However, this Article shall neither preclude Management, the Union nor any of their authorized representatives from communicating with said public officials to advocate the adoption of this MOU.

ARTICLE 1.5 TERM

- A. The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.3, Implementation of MOU, are fully met, except to the extent that the parties have agreed in Letters of Agreement to continue to meet and confer after implementation, but in no event shall this MOU become effective prior to 12:00 a.m. on July 1, 2015. This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on June 30, 2018. The MOU in effect on June 30, 2014 shall have remained in effect through 11:59 p.m. on June 30, 2015.
- B. - C. No alteration, variation, waiver, modification or amendment of any of the Articles, terms or provisions requiring approval of the City Council contained herein, shall in any manner be binding upon the Union or Management unless and until jointly recommended in writing to the Council and approved and implemented in accordance with Article 1.3, Implementation of MOU.
- D. The waiver of any breach, term or condition of this MOU by any party to this MOU shall not constitute a precedent in the future enforcement of all its articles, terms and provisions.

ARTICLE 1.9 PROVISIONS OF LAW AND SEPARABILITY

This MOU is subject to all applicable Federal and State laws, the City Charter, City ordinances, and any lawful rules and regulations enacted by the Civil Service Commission, the ERB, or similar independent commissions of the City. In the event of a work action by its members, the Union

shall make concerted and reasonable efforts to ensure the return of its members to work. Failure by the Union to act or failure of the Union's actions to secure the return of striking employees shall constitute sufficient cause for the City to take whatever corrective action it deems appropriate.

- B. The curtailing of operations by the City in whole or in part for operational or economic reasons shall not be construed as a lockout.
- C. The provisions of this Article shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppages by public employees.

Management will provide the Union within thirty (30) calendar days from the effective date of this MOU and each thirty (30) calendar days thereafter, with a list of employees in alphabetical order, their employee identification numbers, address, class titles, class codes, membership status, and work location by department, office or bureau, as well as division if such information is readily available. All information shall be provided to the Union electronically. The means of provision and the substance of the requisite information may be changed by mutual agreement.

- D. **Union Security:** Any employees in this Unit who have authorized Union dues deductions on the effective date of this MOU, or at any time subsequent to the effective date of this MOU, shall continue to have such dues deductions made by the City during the term of this MOU; however, any employee in the Unit may

terminate such Union dues during the thirty (30) day period commencing ninety (90) days before the expiration of the MOU by notifying the Union of their termination of Union dues deductions. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee identification number, job classification, department name, and name of Union from which dues deductions are to be cancelled. The Union will provide the City with the appropriate documentation to process these membership dues cancellations within ten (10) business days after the close of the withdrawal period.

ARTICLE 2.3 AGENCY SHOP

The following provisions shall apply to employees in classifications listed in the Appendices herein.

A. DUES/FEES

- (1) Each employee in this Unit who has completed thirty (30) calendar days of City service and who is not on unpaid leave of absence, shall, as a condition of continued employment, become a member of the Union, or pay said Union a service fee in an amount not to exceed periodic dues and general assessments of the Union for the term of this MOU; However, said fee shall not be assessed in any biweekly pay period in which the affected employee does not work a minimum of twenty (20) hours. Such amounts shall be determined by the Union and implemented by Management in the first payroll period which starts thirty (30) calendar days after written notice of the new amount is received by the Controller.
- (2) Notwithstanding any provisions of LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member of and/or to obtain benefits offered by any qualified organization other than the Union, will not be accepted by the Controller. For the purpose of this provision, qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
- (3) The CAO and the Union shall jointly notify all members of the Unit that they are required to pay dues or a service fee as a condition of continued employment and that such amounts will be automatically deducted from their paychecks. The religious exclusion will also be explained. The cost of this communication and the responsibility for its distribution shall be borne by Management.

B. EXCEPTIONS

(1) Management or Confidential Employees

The provisions of this Article shall not apply to Management or confidential employees. Management and confidential employees shall be as defined in LAAC Section 4.801 and designated in accordance with LAAC Section 4.830d.

(2) Religious Objections

Any employee who is a member of a bonafide religion, body, or sect, which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support the organization. Such employee shall, in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3), which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement.

Such payments shall be made by payroll deduction as a condition of continued exemption from the requirements of financial support to the Union and as a condition of continued employment.

C. MANAGEMENT RESPONSIBILITIES

(1) The Controller shall cause the amount of the dues or service fee to be deducted from twenty-four (24) biweekly payroll checks of each employee in this Unit as specified by the Union under the terms contained herein. "Dues," as distinct from "service fee," shall be the result of voluntary consent in the form of a payroll deduction card signed by the individual employee.

(a) Remittance of the aggregate amount of all dues, fees and other proper deductions made from the salaries of employees hereunder shall be made to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said dues, fees and/or deductions were deducted.

(b) A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.

(2) The Controller shall also apply this provision to every permanent employee who, following the operative date of this Article, becomes a

member of this Unit, within sixty (60) calendar days of such reassignment or transfer. Such deduction shall be a condition of continued employment.

- (3) Management will provide the Union with the name, home address and employee identification number of each permanent employee.
- (4) The Controller shall notify the Union within sixty (60) calendar days of any employee who, because of a change in employment status, is no longer a member of the Unit or subject to the provisions of this Article.

D. UNION RESPONSIBILITIES

- (1) The Union shall keep an adequate itemized record of its financial transactions and shall make available annually to the City Clerk, and to all Unit employees, within sixty (60) calendar days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to its accuracy by its president and the treasurer or corresponding principal officer, or by a certified public accountant.
- (2) The Union certifies to the City that it has adopted, implemented and will maintain constitutionally acceptable procedures to enable non-member agency shop service fee payers to meaningfully challenge the propriety of the uses to which service funds are put.

These procedures shall be in accordance with the decision of the United States Supreme Court in *Chicago Teachers Union, Local No. 1, AFT, AFL-CIO, et al. v. Hudson*, 475 U.S. 292 (1986).

- (3) The Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article. It is also agreed that neither any employee nor the Union shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Controller within thirty (30) calendar days after the date such deductions were or should have been made.

E. RESCISSION

- (1) The provisions herein may be rescinded in accordance with the procedures contained in ERB Rule 12 adopted January 11, 1982.
- (2) In the event that this Article is overturned by the employees in this Unit, all other articles of the MOU shall remain in full force and the prior agreement, rules, regulations and past practices relating to organizational dues deduction authorizations shall be reinstated until a successor MOU or amendment shall have been approved.

