- C. Collective bargaining unit negotiations will commence six (6) months prior to MOU expiration date, unless mutually agreed to otherwise by the parties.

Article II. RECOGNITION

Section 2.01 Representation

On March 9, 1982, the Service Employees International Union, Local 721 was certified by the City Council as the majority representative of employees in the General Employees Unit (hereinafter referred to as "Unit").

Accordingly, the City recognizes the Service Employees International Union, Local 721 (hereinafter referred to as "SEIU" or the "Union") as the exclusive representative of the employees in said Unit for the purpose of meeting its obligations under the Meyers-Milias-Brown Act (MMBA), Government Code Section 3500, et seq., and the Employment Relations Resolution when City rules, regulations or laws affecting wages, hours or other terms and conditions of employment are amended or changed.

Section 2.02 Unit Employee

The terms "unit employee" or "unit employees" as used herein, shall refer only to the employees in the general service classifications.

The Salary Resolution, Authorized Position Listing, and Salary Grade Table authorized by the City Council will be the guiding document for citywide budgeted positions in the classifications of the General Unit in accordance with Title 2, Chapter 2.72, Sections 040 Classification and 050 Compensation of the City of El Monte Municipal Code. All such unit employees shall be considered General Service Employees.

The City may notify the Union in writing of any proposed changes to the classifications authorized in the Salary Resolution by the City Council. Should any classifications be added, substantially modified, or deleted during the term of this MOU, the City agrees to meet with the Union, upon request, to ascertain if the classifications should be included in this bargaining unit.

Section 2.03 Union Rights and Responsibilities

A. Agency Shop

Pursuant to Government Code Section 3502.5, all employees in the unit have the right to join, or not join, the Union. The Unit has agreed to an agency shop arrangement, which requires that as a condition of continuing employment, each regular unit employee must either join the Union, pay to the Union a service fee in lieu thereof, or establish a religious exemption there from.

B. Membership Dues & Service Fees

1. Each unit employee in the bargaining unit may choose to become a member of the Union and shall pay the Union, via payroll deductions, the regular dues rate. An employee that was already a member of SEIU, in another City bargaining unit represented by SEIU, shall automatically remain a member of SEIU when entering the Unit, unless he/she requests in writing to the Union to change such membership status within seven (7) days of entering the Unit.
2. The City shall automatically deduct a service fee, in an amount not to exceed the regular dues rate, from the paychecks of those unit employees who do not join the Union within fourteen (14) days of entering the Unit.
3. Such amounts of dues and service fees shall be determined by the Union and implemented by the City in the first payroll that starts after the City receives thirty (30) days written notice from the Union.

C. Nondiscrimination

1. Treatment of Employees

The parties mutually reaffirm their respective policies of nondiscrimination in the treatment of any unit employee because of race, religious creed, color, sex, age, disability, sexual orientation, national origin, ancestry, or lawful union activity.

2. Such unit employees shall be required to submit a written request for exemption to the Union. Upon approval of such request, the employee, in lieu of the payment of service fees, shall direct the Union to submit such funds, in an amount equal to the service fee, to a non-religious, non-labor charitable fund of the employee's choosing which is exempt from taxation under the Internal Revenue Code.
3. Such payments shall be made by payroll deduction as condition of continued exemption from the requirements of financial support to the Union and as a condition of employment.

E. Payroll Deductions

1. During the term of this MOU, and upon compliance with such rules and regulations pertaining thereto as the Human Resources/Risk Management (HR/RM) Department or Finance Department may establish, union dues and such other deductions as may be lawfully permitted and agreed to by the City and the Union, shall be deducted each pay period from the base salary, including longevity pay, of each unit employee in the Union who files with the Finance Department, a written authorization that such voluntary deductions be made. Deductions for service fees shall not require written authorization from the employee.
2. Remittance to the Union of the aggregate amount of such deductions will be made by the City within fifteen (15) working days after the end of the month in which said deductions were effected.
3. Notwithstanding any provisions to the contrary, during the terms of this MOU, payroll deductions requested by unit employees for the purpose of becoming employees of and/or to obtain benefits offered by any bargaining organization other than the Union, will not be accepted by the City.
4. For the purpose of this provision, bargaining organization means any organization of unit employees whose responsibility or goal is to represent unit employees in the City's meet-and-confer process.

F. Union Security Clause

1. Any employee, who has authorized union dues payroll deductions on or by the effective date of this MOU, or at any time subsequent to the effective date of this MOU, shall continue to have such union dues payroll deductions made by the City during the term of this MOU.
2. Employees may opt to terminate such union dues payroll deductions during the period of not less than thirty (30) days and not more than forty-five (45) days before the expiration of this MOU, by notifying SEIU, in writing, of their termination of authorization for union dues payroll deductions. Such notification shall be delivered in person, or by United States Mail, and should be in the form of a letter, signed and dated by the individual employee, containing the following information: employee name, employee identification number, job classification, employer's name, and a statement of request to cancel union dues payroll deductions for SEIU.

K. Use of City Facilities & Equipment

1. The City agrees to permit the reasonable and limited use of City facilities and equipment, including telephones, personal computers and other information technology devices by unit employees for the conducting of official union business and will not interfere with the conduct of City business. It is the responsibility of an authorized union representative or the individual employee to provide such reasonable advance written notice to the City. In the event the union representative or the individual employee fails to provide such reasonable advance notice, the City may deny the request if the employee's absence would negatively impact City services or operations.
3. For release time related to collective bargaining and/or any meetings which involve City management, it is the responsibility of the individual employee to notify his/her immediate supervisor of the meeting date/time as soon as the meeting is scheduled, but no later than his/her first work day after receipt of notice of such meeting.

4. No item that can be reasonably interpreted as inflammatory, libelous, obscene, or slanderous may be posted on bulletin boards. The Union agrees to conduct itself in a businesslike, lawful manner.

5. The Union agrees to hold the City harmless and indemnify the City against any claim, cause of action, or lawsuits arising out of the Union's use, placement, installation, operation, goods, services, or device or any publication of libelous matter on union bulletin boards, or any use, placement, installation of any equipment, furniture, floor covering, records, or other personal property not owned by the City.
