored HMO health plans. Beginning in plan year 2008, pediatric Office/Urgent Care co-pays will be zero dollars (\$.0) for children up to age five (5).

Beginning in plan year 2009, the parties elected to waive co-pays for preventative care for the County sponsored HMO plans.

Beginning in plan year 2009, the parties implemented the following enhancements to the dental PPO:

- 1) Increased the annual plan maximum to \$1,750 across all three network tiers,
- 2) Added orthodontia coverage for adults and children with a 50% coinsurance subject to a \$1,200 lifetime maximum,
- 3) Added coverage for dental implants with 50% coinsurance subject to the annual plan maximum, and
- 4) allowed a third teeth cleaning if medically recommended.

Effective January 1, 2010, the parties increased the United HealthCare (UHC) Choice Plus PPO lifetime maximum benefit to \$5 million.

In accordance with the Affordable Care Act there is no lifetime maximum on any County sponsored health plan.

I. Miscellaneous Rules:

1. Unpaid Leave of Absence:

As stated above, an employee loses the monthly County contribution if he/she is not in a pay status at least eight (8) hours in the preceding month. In all other respects, however, an employee who goes on an unpaid leave of absence will continue to be a Participant in the Plan. If the employee pays for his/her insurance premiums while on leave, coverage(s) will continue and all deductions will resume upon the employee's return to an eligible pay status. However, if the employee allows his/her insurance coverage(s) to be canceled, when he/she returns to an eligible pay status coverage(s) will resume with a new effective date which will be the 1st of the month after the employee has been in a pay status at least eight (8) hours in the preceding month.

2. Breaks in Service:

An employee who breaks service and then re-enters during the same Plan Year will be required to complete the current Plan Year with the benefit election in place at the time of the break. If the employee returns during a different Plan Year, he/she will be treated as a new hire. An employee who breaks service and who has elected coverage under the Health Care Reimbursement or Dependent Care Reimbursement options will be deemed to be a Participant in the Plan through the end of the current Plan Year for the limited purpose of claiming any amounts set aside for said benefits prior to the break.

3. Change in Family Status:

An employee must submit his/her change in coverage or life event within ninety (90) days from the date of a qualified change in family status to be eligible for any increase in, or alternate use of, the County Contribution. No refund of premium overpayments will be made if a change in coverage or life event is not received within the ninety (90) day period.

Section 5. Contributions

A. The County will make contributions on behalf of each Participant pursuant to the following three rate structure for the term of this agreement:

<u>Coverage</u>	<u>Monthly Contribution</u>		
	<u>2016</u>	<u>2017</u>	<u>2018</u>
Employee who waives health insurance coverage	\$ 228.00	\$ 228.00	\$ 228.00
Employee only	\$ 852.60	\$ 899.49	\$ 953.46
Employee plus one dependent	\$1,555.61	\$1,641.17	\$1,739.64
Employee plus two or more dependents	\$1,837.66	\$1,938.73	\$2,055.05

Management will contribute a one-time only \$250.00 payment to the Options contribution on January 1, 2014 and July 1, 2014 for a total of \$500.00 during the term of the agreement. The two (2) one-time payments also apply to Options participants who waive coverage.

B. Taxable Cash

Any portion of any County contribution which is not used to pay for the costs of nontaxable benefits available under this Plan shall be paid to the Participant as taxable cash.

- C. In addition, in Plan Years 2016, 2017 and 2018, the County will buy down the premium of any County or Union sponsored health plan so the premium is decreased \$6.00 per month for employee only coverage, \$9.00 per month for employee plus one dependent coverage, and \$11.00 per month for employee plus two or more dependents coverage.
- D. No employee may receive multiple contributions from the Plan, the Choices Plan, the Los Angeles County Flexible and Mega Flex Benefit Plan, or any other County contribution toward any health or dental insurance plan during the same month. An employee who would otherwise be eligible for more than one such contribution during any month will be entitled to the contribution to which his/her status on the last day of the month entitles him/her.
- E. If an employee's nontaxable benefit selections cost more than the amount of the applicable County contribution, the difference will be made up with pretax salary reduction contributions. Salary reduction contributions are additional contributions made by the County in exchange for an equivalent reduction in an employee's taxable compensation. No County contribution or salary reduction contribution will be made on behalf of any Participant if he/she has not been in a pay status for at least eight (8) hours during the preceding month. Unless otherwise required by State or Federal law, salary reduction contributions shall have no adverse effect on County retirement

benefits authorized by the 1937 Retirement Act, the Public Employees Pension Reform Act of 2013 (PEPRA), or any other employee benefit.