ARTICLE 2.4 WORK ACCESS

- A. A Union Staff Representative, with the prior approval of Management, shall be admitted to City facilities or work sites during working hours to assist Unit employees in adjusting their grievances, or to investigate complaints concerning working conditions.

If access cannot be permitted at the time requested, the Union Staff Representative will be given the date and time when such access will be permitted. It is mutually understood that only the minimum amount of time necessary to handle complaints or grievances will be utilized by the Union Staff Representative.

- B. A Union Staff Representative may also be admitted to City facilities or work sites at reasonable intervals, for the purpose of communicating with Unit members who are off duty. Such communications shall be limited to an exchange of information concerning the lawful and legitimate activities of the Union and/or its membership. Authorization to make such visits shall be obtained by contacting either the person that has been designated by Management to grant access to a specific City facility or work site, or the Management Representative of the department, office or bureau affected.
- C. Union shall provide Management with a list of its Union Staff Representatives. Management will provide Union with a list of persons designated to grant access to specific City facilities or work locations.
- D. The provisions of this Article shall not be deemed to be a limitation on the authority of Management to deny access to facilities or work sites designated "security" or "confidential."

ARTICLE 2.5 USE OF CITY FACILITIES

- A. City facilities may be used by the Union with the prior approval of Management for the purpose of holding meetings, if such facilities can be made available without disrupting the normal operations of the departments, offices, or bureaus affected.
- B. The Union will pay such usual and customary fee(s) and/or other charges as are required by the City. Such charges normally cover rentals, special set-ups, cleanups, and security services.

ARTICLE 2.6 BULLETIN BOARDS

- A. Each department, office or bureau agrees to provide a bulletin board or reasonable space at work locations which may be used by the Union for the following purposes:

- (1) Notices of Union meetings.
 - (2) Notices of Union elections and their results.
 - (3) Notices of Union recreational and social events.
 - (4) Notices of official Union business.
 - (5) Any other communication which has received the prior approval of the Departmental Management Representative.
- B. It is agreed that copies of communications listed in "1" through "4" will be provided to the designated representative of Management at the time of posting.
- C. It is further agreed that all communications to be posted, other than "1" through "4" above, shall be submitted for approval to the designated representative of Management twenty four (24) hours before posting.
- D. It is further agreed that the Union shall place a removal date on all communications to be posted.

All notices or other communications prior to being posted shall be identified with an official stamp of the Union, initialed by a full-time Union staff representative, and if requested by Management, submitted to the Management Representative of a department, office or bureau for posting.

ARTICLE 2.7 ACTIONS BY EMPLOYEE RELATIONS BOARD

Should any action(s) by the ERB, prior to the expiration of this MOU, result in any significant changes to the composition of this Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required to ensure that the interests of the employees are protected.

ARTICLE 2.8 EMPLOYEE RELATIONS

Meetings at reasonable intervals may be scheduled at the request of a full-time Union Staff Representative or the Management Representative of a department, office or bureau for the purpose of informally discussing potential employer-employee relations problems.

ARTICLE 2.9 POLITICAL ACTION COMMITTEE

- A. The Controller shall deduct fifty cents (\$.50) per pay period from the salary to be paid to each Union member, identified on a list prepared and submitted by the Union, as a contribution to the Local 721 Political Action Committee ("PAC"). Union members may voluntarily contribute an amount greater than fifty cents (\$.50) per pay period to the PAC provided the Union provides the Controller timely notice of the members' names and the additional amount they wish to contribute on a biweekly basis. Such contribution is to be deducted from twenty-four (24) biweekly payroll checks annually.

- B. Remittance of the amount of the PAC deductions shall be sent to the Union by the Controller within thirty (30) working days after the end of the month in which such deductions are made.
- C. A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each PAC deduction taken. The Controller will deduct the aggregate amount of such fees on a biweekly basis.
- D. Neither an employee nor the Union shall have any claim against the City for a PAC deduction made or not made, as the case may be, unless a claim of error is presented to the Controller in writing within thirty (30) calendar days after the date such deduction was or should have been made.
- E. The Union indemnifies the City, its officers (present and former), and its employees (present and former) for, and holds them harmless against, any liability or expense (including without limitation any judgment, reasonable attorney's fees, and costs of suit) arising out of the adoption or implementation of this Article.

ARTICLE 2.10 CONTRACTING OF UNIT WORK

The parties agree that during the term of this MOU the following terms and conditions shall apply to the contracting of Unit work:

- A. No Unit employee shall be laid off, demoted or suffer loss of pay or benefits as a result of the contracting of unit work.
- B. If any employee subject to the provisions herein is displaced as a result of contracting, he/she shall be retained in a position within a classification represented by the Union.
- C. Notwithstanding any provision of this MOU to the contrary and excluding the provisions of paragraph E(6) and subsection G below, the provisions of this Article shall be subject to advisory arbitration only.
- D. In lieu of the meet-and-confer process prescribed by the Employee Relations Ordinance ("ERO"), the parties agree to meet and discuss, in accordance with the provisions outlined below, all contracts to perform Unit work except for contracts required by bona fide emergencies.
- E. The parties agree that the following expedited procedure shall replace the impasse resolution provisions of the ERO for disputes arising out of the meet-and-discuss process specified above:
 - (1) The City shall provide timely notice, through the existing "clearinghouse" procedure, of proposed contracts to perform Unit work. In addition, the

City shall provide the Union a list of individuals responsible for coordinating contracting information in each department.

- (2) The Union may request to meet and discuss such proposed contracts within fifteen (15) calendar days following notice as indicated in subsection (1) above. Failure by the Union to request such meeting(s) within the prescribed fifteen calendar days shall constitute a waiver of the Union's right to continue this process.
 - (3) Meeting(s), if requested, shall begin within five (5) working days following notice to the City by the Union of its desire to discuss the proposed contract(s).
 - (4) If the parties cannot reach agreement through the meet-and-discuss process, the Union may request expedited advisory arbitration within five (5) working days following the last meet-and-discuss session. Failure by the Union to request arbitration within the specified five days shall constitute a waiver of the Union's right to continue in this process. The parties will attempt to establish a mutually agreeable, expedited process for selecting arbitrators. Absent any such agreement, arbitrators will be selected in accordance with Rules 11.03 and 11.04 of the ERB.
 - (5) The parties agree that for contracts with a value of less than \$1 million the hearing and issuance of the advisory decision by the arbitrator shall be concluded within thirty (30) calendar days following request for arbitration; and within ninety (90) calendar days for contracts of \$1 million or more.
 - (6) The arbitrator's advisory decision and recommendation shall be transmitted to the appropriate determining body simultaneously with the proposed contract.
 - (7) The time limits in this process may be extended only by the mutual, written agreement of the parties.
 - (8) The expedited arbitration process herein shall be informal. Court reporters shall not be used; rules of evidence shall be informal; the production of witnesses and documentary evidence shall be at the discretion of each party; the arbitrator's notes, exhibits (if any), and the written advisory decision and recommendation shall constitute the record of the proceedings; post hearing briefs shall not be required or submitted.
 - (9) Arbitration fees shall be shared equally by the Union and the City.
- F. (1) Disputes over the practical consequences of the contracting of Unit work, other than those occurring under paragraphs 4 and 5 above, shall be resolved in accordance with the provisions of Article 3.1, Grievance

Procedure, and shall not delay the implementation of the contract if all other provisions of this Article have been met.

- (2) The parties agree that the review of "practical consequence" grievances shall begin with the first formal level of review of the grievance procedure and that said grievances shall be subject to advisory arbitration, except as provided in the Arbitration step of the Grievance Procedure.

G. The parties agree that, effective December 13, 2015, the Union may file a grievance regarding the Charter 1022 notification.

- (1) A grievance challenging the 1022 notification shall be filed within fifteen (15) calendar days of the Union's knowledge of the alleged deficient notification.
- (2) The grievance will be submitted to an expedited informal arbitration process. The arbitration shall be conducted within thirty (30) days of filing of the Union's grievance. The arbitration fees shall be shared equally between the Union and the City.
- (3) The arbitrator shall determine if the City has violated the 1022 notification procedures. The arbitrator's remedy shall be limited to ordering the City to reissue the 1022 notification. In no event will the arbitrator have the authority to void a Council-approved contract. The arbitrator's decision is binding on the parties.

ARTICLE 3.0 GRIEVANCE

ARTICLE 3.1 GRIEVANCE PROCEDURE

STATEMENT OF INTENT

Management and the Union have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

DEFINITION

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to Unit employees. The parties agree that the following shall not be subject to the grievance procedure:

- A. An impasse in meeting and conferring upon the terms of a proposed MOU.
- B. Any matter for which an administrative remedy is provided before the Civil Service Commission.
- C. Any issue that the parties agree to refer to another administrative resolution process.
- D. Assignment and scheduling of hours and personnel for intermittent and half-time employees, unless said assignment or scheduling is in violation of the departmental working rules or this MOU.

GENERAL PROVISIONS

A. BINDING ELECTION OF PROCEDURE

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the ERB, the employee must elect to pursue the matter under either the grievance procedure, or by action before the ERB. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

B. GRIEVANCE PROCESS RIGHTS

No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.

C. TIME, TIME LIMITS AND WAIVERS

"Business days" shall be defined as Monday through Friday, exclusive of City Holidays, as defined in Article 6.3, Holidays and Holiday Pay.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

D. MEDIATION

- (1) At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department's personnel officer. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the ERB appoint a mediator. The ERB shall attempt to obtain the services of a mediator from the State Mediation and

Conciliation Service. If a State mediator is unavailable, the Union and Management may jointly agree to a mediator selected by the Executive Director of the ERB. The fees of such mediator shall be shared equally by Union and Management.

- (2) The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.
- (3) If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.
- (4) Notwithstanding the above, and ERO Section 4.865, the parties may mutually agree to accept the opinion of the mediator as binding.
- (5) If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

E. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

- (1) Suspensions without pay
- (2) Allegations of failure to accommodate medical restrictions
- (3) Allegations of retaliation
- (4) Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the Union and Management.

GRIEVANCE PROCESS

STEP 1 ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

- A. The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall

have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.

- B. The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the Union of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

STEP 2 GRIEVANCE INITIATION (FORMAL)

- A. If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of Management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of Management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.
- B. The manager, or appropriate designee, shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

STEP 3 GRIEVANCE APPEAL

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

Los Angeles Police Department only:

If the grievance is not resolved at Step 2, or the Chief of Police, or designee, fails to respond within the time limit, the grievant may process the grievance to the next level. The employee may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at

Step 2, or (b) the last day of the response period provided for in Step 2. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the employee.

STEP 4 ARBITRATION

- A. If the written response at Step 3, or mediation, does not settle the grievance, or Management fails to provide a written response within thirty (30) business days of the Step 3 meeting, the Union may elect to serve a written request for arbitration with the ERB. A copy of this notice shall be served upon the department's personnel officer. The request for arbitration must be filed with the ERB within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3. Failure of the Union to serve a written request for arbitration with the ERB within said period shall constitute a waiver of the grievance.
- B. If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the ERB, within ten (10) business days following receipt of said list. Failure of the Union to notify the ERB of the selected arbitrator within sixty (60) business days of receipt of said list shall constitute a waiver of the grievance.
- C. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the ERB, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.
- D. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
- E. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES

The Union may elect to file a grievance on behalf of two or more employees. The facts and issues of the grievance must be the same.

PROCEDURE:

STEP 1 GROUP GRIEVANCE INITIATION (FORMAL)

- A. The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form prior to the meeting with the General Manager.
- B. The General Manager, or designee, shall provide written notification to the Employee Relations Division of the CAO of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the Union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

Los Angeles Police Department only:

If the grievance is not resolved at Step 1, or the Chief of Police, or designee, fails to respond within the time limit, the Union may process the grievance to the next level. The Union may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 1, or (b) the last day of the response period provided for in Step 1. Failure of the Union to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the Union.