Section 6. PPO Dental Subsidy

Beginning January 1, 2010, the premiums for these plans will be on a three tier basis. For each month of the term of this contract, the County contribution to participants in the Indemnity/PPO dental plan shall be as follows:

	<u>2016</u>	<u>2017</u>	<u>2018</u>
Employee Only	\$20.59	\$20.59	\$20.59
Employee plus one dependent	\$36.02	\$36.02	\$36.02
Employee plus two or more dependents	\$56.58	\$56.58	\$56.58

If the County discontinues the buy down of the PPO dental plan, the cost of such buy down shall be added proportionately to the contribution rate of all Options participants, whether such participants purchase the PPO dental plan or not.

Section 7. Administrative Fee

A \$2.00 per month minimum fee shall be charged to each participant for the County costs to administer the Plan. A monthly administrative fee, as determined by the Committee may be charged to each participant. Such fee shall be for enrollment, communications, third party administration, etc.

The above fee shall be collected via tax free salary reduction. It is the intent of the parties that all administrative costs of the Plan be revenue neutral.

Section 8. Health Insurance for Temporary and Recurrent Employees

- A. The parties further agree to recommend jointly to the County’s Board of Supervisors for adoption and implementation by amendment to the County Code, that the County contribution toward health insurance for certain temporary and recurrent employees who are not eligible for the Plan be as set forth below for the term of this agreement.

Coverage	<u>Monthly Contribution</u>		
	<u>2016</u>	<u>2017</u>	<u>2018</u>
Employee only	\$ 715.84	\$ 755.21	\$ 800.52
Employee plus one dependent	1,271.41	\$1,341.34	\$1,421.82
Employee plus two or more dependents	\$1,459.44	\$1,539.71	\$1,632.09

Management will contribute a one-time only \$125.00 payment on January 1, 2014 and July 1, 2014 for a total of \$250.00 during the term of the agreement to the Pension Savings Plan account for temporary and recurrent employees who are not eligible to the Options program.

In addition, the parties agree that the County will provide the same health insurance subsidy listed above to non-student part-time employees as described below.

B. Health Insurance Subsidy for Non-Student Part-time Employees Eligible for Participation

1. An employee will be eligible to enroll in subsidized health coverage if the employee is in a non-student position and is in a pay status for an average of twenty (20) hours a week for the three (3) consecutive months prior to enrollment.

An employee will be deemed to be in a pay status for an average of twenty (20) hours a week for the three (3) consecutive months prior to enrollment if:

- a. The employee is on a daily or hourly item and the employee's total pay status hours for the three (3) consecutive months prior to enrollment is equal to or greater than 244 hours.
- b. The employee is on a 1/2, 3/5, 5/8 or 2/3 monthly item and the employee's total pay status hours for the three (3)

consecutive months prior to enrollment is equal to or greater than 256 hours.

2. The contributions provided for in Section 8A shall be paid on behalf of any employee who a) is employed on a monthly temporary ("O" Item), monthly recurrent ("B" Item), or monthly permanent 3/4 time ("Y" Item) as defined in Section 6.28.020 of the County Code, and b) is not a participant in the Choices Options Plan. In no event shall a County contribution be made on behalf of any employee who has not been in a pay status for at least eight hours during the preceding month.

C. Initial Enrollment

The initial enrollment will allow for health benefits to be effective July 1, 2001. To determine eligibility for the initial enrollment, the months of January, February and March of 2001 will be used to determine if an employee is in a pay-status for an average of thirty (30) hours a week.

Effective January 1, 2010, employees in a pay-status for an average of twenty (20) hours a week during, and, any three (3) consecutive month period will be eligible to enroll in subsidized health coverage.

D. Ongoing Eligibility

To receive a contribution to a health insurance for a month, an employee must be in a pay status for at least eight (8) hours in the prior month. Effective January 1, 2007, an employee will be taken off this benefit effective July 1, if an employee is in a pay-status for an average of less-than twenty (20) hours a week during January, February, and March.

Management agrees not to reduce work hours of such employees for the sole purpose of denying them this benefit.

Section 9. Flexible Benefit and Mega-Flex Benefit Plan

Permanent County employees currently participating in, or eligible to participate in the Flexible Benefit Plan (FBP) and/or Mega-Flex Plan (Pensionable and Non-Pensionable), shall continue to be eligible for and participate in said plans upon unit certification or accretion into a Local 721 bargaining unit. Any and all future changes the County makes to the Flex and Mega-Flex Benefit Plans for non-represented employees, including contributions, plan design and benefit changes, shall be extended to and become part of said eligible or participating employee's Flex and Mega-Flex Plans.

It is the intent of Section 9 to provide a "grandfathered" benefit to employees currently receiving or eligible to participate in the Flexible Benefit/Mega-Flex Plans that elect to be represented by a certified employee organization. Any new employee subsequently hired or promoted into an accreted job classification or a classification covered by unit certification previously covered by the Flex/Mega-Flex Plan shall not participate in the Flex/Mega-Flex Program.