STEP 2 GROUP GRIEVANCE APPEAL

If the grievance is not settled at Step 1, or by the Police Commission in the Police Department, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

ARTICLE 3.2 UNION STEWARDS

- A. (1) The Union may designate a reasonable number of Union Stewards who must be members of the Union, and shall provide all departments, offices, or bureaus with a written list of employees who have been so designated and revised lists within thirty (30) calendar days of any changes in said designations. A steward may represent a grievant in the presentation of a grievance at all levels of the grievance procedure. A steward may represent an employee in pre-disciplinary hearings (Skelly) or pre-disciplinary interviews where there is a reasonable expectation that disciplinary action will follow.
- (2) An employee and his/her steward may have a reasonable amount of paid time off for the above-listed activities. However, a steward will receive paid time off only if he/she is the representative of record; is a member of the same Union as the employee is employed by the same department, office or bureau; and, is employed within a reasonable distance from the work location of the employee.
- (3) If a steward must leave his/her work location to represent an employee, he/she shall first obtain permission from his/her supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the steward will be informed when time can be made available. Such time will not be more than forty-eight (48) hours after the time of the steward's request, excluding scheduled days off and/or legal holidays, unless otherwise mutually agreed to. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.
- (4) Before leaving his/her work location, the steward shall call the requesting employee's supervisor to determine when the employee can be made available. Upon arrival, the steward will report to the employee's supervisor who will make arrangements for the requested meeting.
- (5) Time spent on grievances, or the pre-disciplinary representation activities described above, outside of regular working hours of the employee or his/her steward shall not be counted as work time for any purpose. Whenever these activities occur during the working hours of the employee and/or the steward, only that amount of time necessary to bring about a prompt disposition of the matter will be allowed. City time, as herein provided, is limited to the actual representation of employees and does not include time for investigation, preparation or any other preliminary activity.
- B. (1) In order to facilitate the expeditious resolution of workplace disputes at the lowest possible level, the parties agree to establish a joint Labor-

Management training program for Stewards and Front-Line supervisors.

- (2) No later than March 18, 2016 or another date mutually agreed upon by the parties, the Union and City representatives will have established a curriculum and training program that will provide skills for both stewards and front-line supervisors in the processing and resolution of grievances and other workplace issues in a cooperative, problem-solving manner. Upon completion of the program, both Union Stewards and Front-Line Supervisors will be certified.
- (3) Stewards certified through this training shall be authorized to spend up to two (2) hours of City time to investigate each dispute raised under the Grievance Procedure of this MOU.
- (4) As is practicable, grievances will be heard by Certified Supervisors.

ARTICLE 4.0 ON THE JOB

ARTICLE 4.1 SAFETY

- A. Management will make every reasonable effort to provide safe working conditions, and the Union will encourage all employees in the Unit to perform their duties in a safe manner.
- B. Safety clothing and/or safety devices currently provided by Management will continue to be provided as long as the need exists. The Union will encourage every employee to utilize such safety clothing and safety devices to the extent possible.
- C. Each employee shall be responsible for reporting promptly to his/her immediate supervisor any unsafe practice or condition observed. The employee shall be advised immediately of the action that will be taken by the supervisor.

ARTICLE 4.2 PERSONNEL FOLDERS

- A. Upon request, an employee shall be entitled to review the contents of his/her official departmental personnel file at reasonable intervals during the hours his/her personnel office is open for business. Such review shall not interfere with the normal business of the department, office or bureau.
- B. No disciplinary document shall be placed in an employee's official departmental personnel file without providing said employee with a copy; however, the Police Department may decide in lieu thereof to notify the employee that such a document has been placed in the employee's file and that it is available for review. This provision shall not apply to documents placed in said file prior to July 1, 1975.

- C. A "Notice to Correct Deficiencies" may be sealed upon the request of an affected employee if he/she has not been involved in any subsequent incidents that resulted in written corrective counseling or other management action for a period of four (4) years from the date the most recent notices was issued or management action taken; however, it is mutually understood that a "Notice to Correct Deficiencies" is not considered a form of discipline by the Police Department and a copy is not placed in the departmental personnel folder; therefore, the Police Department is excluded from the provisions of this paragraph.

ARTICLE 4.3 REST PERIODS

- A. Each employee shall be granted a minimum of fifteen (15) minutes rest period in each four (4) hour period; provided, however, that no such rest period shall be taken during the first or last hour of an employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor.
- B. Management reserves the right to suspend any rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, nor compensated for in any form.

ARTICLE 4.4 PERFORMANCE EVALUATIONS

- A. The supervisor who signs an employee's performance evaluation shall have been in a position to review the employee's work for a reasonable period of time during the evaluation period. If the employee has worked under more than one supervisor for a significant period of time during an evaluation period, the rating shall reflect the opinion of each such supervisor.
- B. An annual performance evaluation that has been appealed shall not be placed in an employee's personnel file until it has been determined whether the evaluation will be changed.

ARTICLE 4.5 CREDIT FOR TRAINING

- A. Whenever Management approves, an employee may be permitted to assume tasks which are outside the scope of the normal duties of his/her position for the purpose of gaining experience in the performance of duties in higher level positions, or learning to operate such City equipment as is used by his/her department in order to gain work experience on such job or equipment. A qualified person shall be designated and shall be available to instruct and supervise the employee in the performance of such tasks or in the safe and proper operation of said equipment. Any dispute concerning the person's qualifications to instruct and supervise shall be decided by the employee's Departmental Management Representative.

B. If the employee requests:

- (1) The employee and his/her supervisor will jointly log the successful performance of such tasks on a form provided by Management. The form will be kept updated; and,
- (2) The employee's department will provide confirmation of such performance on a form titled "Verification of Work Experience" (Personnel Department form PD 21R #11-74), so that it may be utilized by the employee whenever such verification is required to establish eligibility to take an examination.

ARTICLE 4.6 PART-TIME EMPLOYMENT

SECTION I EMPLOYMENT

Notwithstanding the provisions of LAAC Section 4.110, the following provisions shall apply to part-time employees covered by this MOU.

A. Except as provided in LAAC Section 4.117 and/or any Departmental Personnel Ordinance to the contrary, a work schedule of less than the number of hours of full-time employment shall be considered part-time employment. The following categories of part-time employment are hereby defined and shall be controlling for purposes of this Article:

- (1) Half-time: Half-time employees are those who are regularly assigned to a work schedule of one thousand and forty (1,040) hours or more in a calendar year, but less than full-time. Compensation shall be prorated on the basis of the total number of hours of work in relation to the total number of hours required for full-time employment. Benefits provided in this MOU for half-time employees also shall apply on a prorated basis, as defined.
- (2) Intermittent: Intermittent employees are those who are assigned to a regular or on-call work schedule of less than the number of working hours required for half-time employment (less than 1,040 hours) in a calendar year. The hourly rates provided in the Appendices to this MOU shall be considered full compensation for intermittent employees. Employees who concurrently hold more than one intermittent position still shall be considered intermittent, as herein defined, irrespective of the total number of hours scheduled.

B. Part-time employees shall be notified of their status as half-time or intermittent at the time of hire. Half-time employees shall be notified of their eligibility for prorated benefits. Intermittent employees shall be notified that they are not entitled to benefits except as provided in paragraph C below.

- C. Intermittent and half-time employees must request permission from their primary employing department to hold more than one position concurrently. Employees must designate a primary employing department in writing with their primary and secondary employing departments and with the Controller's Office. Temporary Elections workers are exempt from this requirement.
- (1) If an employee fails to designate a primary employing department the Controller's Office will designate the first department to hire the employee as the primary employing department.
 - (2) Employees may change their designated primary department during the Open Enrollment period of October 1-31.
 - (3) If an employee changes departments outside the Open Enrollment period, the Controller's Office will designate the first department to hire the employee as the primary employing department, unless the employee notifies the Controller's Office otherwise within thirty (30) calendar days of the effective date of the change.
 - (4) Employees who hold concurrent positions shall request permission to continue to do so within sixty (60) days of the adoption of this MOU by City Council.
- D. (1) Intermittent employees, except those employees who were hired before February 1, 1990, who continue to accrue vacation hours shall be eligible to accrue compensated personal time off at the rate of 2.75 minutes for every hour compensated. Employees must complete a period of six (6) consecutive months of City service and must have been compensated for at least five hundred (500) hours before qualifying to use the compensated personal time off. This benefit may be used in no less than one-half hour increments for the following:
- (a) Sick leave, family illness and preventive medical;
 - (b) Urgent personal business, subject to approval of the supervisor;
 - (c) Holidays, upon the request of the employee. The holiday must fall on the employees' regularly assigned schedule, and the employees must not be required to work on that holiday. If the qualifying employees choose not to use compensated personal time off for the holiday, the employees may be allowed, subject to approval of the supervisor, to adjust their work schedules and make up the time in full not later than the next succeeding payroll period.

- (2) Compensated personal time off may be accumulated for up to a maximum of forty-eight (48) hours. Any time accumulated in excess of such amount shall be deemed waived and lost.
- (3) There shall be no payment of any form for unused personal time upon separation from City service for any reason.
- (4) Employees who hold more than one intermittent position concurrently shall be eligible to accrue compensated personal time off in only one position in their primary employing department.
- (5) Employees who are receiving benefits as a full-time or half-time employee in another department or capacity, or are a retired member of Los Angeles City Employees' Retirement System ("LACERS"), shall not be eligible to receive compensated personal time off benefits as an intermittent employee.
- (6) Notwithstanding paragraph 2 above, an employee hired on an intermittent basis who, following two consecutive years of City service, has been compensated for 1,000 or more hours during each of the two consecutive service years shall be considered a half-time employee and become entitled to qualify for prorated benefits provided to half-time employees. Effective July 26, 2015, after 1,000 compensated hours in one service year, intermittent part-time employees shall qualify for half-time status benefits, shall be certified to LACERS, and shall be eligible to receive prorated benefits as of the date they reach 1,000 hours of service
- (7) Upon designation as half-time under these circumstances, such employees shall be allowed to carry over into the 100% sick leave bank up to a maximum of 16 hours of unused compensated personal time. Any unused personal time in excess of sixteen (16) hours shall be deemed waived and lost. Such employees shall immediately begin accruing vacation and sick leave, and become eligible to use vacation, sick leave and holiday benefits at the appropriate prorated rate. Their anniversary date shall be based upon the date they are designated as half-time employees. No such benefits shall be provided retroactively. This paragraph shall not preclude an appointing authority from changing an intermittent employee's status to half-time anytime following appointment.
- (8) Upon designation to half-time status, part-time employees shall continue to be eligible to use accrued compensated personal time off until they receive the annual vacation credit. When they receive the annual vacation credit, a maximum of sixteen (16) hours of unused compensated personal time off shall be carried over into the 100% sick leave bank. Employees shall be eligible to use vacation time one year after they have been

designated as half-time. Any unused compensated personal time off in excess of sixteen (16) hours shall be deemed waived and lost.

- (9) Half-time employees who immediately prior to such appointment were intermittent status, and who completed six consecutive months of City service and were compensated for less than 2,000 hours during the preceding two years, shall be allowed to carry over into the 100% sick leave bank up to a maximum of sixteen (16) hours of unused compensated personal time. Any unused personal time in excess of sixteen (16) hours shall be deemed waived and lost. Such employees shall immediately begin accruing vacation and sick leave, and become eligible to use sick leave and holiday benefits at the appropriate prorated rate. Employees shall not be eligible to use vacation benefits until one year from their anniversary date. Their anniversary date shall be based upon the date they were designated as half-time employees. No such benefits shall be provided retroactively. This paragraph shall not preclude an appointing authority from changing an intermittent employee's status to half-time anytime following appointment.

E. The part-time benefits provided herein shall apply prospectively from the effective date of the MOU. However, part-time employees who were receiving benefits at the level provided herein prior to said effective date shall continue to receive such benefits as long as they retain their qualifying status without a break in service.

F. It is understood that Management has the right to determine the work schedules and hours of all intermittent and half-time employees. However, when an employee has been working a consistent half-time schedule, departments will provide reasonable opportunities for the employee to make up unpaid absences due to authorized leave or holidays in order to maintain half-time status. Such accommodation shall be subject to budgetary and workload considerations.

G. Part-time Hours Report

During the term of this MOU, the Department of Recreation and Parks shall provide bi-annual reports to the Union listing hours worked by part-time employees. Other departments which employ part-time workers shall provide such reports at least annually.

H. Rosters

Part-time employees will be placed on a roster in the following order:

- (1) Part-time employees who have worked 600 hours or more in any one of the last three (3) service years; this roster will be ranked in order of the total number of hours worked in the last two (2) service years.

(2) Part-time employees who have worked 599 or less hours in any of the last three (3) service years will be ranked in the order of the total number of hours worked in the last two (2) service years.

(3) Seasonal employees

Rosters will be purged regularly of employees who have not been compensated in 365 days.

I. The City and the Union agree to the following principles in the employment of part-time workers:

(1) Whenever possible, departments will develop and assign intermittent employees schedules in a manner that facilitates the creation of half-time positions.

(2) Departments will make every attempt to schedule employees in a manner that provides continued part-time employment for existing part-time employees prior to hiring new part-time workers.

(3) In the development of half-time positions, it is agreed that no employee will be laid off or have his/her schedule reduced so that half-time positions may be created.

(4) Wherever possible, additions in part-time hours will be used to facilitate the creation of exempt half-time positions.