The County shall not discriminate against non-represented employees upon unit certification or accretion into a Local 721 bargaining unit, or otherwise restrict their participation in the Flex and Mega-Flex Benefit Plans, on the basis of their status as represented employees.

The parties agree that the exclusive management, control and administration of the Flex/Mega-Flex Program shall be at the discretion of the County. Any current and future changes or modifications to the Flex/Mega-Flex Program will be at the sole discretion of Management subject to the County meeting and consulting with the Union prior to implementing any changes to the plan(s). Any employee currently covered by Flex/Mega-Flex may waive this benefit and opt on a one-time only basis to be covered by Options. Once an employee elects to be covered by Options this choice will be irrevocable.

Section 10. Joint Labor-Management Health Insurance Committee

The parties agree to establish a Joint Labor-Management Health Insurance Committee. The Committee will consist of seven (7) representatives designated by SEIU Local 721 and seven (7) representatives designated by County Management. The Committee shall establish meeting protocols and appoint a Chairperson and Vice-Chairperson from among its members. The Chairperson and Vice-Chairperson positions will alternate annually between Management and Union.

The purpose of the Joint Labor-Management Committee is to meet, explore and review the feasibility of establishing an Operational Plan to utilize Los Angeles County’s health care delivery system as an option for employees and new hires to select as part of their health insurance benefit program. County Management and SEIU Local 721 may engage their own consultant to participate in the discussion and engagement process. The Committee will develop and make advisory recommendations to the Chief Executive Officer.

SEIU Local 721 reserves its rights to negotiate any health insurance cost mitigation recommendation that affects wages, hours and other terms and conditions of employment.

ARTICLE 10 BILINGUAL PAY

The parties agree to recommend to the County's Board of Supervisors that said Board adopt and implement, through amendment to the County Code, an increase in the additional compensation which may be received, if all the conditions enumerated in Section 6.10.140 of said code are met, from \$80 per month to \$100 per month (\$50.00 per pay period) effective January 1, 2001.

The parties further agree to recommend to the County's Board of Supervisors that effective January 1, 1992, said Board adopt and implement through amendment to County Code Section 6.10.140 that temporary and recurrent employees who meet the conditions stated in said County Code shall be eligible to receive bilingual pay.

ARTICLE 11 PAYDAYS

Section 1.

The parties agree that payroll warrants, including base pay, bonuses, overtime, or any other compensation, will be issued semi-monthly on the 30th day of the month for work performed from the first day through the fifteenth day of the month and on the 15th day of the following month for work performed from the sixteenth day through the last day of the month. If such a day falls on a Saturday, Sunday, or holiday, the payday shall be the immediately preceding regular work day. Employees may opt to participate in the Direct Deposit Program, in which the entire semi-monthly net pay is automatically deposited directly into the employee's checking or savings account at the bank, savings and loan, or credit union of his/her choice which is a member of the Automated Clearing House. Such deposits will be made on or before the 15th and 30th days of each month.

Section 2.

The provisions of this Article will be impacted by the implementation of a new payroll/personnel system commonly known as e-HR in on or after January 2010 through December 31, 2012. Any impact on implementation of the proposed system changes (including bi-weekly pay) on wages, hours, or other terms and conditions of employment will be negotiated with Local 721 in the same manner, and subject to the same conditions, as that provided for in Article 29 e-HR of this Memorandum of Understanding.

ARTICLE 12 SICK LEAVE

Section 1.

Effective with the pay period ending April 15, 2012, the Sick Leave Pay Period Accrual Rate shall be as follows:¹

- Rule 1. For employees authorized 64 or 80 hours of Sick Leave per calendar year and assigned to a 40-hour workweek, the Sick Leave Pay Period Accrual Rate shall be four hours and 21 minutes (4:21) per pay period.
- Rule 2. For employees authorized 64 hours of Sick Leave per calendar year and assigned to a 56-hour workweek, the Sick Leave Pay Period Accrual Rate shall be six hours and 32 minutes (6:32) per pay period.
- Rule 3. For employees authorized 96 hours of Sick Leave per calendar year and assigned to a 40-hour workweek, the Sick Leave Pay Period Accrual Rate shall be four hours and 21 minutes (4:21) per pay period.
- Rule 4. For employees authorized 96 hours of Sick Leave per calendar year and assigned to a 56-hour workweek, the Sick Leave Pay Period Accrual Rate shall be six hours and 32 minutes (6:32) per pay period.

The aforementioned rates replace the accrual methods formerly utilized under the Countywide Timekeeping and Personnel Payroll System (CWTAPPS). Retroactive adjustments which encompass pay periods prior to the pay period ending April 15, 2012 will be made using the rates formerly in effect under CWTAPPS.

All other provisions prior to e-HR implementation and not related to accrual remain the same as described in Sections 5 of this Article.

1. Rules 3 and 4 apply to Local 721 represented units.

Section 2.