SECTION II DISCIPLINE APPEAL PROCEDURE

Effective December 13, 2015, the following appeal procedure for intermittent part-time and Civil Service-exempt half-time employees shall be as follows:

A. An intermittent part-time or Civil Service-exempt half-time employee who has worked a total of at least 2,000 cumulative hours from his/her initial hire date who is subject to discipline shall be provided with the following:

(1) A written description of the action(s) to be taken and the expected effective date(s).

(2) A written statement of the specific grounds upon which the disciplinary action is based.

(3) A copy of the materials upon which the action is based.

- (4) A written statement informing the employee of his/her right to appeal the disciplinary decision within five business days to an advisory Hearing Officer.
- (5) The City and the Union will jointly develop a list of hourly Hearing Officers knowledgeable in employee relations. Discipline cases for intermittent part-time and Civil Service exempt half-time employees who have worked a total of at least 2,000 cumulative hours from his/her initial hire date will be heard by a Hearing Officer from this list.
- (6) The hearings shall take no more than four (4) hours, which the Hearing Officer will divide as equally as possible between the Parties. The hearing shall be scheduled within five (5) business days of the notice of appeal filed by the employee, unless another date is mutually agreed upon by the Department and the employee. The cost of the Hearing Officer shall be shared equally by the Union and the City.
- (7) The Hearing Officer shall determine if the discipline or level of discipline is based on a reasonable good faith conclusion that the employee engaged in misconduct.
- (8) The Hearing Officer shall issue a written decision the same day, which shall be advisory to the Department head, whose decision shall be final.

ARTICLE 4.7 PROCUREMENT OF MATERIALS

- A. At no time shall any Unit employee be required to use his/her own money to purchase parts or materials used to repair or maintain City vehicles or equipment, or for any other City-related purpose regardless of whether such money is intended to be reimbursed. Examples include, but are not limited to: (1) parts or materials used in vehicle repairs (not including tools); (2) field or office supplies; and, (3) consumables.
- B. Parking fees and road tolls shall be paid by the employee and reimbursed by the employing department.

ARTICLE 5.0 COMPENSATION

ARTICLE 5.1 OVERTIME

A. DISTRIBUTION OF OVERTIME

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification, in the same organizational unit and work location. However, Management may consider special skills required to perform particular work.

Nothing herein is intended to abridge or limit the right of Management to determine the means and methods for the delivery of public services, including but not limited to decisions regarding staffing requirements and the use of overtime.

B. NON-EMERGENCY OVERTIME

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, employees required to work will be given at least forty-eight (48) hours' notice.

C. WORK SCHEDULES

Pursuant to the Fair Labor Standards Act ("FLSA"), employees shall have a fixed workweek that consists of a regular recurring period of one hundred and sixty-eight (168) consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the FLSA. Management may assign employees to work a five/fourty, four/ten, nine/eighty, or other work schedule. Management shall have the right to refuse an employee's request to work a four/ten, nine/eighty, or other modified work schedule, and to require the reversion to a five/fourty work schedule, providing that the exercise of such right is not arbitrary, capricious or discriminatory. The parties further agree that Management may require employees to change their work schedules (change days off, except the split day, or working hours) within the same FLSA workweek.

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as the nine-eighty ("9/80") day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of management or the employee are prohibited unless it is intended for the employee to work additional hours (overtime).

D. ASSIGNMENT OF OVERTIME

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification, in the same organizational unit and work location. However, Management may consider special skills required to perform particular work. The parties understand that no employee shall work overtime without prior approval from his or her supervisor and that unofficial overtime, "white time," is absolutely prohibited. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor consistent with department policy. Failure to secure prior approval may result in discipline.

E. RATE AND METHOD OF OVERTIME COMPENSATION - (FLSA) NON-EXEMPT EMPLOYEES

Compensation for overtime shall be for all hours worked in excess of forty (40) hours in a workweek including all absences with pay authorized by law. Overtime compensation for all employees in this Unit shall be in time off at the rate of one and one-half hours for each hour of overtime worked or in cash at one and one-half times the employee's regular rate of pay, at the discretion of management.

F. COMPENSATED TIME OFF

Employees shall be permitted to accumulate up to eighty (80) hours of compensated time and take such accumulated time off for overtime worked upon request unless granting of such time would "unduly disrupt" the operations of the City department. This standard does not apply to non-FLSA overtime (i.e. overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime). On occasion, employees may accumulate hours in excess of eighty (80) hours for a temporary period of time. If an employee does not schedule and take time off over eighty (80) hours for overtime prior to the end of the fiscal year in which the overtime was worked, management may require employees to use accumulated overtime that exceeds eighty (80) hours prior to the end of the fiscal year; require employees to use such time in lieu of vacation or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the hours in excess of eighty (80), Management may extend the time limit for a period not to exceed one year. In accordance with FLSA, no employee shall lose accumulated time off.

Under no circumstances shall compensated time off in excess of two hundred and forty (240) hours be accumulated.

G. 1040/2080 PLAN

Management reserves the right to develop 26 Week/1040 or 52 Week/2080 hours work periods under FLSA Section 7(b) [29 U.S.C. Section 207(b)(1) and (2)] during the term of this MOU for the purpose of increasing scheduling flexibility. Implementation of this work schedule is subject to agreement by the parties and certification of the Union as bona fide by the ERB.

ARTICLE 5.2 OVERTIME MEAL ALLOWANCE

Whenever an employee is held over from a scheduled work shift and is required to work more than four (4) hours on an unscheduled overtime work shift the employee shall be paid an overtime meal allowance of ten dollars (\$10.00). (Non-pensionable)

ARTICLE 5.3 CALL BACK PAY

- A. Whenever Management orders an employee to return to duty following the termination of his/her work shift and departure from his/her work location, the employee shall receive a minimum payment equivalent to four hours of work at the rate of time and one-half (1.5) the employee's regular rate of pay. (Non-pensionable)
- B. Compensated time shall begin at the time the employee is called out and end upon completion of the job. This compensated time includes a maximum of one (1) hour travel time to the job location.

ARTICLE 5.4 ACTING PAY

Effective July 1, 2015, time served in the following higher level assignments shall be credited as qualifying experience for promotional purposes.

A. Absence at Higher Level Position

Whenever Management assigns an employee to perform the duties of a higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*) due to the temporary absence of the higher level incumbent, such employee shall become eligible for additional compensation upon completion of a qualifying period of ten (10) consecutive working days in such assignment at his/her regular rate of compensation. Management shall not divide or alternate the assignment of higher level duties during the qualifying period. Such additional compensation shall begin on the 11th consecutive working day in such assignment. For employees assigned to a modified work schedule, such as 9/80 or 4/10, compensation shall begin on the next day following the completion of 80 consecutive hours of assignment.

Approved leave time off taken during a qualifying period shall extend the 10-day (or 80 hour) qualifying period by the length of absence. All other absences shall constitute a disqualifying break in the qualifying period requirement, necessitating the initiation and completion of a new qualifying period.

Each subsequent acting assignment following the employee's return to his/her regular assignment shall not require completion of a new qualifying period.

B. Vacant Higher Level Position

Whenever Management assigns an employee on a temporary basis to perform the duties of a vacant higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the

higher level class*), such employee shall become eligible for additional compensation on the first day of said assignment.

C. Status Review

Acting pay is not intended as compensation for a long-term out-of-class assignment and, effective December 13, 2015, shall not extend past one (1) year. When an employee has filled an acting assignment for a period of three (3) months, Management will review the status of the vacancy to determine when the vacancy can be filled through appropriate measures. Upon request, Management will review the acting assignment with the employee. At that time, the employee may request to be removed from the acting assignment.

At the Union's request, Management will provide a list of employees in acting positions on a yearly basis. The list will include: name of employee; date of appointment to acting position; department; assigned class; acting class.

D. Compensation

An employee qualifying for additional compensation as stated above shall receive salary at the second premium level above the appropriate step rate of the salary range prescribed for his/her class, for each day on duty (present for 50% or more of the work day) in an acting assignment. However, the maximum pay rate for such duty shall be limited to the top step of the salary range that has been established as compensation for the higher level position to which the employee has been assigned. (Non-pensionable)

*Management will assign higher level duties to an employee who meets the criteria, to the extent practicable.

ARTICLE 5.5 OUT-OF-CLASS ASSIGNMENT

It is the intent of Management to avoid out-of-class assignments. However, nothing herein shall limit Management's authority to temporarily assign employees to duties and responsibilities not specifically included in the employee's class specifications whenever emergencies or operational necessities require. If said assignment exceeds thirty (30) working days, Management will initiate the necessary action to fill the position at the proper level or otherwise prevent the occurrence of an out-of-class assignment.

ARTICLE 5.6 TRAVEL ALLOWANCE

A. Notwithstanding LAAC Section 4.222, whenever an employee is required to travel directly between his/her home and place of temporary assignment, as provided in LAAC Section 4.221, he/she shall receive payment at the rate of four dollars (\$4.00) for each day that such travel occurs. All other provisions of LAAC

Sections 4.220 - 4.226 that relate to payment for travel of certain employees from their homes to temporary job locations remain unchanged. (Non-pensionable)

- B. Notwithstanding LAAC Section 4.222.1, whenever an employee is required to travel from one job site to another within a work day, he/she shall receive payment at the rate of four dollars (\$4.00) for each day that such travel occurs. (Non-pensionable)
- C. Where an employee qualifies under both sections A and B above, such employee shall be entitled to receive six dollars (\$6.00) per day. (Non-pensionable)

ARTICLE 5.7 EARLY REPORT PAY

- A. A regularly assigned FLSA non-exempt (non-salaried) employee who is required to report earlier than his/her regularly-scheduled starting time for the convenience of his/her department, office or bureau, shall receive time and one-half (1.5) his/her regular hourly rate of pay for each hour of work performed prior to his/her regularly scheduled starting time. Such compensation may be made in either cash or compensatory time off at the discretion of Management. (Non-pensionable)
- B. Management maintains its authority to retain employees who are called in before the start of their regular starting time for their full, regularly scheduled shift. Hours worked prior to an employee's regularly scheduled starting time qualify the employee to receive Early Report Pay. Consistent with any department procedures that may exist, employees may or may not be retained beyond eight hours, subject to operational needs.
- C. In the event an employee receives Early Report Pay and is required to work his/her full regularly scheduled shift in addition to the Early Report Pay hours, the employee shall not receive overtime for working his/her full, regular shift. Prescheduled shift adjustments with at least forty-eight (48) hours' notice do not qualify for Early Report Pay.

ARTICLE 5.8 STANDBY PAY

Persons employed in the Unit who are subject to call during the employee's off-duty hours on a regularly scheduled work day or anytime during the employee's regularly scheduled off-duty day, shall receive, when assigned to standby, in addition to any other compensation provided for herein, the sum of two dollars (\$2.00) for each hour assigned to standby (non-pensionable). When called and required to report to work, the employee will be compensated in accordance with Article 5.3, Call Back Pay. An employee will not receive pay of \$2.00 per hour for any time the employee is receiving call back pay.

ARTICLE 5.9 BILINGUAL DIFFERENTIAL

After authorizing payment of a bilingual premium, the appointing authority shall certify to the Controller the name of an employee eligible for a bilingual premium and the Personnel Department shall certify to the Controller that the employee has qualified under its standards of fluency and proficiency for said language.
- C. Persons certified as being qualified by the Personnel Department shall receive a bilingual premium of one (1) premium level rate (2.75%) for duties requiring that they converse fluently in a language other than English, or of two (2) premium level rates (5.5%) for duties requiring that they interpret a language other than English, in addition to conversing fluently in that other language. (Pensionable when regularly assigned; non-pensionable when assigned on a daily basis.)

The step advancement date shall be extended one (1) working day for each working day absence (or one (1) hour for each hour of aggregated uncompensated absence in excess of 128 hours). Employees who are injured on duty and are compensated in accordance with State of California Labor Code, Division IV and LAAC Division 4, Article 7 shall not have their step advancement date changed due to their workers' compensation status.

D. CONSECUTIVE APPOINTMENTS WITHIN A 12 MONTH PERIOD

Notwithstanding the rate provided for in LAAC Section 4.91, effective December 13, 2015, employees who receive a promotion shall be moved to the salary step that provides a minimum of 5.5% increase over the rate received in the former position. As provided in LAAC Section 4.91, any regularly assigned bonus or premium compensation amounts shall be included in calculating the step rate for the former position and added to the new salary, if applicable, after determining the appropriate salary step rate for the new position.