The parties further agree to recommend jointly to the County's Board of Supervisors for adoption and implementation through amendment to said County Code that during the term of this agreement only, full-time, permanent employees may be paid for unused full-pay sick leave as follows:

- a) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from July 1, 2015, through December 31, 2015, and if, by December 31, 2015, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on December 31, 2015.
- b) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from January 1, 2016, through June 30, 2016, and if, by June 30, 2016, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on June 30, 2016.
- c) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from July 1, 2016, through December 31, 2016, and if, by December 31, 2016, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on December 31, 2016.
- d) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from January 1, 2017, through June 30, 2017, and if by June 30, 2017, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment

shall be computed on the basis of the workday rate in effect on June 30, 2017.

- e) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from July 1, 2017, through December 31, 2017, and if, by December 31, 2017, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on December 31, 2017.
- f) An employee may, at his/her option, be paid for up to three (3) sick leave days, in lieu of carrying such days, if the employee uses no sick leave for any reason from January 1, 2018, through June 30, 2018, and if by June 30, 2018, he/she had completed at least 12 consecutive months of continuous service as defined in this Article. Such payment shall be computed on the basis of the workday rate in effect on June 30, 2018.
- g) Further, an employee who elects to receive payment for unused sick leave as provided in this Article shall make his/her election known in a manner prescribed by Management within one month following the date said employee qualifies for said payment.

Section 3.

For purposes of this Article, a day of full-pay sick leave shall be defined as:

- a) Eight (8) hours for persons employed on a forty (40) hour per week basis.
- b) A pro rata portion of eight (8) hours in the case of one-half time or more permanent employees.
- c) Twelve (12) hours for persons employed on a fifty-six (56) hour per week basis in the Probation Department, the Fire Protection Districts, and the Forester & Fire Warden's Department.

- d) Eleven (11) hours for all other persons employed on a fifty-six (56) hour per week basis.

Section 4.

The parties further agree to recommend to the County's Board of Supervisors that Section 6.20.040 of the County Code shall continue to provide part pay sick leave benefits based on length of service. Such benefits shall be at the rate of 65% and 50% pay and shall be available for use subject to the conditions and limitations set forth in said County Code.

Section 5.

Notwithstanding the provisions of Section 1 above, full pay sick leave was formerly earned and accrued as follows:

Employees hired prior to July 1, 1986, shall, effective January 1, 1994, earn 0.050 of an hour of full pay sick leave (0.075 of an hour for employees working a 56 hour shift) for each qualifying hour of service during a pay period. Qualifying hours include all active service hours, but do not include regular days off or overtime. Full pay sick leave earned is available for use on the first day of the subsequent pay period. There is no change to the maximum number of days of full pay sick leave that may be earned each calendar year. Employees will no longer receive a lump of sick leave on January 1 of each calendar year. Such employees will receive, on January 1, 1994, a number of days of special usage only sick leave on a one-time only basis. This number of days is equal to such employees' annual maximum number of full pay sick leave days. This special sick leave can be used only after all other full pay sick leave subject to 50% payoff at termination is used, (that sick leave earned on or after January 1, 1971), but may be used before full pay sick leave subject to 100% payoff is used (that sick leave earned prior to January 1, 1971). This special sick leave is not paid off at termination. Upon termination, an employee who otherwise qualifies for payoff of unused full pay sick leave is, in addition to all previously accrued and unused full pay sick leave, paid off for 50% of his or her current annual maximum number of sick leave days less any full pay sick leave taken in the year of termination.

Employees hired on or after July 1, 1986 shall, effective upon the implementation of phase 2 of the County-wide Timekeeping and Payroll-Personnel System (CWTAPPS) earn 0.050 of an hour (0.075 of an hour for employees working a 56 hour shift) for each qualifying hour of service worked during a pay period. Full pay sick leave earned is available for use on the first day of the subsequent pay period. There is no change to the maximum number of days of full pay sick leave that may be earned each calendar year.

Section 6. Personal Leave

Beginning January 1, 2007, employees may use up to 96 working hours (up to 144 working hours for those employees employed on a 56-hour workweek) of accrued full-pay sick leave in any one calendar year for personal reasons pursuant to County Code Section 6.20.030 A(2). When leave pursuant to this Section is needed to attend to the illness or injury of a family member as defined in Article 16, Bereavement Leave, in the Local 721 Fringe Benefit MOU, departmental requirements for prior approval will be applied only to the extent practicable.

Persons employed in positions requiring a California license to practice nursing will be able to use up to 96 working hours for personal reasons in any one calendar year.

ARTICLE 13 PAYING OFF TIME CERTIFICATES

After an employee leaves County service, he/she shall be paid for any unused and payable sick leave, accumulated holiday time, and vacation time at the workday rate of pay in effect on the employee's last day of County Service. Such payment shall be made in one lump sum payment within 30 days or as soon as practicable thereafter. Payment for accumulated overtime shall be paid on the same basis.

Employees, other than those laid off due to a reduction in work force, who are later reemployed or reinstated by the County, shall be considered new employees in all respects with regard to service, compensation, and benefits.

Any full-time permanent employee, who has at least six months continuous service and is laid off pursuant to Civil Service Rules with less than 10 business days' notice, shall be eligible to receive, at the employee's option, one-half of any earned base pay remaining on the books as of the employee's last day of County service. Upon the employee's request to the appointing authority, such payment shall be made within five business days following the employee's last day of County service. The employee's departmental payroll section shall submit the appropriate payroll information to the Auditor-Controller within two business days from the date of the employee's request.

ARTICLE 14 MEAL RATES

The parties agree to recommend jointly to the County's Board of Supervisors that said Board adopt and implement through amendment to the County Code the following meal rates to be paid by those persons who purchase meals in County institutions:

	Effective <u>10/01/09</u>
Breakfast	\$2.00
Lunch	\$2.50
Dinner	\$3.00

All employees who are currently provided free meals by the County shall continue to receive free meals for the term of the Memorandum of Understanding.

ARTICLE 15 VACATION

Section 1.

Effective with the implementation of Phase 3 of e-HR for the pay period ending April 15, 2012, vacation shall be earned and accrued on a pay period basis for each qualifying hour of service. Qualifying hours include all active service hours, but do not include regular days off or overtime. Annual calendar year maximums remain the same as before the implementation of

e-HR. Employees will also accrue the higher rate and additional hours of vacation to which the employee is entitled as a result of his/her length of service on his/her respective anniversary hire date.

Vacation will be accrued according to the following e-HR rates instead of the CWTAPPS rates previously in effect:

Retroactive adjustments which encompass pay periods prior to the pay period ending April 15, 2012 will be made using the rates in effect under CWTAPPS.

Prior to the implementation of e-HR Phase 3, vacation was earned and accrued under CWTAPPS as described below:

Each employee otherwise eligible to receive paid vacation shall be credited with that amount of time earned since the employee's last vacation anniversary date. The only exception to this March 1, 1993, posting is for new employees who have not completed one year's service. For such employees, the pro rata share of vacation will be posted as reserve time and not be available for use until the employee completes one year. At that time, all the March 1, 1993, time plus accrued time since March 1, 1993 will be available for use. Subsequently, such employee will accrue additional vacation each pay period based on the accrual tables listed below for each qualifying hour of service. Qualifying hours include all active service hours, but do not include regular days off or overtime. Annual calendar year maximums remain the same as before implementation of CWTAPPS.

Permanent County employees currently participating in or eligible to participate in the 401(k) Savings Plan shall continue to be eligible for and participate in said plan upon unit certification or accretion of their

classification into a Local 721 bargaining unit. Any and all future changes the County makes to the 401(k) Savings Plan for non-represented employees, shall be extended to and become part of said eligible or participating employee's 401(k) Savings Plan.

It is the intent of this Article to provide a "grandfathered" benefit to individual employees currently participating or eligible to participate in the 401(k) Savings Plan (Chapter 5.26 of the County Code) following unit certification or accretion of their class into a Local 721 Bargaining Unit.

Any employee subsequently hired, transferred, promoted, or who demotes into an accreted job classification, and/or whose class is in a newly certified unit shall not participate in the 401(k) Savings Plan. An employee, who was not otherwise previously eligible for or participated in the 401(k) Savings Plan, shall not become eligible to participate in the Plan based on the grandfathering provisions of this Article.

The "grandfathering" provisions apply on an individual employee basis and do not extend to job classifications.

Nothing in this Article changes the parties practice regarding the 401(k) Savings Plan for non-represented employees who voluntarily elect a change in their employment status to a represented bargaining unit.

The County shall not discriminate against employees, or otherwise restrict their participation in the 401(k) Savings Plan on the basis of their unit certification or accreted status as represented employees.

The parties agree that the exclusive management, control, and administration of the 401(k) Savings Plan shall be at the discretion of the County. Any current and future changes, modifications, or termination of the 401(k) Savings Plan shall be at the sole discretion of Management, subject to the County meeting and consulting with the Union prior to implementing any changes or termination of the 401(k) Savings Plan.

APPENDIX A

**SEIU Local 721 — County of Los Angeles
Joint Labor Management
Health Insurance Cost Mitigation, Goals, and Objectives
Wellness and Health Insurance
Cost Containment Strategic Action Plan**

I. Guiding Principles

- A.** Provide affordable, quality and comprehensive benefits that meet the diverse work-life needs of employees and their dependents.
- B.** Create a County-wide wellness and consumer-wise culture by promoting adoption of healthy lifestyles and the cost sensitive use of health care benefits as tools to help improve employee health, control health insurance costs, reduce employee absenteeism and associated costs and to improve employee morale and productivity.
- C.** Provide competitive and highly valued employee benefits designed to help attract and retain healthy employees.
- D.** Obtain outstanding market value (cost, benefits, access and quality) for all benefits offered to employees.
- E.** Improve the effectiveness of County-wide wellness and disease management, programs to be consistent with wellness and this cost mitigation strategy.
- F.** Make recommendations on policies and best practices to coordinate the development of Employee Wellness Programs on a County-wide and department level basis.

II. Strategic Goals

A. *Measurably control costs and level off annual rate increases below average/normal cost trends*

1. The County and Local 721 will work collaboratively to limit annual HMO rate increases to less than normal/average cost trend.
2. Assure carrier administrative fees (profit, retention, etc.) are appropriate given actual claims expense and loss ratios.

B. *Measurably reduce unnecessary health care utilization to levels below current Options levels and to levels that reflect a healthier population*

1. Reduce key utilization measures from current Options levels, including hospital and physician and prescription drug utilization.

Promotion of wellness and preventative office visits, urgent care and to the appropriate care should be encouraged to avoid unnecessary emergency care and hospital visits.

2. Measure the effect of these reductions on Options costs and annual rate increases.
3. Support cost effective clinical care, complex case and disease management programs that promotes better results in the most prevalent and costly chronic diseases and/or acute conditions.

C. *Measurably improve employee health status to levels better than average for similar employee populations*

1. Increase employee participation in targeted wellness, risk reduction and disease management programs.

2. Track employee participation levels, lifestyle/behavior changes and clinical outcomes year over year.
3. Measure the effect of these programs on employee health status, Options utilization, cost and annual premium rates.

D. *Measurably improve quality of care*

1. Hold carriers accountable for ongoing quality improvement related to critical processes and outcome measures and employee satisfaction.
2. Study and compare HMO/PPO “unit costs” and clinical quality outcomes to help obtain the most cost effective and efficient delivery of services.
3. Develop performance guarantees with the carriers tied to the above goals.

E. *Evaluate alternative Health Plans*

Market current Health Plans to competitive bids via a Request for Proposal (RFP) process when determined to be necessary.

F. *Implement a comprehensive year-round employee education and communication strategy that effectively engages employees in targeted wellness and disease management programs and that promotes positive employee lifestyle and behavior change.*

G. *Evaluate and implement cost effective “Value Based” plan designs.*

III. Short Term Objectives and Action Plan

A. *Data collection and reporting — Through the use of Health Plan specific planning and evaluation tools (specifically Executive Summary Analyses, Dash Boards and Action Plans):*

1. Identify and compare the most prevalent, fastest growing, and costly diseases/conditions and related risk factors for Options participants based on various measures of cost and utilization of services for each of the last two years.
2. Measure and compare Options specific utilization levels and costs over the last two years and identify cost trends and utilization patterns that are considered above average.
3. Benchmark past years and compare future clinical care outcomes, cost, utilization patterns, and employee participation levels yearly to develop cost, utilization, and participation measures to determine the effectiveness of disease management and wellness programs.
4. Measure carrier clinical quality and employee satisfaction improvement over the last three years through the use of CCHRI data and Options specific surveys. Also, measure provider specific performance against appropriate industry benchmarks.
5. Obtain and compare HMO unit costs and quality outcomes data to assess the cost and quality differences between HMO plans.
6. Incorporate County specific wellness clinical disease management outcomes measures into HMO performance standards.

B. Wellness and Disease Management

1. Identify the availability of HMO/PPO Wellness, Risk Reduction and Disease Management Programs.
2. Implement “targeted” programs based on Options specific disease prevalence, related major risk factors and high cost areas of hospital, physician and prescription drug utilization.

3. Identify a) County b) Local 721 and c) HMO/PPO communication and incentive/reward resources that can be used to promote employee participation in and completion of Wellness and Disease Management Programs on a year-round basis.
4. Obtain written commitments from the carriers regarding their data reporting capabilities, financial and program resources in support of this strategy.
5. Prioritize, implement, coordinate and evaluate programs on an ongoing basis (see Data Collection and Reporting).
6. Investigate the new predictive modeling programs and other industry advancements that identify and avoid serious illness in advance.
7. Develop a Health Fair model that effectively engages employees in seeking appropriate follow-up care with their primary care physician and year-round wellness programs.

C. *Employee Education and Communication*

1. Develop a year-round coordinated carrier, County and Local 721 employee education and communication campaign that targets major cost drivers, that promotes employee participation in wellness and disease management programs and results in employee lifestyle and behavior change.

Education should also promote consumer-wise and cost sensitive use of healthcare services, including targeted communications at the key time for patient decisions and engagement.

D. *Worksite Wellness Committees*

County management and departmental employees, including Local 721 representatives on worksite wellness committees, will work collaboratively in partnership to engage employees to participate in Employee Wellness Programs in order to improve their health status.

E. *Evaluate and implement “Value Based” plan designs and evaluate affiliating with external Purchasing Alliances/Coalitions*

1. Identify potential plan design and funding alternatives that will help reduce unnecessary utilization and costs that incent members to use benefits in a more “consumer-wise” and cost effective manner.
2. Identify Value Based plan designs to encourage use of high-value care and reinforce positive employee behavior and lifestyle change, including compliance with appropriate prescription drugs for high cost care. Consider implementation of alternatives that have minimal impact on the employee’s out-of-pocket expenses and that avoids cost shifting to employees.
3. Plan design changes need to assure appropriate access to desired services County-wide.
4. Identify and pursue development of potential strategic alliances with purchasing coalitions that would add value to Options benefits as deemed useful.

F. *High Performing Providers*

Have Options carriers identify high performing providers in efficiency and quality.

1. Work with the carriers to develop an education campaign to motivate patients to use these providers.
2. Depending upon the results of the education program, consider reinforcing the education with financial incentives.
3. Develop a joint approach with the carriers to manage the least effective providers.

G. *Provider Contract Management*

1. Require that the County's carriers present and initiate a business plan for trend management through provider contracting.

Historical Footnote

Appendix A, negotiated during the 2003–2006 contract negotiations as a strategy to mitigate the upward spiraling cost of health insurance for employees, evolved into the “Cost Mitigation, Goals and Objectives” (CMGO’s) and have resulted in reduced costs during the annual rate renewal process.

Know Your Rights

Contact Your Union Steward

As soon as you know or even suspect that you may have a problem, contact your Union Steward. He/She can assist you in protecting your rights as outlined below. If consulted early enough, your Union Steward may be able to advise you on how to avoid discipline altogether. If no Steward is available, contact the Member Connection at (877) 721-4-YOU (877-721-4968).

Keep a Record

As a general practice, maintain a file with copies of all correspondence between you and your supervisor regarding your performance. If you do not normally keep such a file, one should be started, rather than waiting for the first hint of a disciplinary problem. Included should be memoranda between you and your supervisor, supervisory conferences noted, evaluations, general work orders or directives which impact your performance, etc. Any correspondence which indicates action to be taken by you should be annotated as to what action was taken and when. Also, you should keep notes or a diary of any interaction between you and your supervisor (i.e., conferences, counseling sessions, verbal instructions, etc.) including notes on when the interaction occurred, who, if anyone, witnessed it, and what, if any, follow-up action was taken by you or your supervisor. Remember, however, your job is to work, and you should not let record keeping interfere with your performance.

Your Right to Representation

If you are called into a disciplinary or investigatory meeting by your supervisor or other management person, you have a right to representation. This right has been clearly set out by the courts (NLRB v. Weingarten; Civil Service Assn., Local 400 v. City & County of San Francisco) under the following conditions:

- You must reasonably believe that discipline may result from the meeting.
- You must request that a Union Steward be present.

If you are called to a meeting which you know to be or reasonably believe to be disciplinary in nature or could lead to disciplinary action against you, you should immediately notify management that you wish to have your Union Steward present and that you wish to consult with him/her prior to the meeting. If your Steward is not available, you have the right to delay the meeting until a Steward becomes available.

If you attend a meeting with management which subsequently becomes disciplinary, you have the right to call a halt to the meeting in order to get your Steward. Again, you have the right to consult with your Steward prior to resuming the meeting. You have the right to refuse to attend a disciplinary meeting or continue a meeting which has become disciplinary in nature **unless or until a Steward is present**. It is recommended, if management insists on your attendance, that you attend and notify management that you will listen but you will not make any statement or respond to any questions until you have your Union Steward present. Immediately following such a meeting, consult with your Steward.

It is illegal for management to discriminate against any member or shop steward because of union activity.

Pre-Disciplinary or “Skelly” Rights

All permanent employees who have passed probation have a property interest in their jobs.

Prior to imposing a lengthy (more than 5 days) suspension, demotion, or a discharge, your employer **must** provide you due process. These are referred to as “Skelly” rights and are derived from the California Supreme Court decision in *Skelly v. State Personnel Board*. This decision requires that you be given:

- Written notice of the proposed action.
- Reasons for the proposed discipline.
- A copy of the charges and the material upon which they are based (this should include copies of any rules or regulations which are alleged to have been violated and any documentation which support the charges). You have the right to copies of all materials used to support proposed discipline. (Usually these materials are at Human Resources and are not automatically given to the employee.)
- An opportunity to respond, either orally or in writing, to the authority imposing the discipline.

The “Skelly” procedure provides an opportunity for you to refute charges or clarify circumstances and may result in the modification or withdrawal of proposed discipline, but as with any disciplinary procedure, it presents hazards, so your Union should be involved from the start. In some departments, you will be called to a meeting to be presented with the notice of proposed discipline, charges, and documentation. Your Union should be present to insure that the charges are clear and that all of the documentation is made available.

For suspensions of 5 days or fewer, employee must file a grievance within 10 days of receiving the letter of suspension. The employee should request copies of all materials used to support the suspension. It is recommended that the union representative and the employee meet with management to formally deny charges and identify supporting documentation.

Discipline and Appeal

If, following the “Skelly” procedure, management decides to proceed with disciplinary action, you must be given formal notice in writing. Notice must include the exact nature and date of implementation of the discipline, the reason(s) for the discipline, and notice of your right to appeal. A copy of the notice must be filed with the Civil Service Commission. There are time limits to file an appeal. If you are a Union member and desire representation at the Civil Service Commission, call your Union Member Connection immediately at (877) 721-4-YOU — **do not wait until the last day.**

Personnel Files

There is only one official Personnel File for any employee and you have a legal right to inspect and review it (established in State Labor Law and in your MOU).

You are entitled to a copy of any document that you are requested to sign.

You have the right to ask that warnings and reprimands be removed from your personnel file if they are not part of the permanent record (reference in a performance evaluation or formal disciplinary document such as a suspension or reduction, etc.) Warnings and reprimands may be removed after two (2) years. (Please refer to the Personnel Files Article in your contract for more information.)

You also have the right to request that positive materials reflecting your employment be placed in your personnel file. These may include commendations letter, grams, certificates, copies of licenses, etc.

Grievances, A.P.s, notes from one person to another written about you but not to you — none of these belong in your personnel file. Notes which exist only in your supervisor's conference folder cannot be used against you as evidence at the Civil Service Commission; such issues must be addressed in documented form in your official personnel file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor reference in a Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been exhausted.

Performance Evaluations

You have the right to a timely Performance Evaluation (Civil Service Rule 20 says at least one per year). It should reflect your **true** and documented performance **during** the rating period. It may not include comments regarding anything either before or after the specific rating period and it may not mention anything negative that was not already addressed to you during the rating period.

Properly used 100% sick time cannot be referenced.

Failure to complete all workload requirements **may not be referenced if your MOU has caseload or workload protections which have been violated and grieved unless workload standards have been negotiated.**

Safe and Healthful Work

It is your right to work in a safe and healthy work environment. It is your employer's responsibility to provide a safe and healthy place to work and to establish practices that take the safety and health of yourself and others into account.

Your Memorandum of Understanding contains a Safety and Health Article that states it is the mutual responsibility of employees (and their Union) and management to identify and resolve unsafe or unhealthful conditions and practices as quickly as possible.

Contact your Union Steward or Union Representative immediately if you find management inattentive to a dangerous or potentially dangerous situation. A grievance or other form of intervention may be required. You are not required to perform an unsafe work assignment.

Garnished Wages

Your wages are subject to garnishment only if someone has won a judgment against you in court (or you owe back taxes or family support) and you have not yet paid the judgment.

Both federal and state laws limit the amount that a garnishment can take from any given paycheck. Usually 25% is the most that can be taken out of your take-home pay. You may reduce the amount taken by showing that you and/or your family need more than 75% of your earnings to live on. (Your employer must give you a form that tells you how to apply for special treatment.)

Remember — You cannot be discharged or disciplined because of a garnishment.

Additional Responsibilities/Out of Class Bonus

You have a right to be assigned duties consistent with your class spec. If you are performing duties above your class spec, you may qualify for additional responsibilities bonus or out of class.

Voting Rights

Under both California law (Elections Code § 14000) and Los Angeles City law (Elections Code § 7), all employees (including Los Angeles County employees) are entitled to time off for voting under certain conditions.

Those conditions include the following: the employee must show s/he does not have sufficient time to vote outside working hours. The employee may take off however much time s/he needs to vote, **but only two hours of that time will be paid.** Finally, the employee must notify his/her supervisor of his/her intention to take time off to vote on the third working day prior to the day of the election.

This right applies to all statewide and Los Angeles citywide elections, including primary, general, and special elections.

FMLA

Management may not discriminate against you for exercising your rights under the Family and Medical Leave Act.

For further information, we suggest you contact the Member Connection at (877) 721-4-YOU.

Injured Workers' Rights

As a County employee, you are entitled to various benefits whether you are injured on the job or off the job.

Workers' Compensation benefits apply to on-the-job injuries and can include payment of temporary disability benefits, permanent disability benefits, the payment of past or future medical treatment, and vocational rehabilitation.

If you experience injuries, either on or off the job, which permanently disable you from performing your job duties, you may be entitled to a disability pension from Retirement Plans A, B, C, D, or G.

We work closely with attorneys who are experts in the areas of Personal Injury, Workers' Compensation, and Disability Retirement matters.

Discrimination based on a work injury is illegal.