During the term of this MOU, the City agrees that it will not unilaterally impose a reduction in plan design or benefits for any benefit plan applicable to employees covered by this MOU. Nothing in this MOU, however, shall prevent the parties from jointly reaching agreement on plan design or benefits applicable to employees covered by this MOU. If such holiday falls on the employee's scheduled day off, an alternative day off in-lieu shall be scheduled within the same calendar week as the holiday. The request for such time off, if timely submitted by the employee, will be promptly approved by Management subject to the operating needs of the employee's department, office or bureau. If an unforeseen operating requirement prevents the employee from taking such previously approved holidays, Management will reschedule the holidays so that they may be taken on some other reasonably satisfactory dates within the calendar year.
 - (2) Any break in service (i.e., resignation, discharge, retirement, etc.) prior to taking the holiday shall forfeit any right thereto.

- (5) Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (No. 1 above). However, FLSA compensatory time off shall not be counted against the employee's four-month (nine [9] pay periods [720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

This Article is not applicable to appearances for which the employee receives compensation in excess of his/her regular earnings.

- B. A court of competent jurisdiction is defined as a court within the county in which the employee resides or if outside the county of residence, the place of appearance must be within 150 miles of the employee's residence.

The Parties agree that the Police Department may reschedule an employee so that his/her subpoena does not conflict with his/her hours of work; arrange with the subpoenaing authority to place the employee in an "on call" status; or reschedule an employee subpoenaed to appear during off duty hours to alternate hours; and, further agree that all Departments other than the Police Department may so reschedule with the consent of the subpoenaed employee.

ARTICLE 7.3 EMPLOYMENT OPPORTUNITIES

- A. The Personnel Department will provide to the Union copies of all job bulletins. Tentative examination bulletins approved by the Personnel Department will be provided to the Union seven (7) calendar days prior to the date of the public posting of the final bulletin for the examination.

Such time off with pay shall include travel time.
- C. Management agrees that any employee covered by this MOU who may be assigned to work on a day that a written promotional examination is administered by the Personnel Department, and for which an employee has applied, shall be given priority in the scheduling of days off for that day.

A. BENEFITS

- (1) Effective July 1, 2011, for all Tier I employees regardless of their date of hire, the Tier I retirement formula and a flat-rated employee retirement contribution of seven percent (7%) was implemented and shall be continued. The employee retirement contribution rate shall return to six percent (6%) in accordance with the Early Retirement Incentive Program (ERIP) agreement dated October 26, 2009 and LAAC Section 4.1033, which provides that this seven percent (7%) employee retirement contribution will continue until June 30, 2026 or until the ERIP cost obligation is fully paid, whichever comes first.

- (2) For employees hired on or after the date of adoption of the Ordinance implementing LACERS Tier 3, the retirement formula for LACERS Tier 3 and a flat-rated employee retirement contribution of seven percent (7%) shall be continued during the term of the MOU.

B. RETIREE HEALTH BENEFITS

- (1) There is currently in effect a retiree health benefit program for retired members of LACERS under LAAC Division 4, Chapter 11. All covered employees who are members of LACERS, regardless of retirement tier, shall contribute to LACERS four percent (4%) of their pre-tax compensation earnable toward vested retiree health benefits as provided by this program. The retiree health benefit available under this program is a vested benefit for all covered employees who make this contribution, including employees enrolled in LACERS Tier 3.
- (2) With regard to LACERS Tier 1, as provided by LAAC Section 4.1111, the monthly Maximum Medical Plan Premium Subsidy, which represents the Kaiser 2-party non-Medicare Part A and Part B premium, is vested for all members who made the additional contributions authorized by LAAC Section 4.1003(c).
- (3) Additionally, with regard to Tier 1 members who made the additional contribution authorized by LAAC Section 4.1003(c), the maximum amount of the annual increase authorized in LAAC Section 4.1111(b) is a vested benefit that shall be granted by the LACERS Board.
- (4) With regard to LACERS Tier 3, the Implementing Ordinance shall provide that all Tier 3 members shall contribute to LACERS four percent (4%) of their pre-tax compensation earnable toward vested retiree health benefits, and shall amend LAAC Division 4, Chapter 11 to provide the same vested benefits to all Tier 3 members as currently are provided to Tier 1 members who make the same four percent (4%) contribution to LACERS under the retiree health benefit program.
- (5) The entitlement to retiree health benefits under this provision shall be subject to the rules under LAAC Division 4, Chapter 11 in effect as of the effective date of this provision, and the rules that shall be placed into LAAC Division 4, Chapters 10 and 11, with regard to Tier 3, by the Implementing Ordinance.
- (6) As further provided herein, the amount of employee contributions is subject to bargaining in future MOU negotiations.

- (7) The vesting schedule for the Maximum Medical Plan Premium Subsidy for employees enrolled in LACERS Tier 1 and LACERS Tier 3 shall be the same.
- (8) Employees whose Health Service Credit, as defined in LAAC Division 4, Chapter 11, is based on periods of part-time and less than full-time employment, shall receive full, rather than prorated, Health Service Credit for periods of service. The monthly retiree medical subsidy amount to which these employees are entitled shall be prorated based on the extent to which their service credit is prorated due to their less than full time status.

C. PROCEDURE FOR BENEFITS MODIFICATIONS

- (1) Proposals for major retirement benefit modifications will be negotiated in joint meetings with the certified employee organizations whose memberships will be directly affected. Agreements reached between Management and organizations whereby a majority of the members in LACERS are affected shall be recommended to the City Council by the CAO as affecting the membership of all employees in LACERS. Such modifications need not be included in the MOU in order to be considered appropriately negotiated.
- (2) Proposals for minor benefit modifications and technical changes will be considered and reported on as appropriate, but no more than once a year, in a report from the CAO to the City Council. Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.
- (3) If agreement is not reached between Management and the organizations representing a majority of the members in LACERS as to whether a particular proposal constitutes either a major or a minor modification, the proposal shall be treated as a major modification.

D. PART-TIME EMPLOYEES

- (1) Part-time employees in this Unit eligible for membership in LACERS shall be certified as LACERS members under the following conditions:
 - (a) Half-time employees, upon written request to the appointing authority, shall be certified as LACERS members upon their date of hire to a half-time position, or anytime thereafter, if elected.

- (3) For employees not eligible for LACERS membership, a flat-rated employee contribution of four and one-half percent (4.5%) into the Pension Savings Plan shall be applied for each plan year. WHEREAS, the City encourages and supports maximizing full-time hiring and scheduling.

THEREFORE, THE COALITION AND THE CITY HEREBY AGREE AS FOLLOWS:
