ARTICLE 1.0 GENERAL PROVISIONS

ARTICLE 1.1 RECOGNITION

Management hereby recognizes the Service Employees International Union Local 721 (SEIU 721), as the exclusive representative of the employees in the Supervisory Professional Engineering and Scientific Unit, for which SEIU 721 was certified as the majority representative by the Employee Relations Board (ERB) on November 23, 2009. SEIU 721 shall be the exclusive representative of employees in the Supervisory Professional Engineering and Scientific Unit, subject to the right of each employee to represent him or herself.

The term "employee," as used herein, shall refer only to employees in the classifications listed in the salary appendices, as well as such classes as may be added hereafter to the Unit by the ERB.

ARTICLE 1.2 PARTIES TO MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is entered into on December 4, 2015, between the City Administrative Officer (CAO), as the authorized management representative of the Los Angeles City Council (City Council), City departments, bureaus and divisions ("Management") and authorized representatives of SEIU 721 ("Union") as the exclusive recognized employee organization for the Supervisory Professional Engineering and Scientific Representation Unit.

ARTICLE 1.3 IMPLEMENTATION OF MOU

This MOU constitutes a joint recommendation of Management and the Union. It shall not be binding in whole or in part on the parties hereto unless and until:

- A. The Union has notified the CAO in writing that it has approved this MOU in its entirety.
- B. The heads of those departments, offices or bureaus represented herein have taken such actions as might be required to fully implement the provisions of this MOU.
- C. The City Council has approved this MOU in its entirety; amended applicable provisions of the LAAC; amended departmental personnel ordinances and applicable codes; and, appropriated the funds necessary to implement those provisions which require funding.

ARTICLE 1.4 OBLIGATION TO SUPPORT

The Union and Management agree that during the period this MOU is being considered by the Mayor, City Council, Council Committees, or the heads of those departments,

offices or bureaus who are parties hereto, neither Management, the Union, nor their authorized representatives will meet or communicate with any of the foregoing public officials to advocate any addition, deletion or other change to the terms and conditions of this MOU. However, this Article shall neither preclude Management, the Union nor any of their authorized representatives from communicating with said public officials to advocate the adoption of this MOU.

ARTICLE 1.5 TERM

The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.3, Implementation of Memorandum of Understanding, are fully met, except to the extent that the parties have agreed in Letters of Agreement to continue to meet and confer after implementation, but in no event shall said MOU become effective prior to 12:00 a.m. on July 1, 2015. This Memorandum of Understanding shall expire and otherwise be fully terminated at 11:59 p.m. on June 30, 2018. The MOU in effect on June 30, 2014 shall have remained in effect through 11:59 p.m. on June 30, 2015.

Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed, as long as the parties have met their obligations under the provisions of Article 1.6, Calendar for Successor MOU, to their mutual satisfaction and are continuing to meet and confer in good faith.

ARTICLE 1.6 CALENDAR FOR SUCCESSOR MOU

In the event the Union or Management desires a successor Memorandum of Understanding, said party shall submit a written request to begin negotiations upon the other during the period from April 1, 2018, through April 30, 2018, along with its written proposals for such successor MOU. Meet and confer sessions shall begin no later than thirty (30) calendar days following submittal of the proposals.

ARTICLE 1.7 NONDISCRIMINATION

The parties mutually reaffirm their respective policies of nondiscrimination in the treatment of any employee because of race, ethnicity, religion, creed, color, gender, sexual orientation, gender identity, genetic information, age, disability, Union activity, national origin, ancestry or under any applicable provision of Federal or State Laws.

ARTICLE 1.8 FULL UNDERSTANDING

- A. This MOU sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understandings or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

- B. Except as specifically provided for herein, the parties voluntarily and unqualifiedly waive their respective rights to meet and confer in good faith during the term of this MOU, with respect to any subject or matter covered herein, or with respect to any other matters within the scope of the meet and confer in good faith process. However, this Article shall not be deemed to preclude mutually agreed upon meet and confer in good faith sessions for the purpose of altering, waiving, modifying, or amending this MOU.

Notwithstanding the foregoing:

- C. No alteration, variation, waiver, modification or amendment of any of the articles, terms or provisions requiring approval of the City Council contained herein, shall in any manner be binding upon the Union or Management unless and until jointly recommended in writing to the City Council and approved and implemented in accordance with Article 1.3 "Implementation of MOU".
- D. The waiver of any breach, term or condition of this MOU by any party to this MOU shall not constitute a precedent in the future enforcement of all its Articles, terms and provisions.

ARTICLE 1.9 PROVISIONS OF LAW AND SEPARABILITY

This MOU is subject to all applicable Federal and State laws, the City Charter, City ordinances, and any lawful rules and regulations enacted by the Civil Service Commission, the ERB, or similar independent City commissions. If any Article, part, or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State, local law, or the City Charter, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, the parties agree to meet promptly to expeditiously renegotiate the affected Article, part or provision and the remainder of this MOU shall not be affected thereby.

ARTICLE 1.10 CITY-UNION RELATIONSHIP

- A. Continuity of Service to the Public

The City of Los Angeles is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens. The obligation to maintain these public services is imposed both upon the City and the Union during the term of this MOU and the certification of the Union as the exclusive representative of the employees in this Unit.

- B. Mutual Pledge of Accord

Inherent in the relationship between the City and its employees is the obligation of the City to deal justly and fairly with its employees and of the employees to

cooperate with their fellow employees and the City in the performance of their public service obligation.

The purpose of this MOU is to promote and ensure harmonious relations, cooperation and understanding between the City and the employees represented by the Union and to establish and maintain proper standards of wages, hours and other terms or conditions of employment.

C. No Strike — No Lockout

In consideration of the mutual desire of the parties to promote and ensure harmonious relations and in consideration of the Mutual Pledge of Accord, the City agrees that there shall be no lockout or the equivalent of members of the Union, and the Union and its members agree that there shall be no strike or other concerted action resulting in the withholding of service by the members during the term of this MOU. In the event of a work action by its members, the Union shall make concerted and reasonable efforts to ensure that its members return to work. It is mutually understood and agreed that the City has the absolute right to impose discipline and, in that regard, shall have the right to take disciplinary action, including discharge, against any employee who participates in any manner in any strike or slowdown, withholding of services, picketing in support of a strike or other concerted action while scheduled to work.

The curtailing of operations by the City in whole or part for operational or economic reasons shall not be construed as a lockout.

The provisions of this subsection shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppages by public employees.

ARTICLE 1.11 MANAGEMENT RIGHTS

As the responsibility for the management of the City and direction of its work force is vested exclusively in its City officials and department heads whose powers and duties are specified by law, it is mutually understood that except as specifically set forth herein no provisions in this MOU shall be deemed to limit or curtail the City officials and department heads in any way in the exercise of the rights, powers and authority which they had prior to the effective date of this MOU. The Union recognizes that these rights, powers, and authority include but are not limited to, the right to determine the mission of its constituent departments, offices and boards, set standards of services to be offered to the public, exercise control and discretion over the City's organization and operations, take disciplinary action for proper cause, relieve City employees from duty because of lack of work, lack of funds or other legitimate reasons, determine the methods, means and personnel by which the City's operations are to be conducted, take all necessary actions to maintain uninterrupted service to the community and carry out its mission in emergencies; provided, however, that the exercise of these rights does not preclude

employees and their representatives from consulting or raising grievances about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

ARTICLE 1.12 AMENDMENT OF MOU TO INCLUDE NEW CLASSES

Upon written notification from the Office of the City Administrative Officer to the Controller, this MOU shall be amended to incorporate the class and salary of any class accreted to this bargaining unit after the adoption of this MOU.

ARTICLE 2.0 UNION SECURITY

ARTICLE 2.1 UNIT INFORMATION

Management will provide the Union, within thirty (30) calendar days from the effective date of this MOU and each thirty (30) calendar days thereafter, with a list of employees in alphabetical order, their employee identification numbers, addresses, class titles, class codes, membership status, and work location by department, office or bureau, as well as division if such information is readily available. All information shall be provided to the Union electronically. The means of provision and the substance of the requisite information may be changed by mutual agreement.

ARTICLE 2.2 UNION SECURITY

Management will provide each new employee covered by this MOU a new employee informational booklet provided by the Union, and a printed card, supplied by the Union to each department, office or bureau, containing the following information only:

- A. "Your classification is represented by SEIU 721."
- B. SEIU Local 721, CtW, CLC (Change to Win, Central Labor Councils), located at 1545 Wilshire Boulevard, Los Angeles, California 90017, has been certified to meet and confer in good faith with management on all matters pertaining to your wages, hours of work, employee benefits and conditions of employment, and is the exclusive recognized employee organization for all employees in the Unit.
- C. If you want additional information, you may telephone Local 721 at (213) 368-8660.
- D. **Union Security:** Any employees in this unit who have authorized Union dues deductions on the effective date of this MOU or at any time subsequent to the effective date of this MOU shall continue to have such dues deduction made by the City during the term of this MOU; provided, however, that any employee in the Unit may terminate such Union dues during the thirty day period commencing ninety days before the expiration of the MOU by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail

and should be in the form of a letter containing the following information: employee name, employee identification number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide to the City with the appropriate documentation to process these membership dues cancellations within ten (10) business days after the close of the withdrawal period.

Religious Objections

Any employee who is a member of a bona fide religion, body, or sect, who has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the organization. Such employee shall, in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3), which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement.

Such payments shall be made by payroll deduction as a condition of continued exemption from the requirements of financial support to the Union and as a condition of continued employment.

ARTICLE 2.3 AGENCY SHOP

The following provisions shall apply to employees in classifications listed in the Appendices herein.

A. DUES/FEES

1. a. Each employee in this Unit who has completed thirty (30) calendar days of City service and who is not on unpaid leave of absence, shall, as a condition of continued employment, become a member of the Union, or pay said Union a service fee in an amount not to exceed periodic dues and general assessments of the Union for the term of this MOU. However, said fee shall not be assessed in any biweekly pay period in which the affected employee does not work a minimum of twenty (20) hours. Such amounts shall be determined by the Union and implemented by Management in the first payroll period which starts 30 calendar days after written notice of the new amount is received by the Controller.
- b. Notwithstanding any provisions of Article 2.2, Union Security or LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member of and/or to obtain benefits offered by any qualified organization other than Local 721 will not be

accepted by the Controller. For the purpose of this provision, qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.

2. The CAO and the Union shall jointly notify all members of the Unit that they are required to pay dues or a service fee as a condition of continued employment and that such amounts will be automatically deducted from their paychecks. The religious exclusion will also be explained. The cost of this communication and the responsibility for its distribution shall be borne by Management.

B. EXCEPTIONS

1. Management or Confidential Employees

The provisions of this article shall not apply to management or confidential employees. Management and confidential employees shall be as defined in LAAC Section 4.801 and designated in accordance with LAAC Section 4.830d.

2. Religious Objections

Any employee who is a member of a bona fide religion, body, or sect, that has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the organization. Such employee shall, in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3), which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement.

Such payments shall be made by payroll deduction as a condition of continued exemption from the requirements of financial support to the Union and as a condition of continued employment.

C. MANAGEMENT RESPONSIBILITIES

1. The Controller shall cause the amount of the dues or service fee to be deducted from twenty-four (24) biweekly payroll checks of each employee in this Unit as specified by Union under the terms contained herein. "Dues," as distinct from "service fee," shall be the result of voluntary consent in the form of a payroll deduction card signed by the individual employee.

- a. Remittance of the aggregate amount of all dues, fees, and other proper deductions made from the salaries of employees hereunder shall be made to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said dues, fees and/or deductions were deducted.
 - b. A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.
2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this article becomes a member of this Unit, within sixty (60) calendar days of such reassignment or transfer. Such deduction shall be a condition of continued employment.
3. Management will provide the Union with the name, home address, and employee identification number of each permanent employee.
4. The Controller shall notify the organization within sixty (60) calendar days of any employee who, because of a change in employment status, is no longer a member of the Unit or subject to the provisions of this article.

D. UNION RESPONSIBILITIES

1. The Union shall keep an adequate itemized record of its financial transactions and shall make available annually to the City Clerk, and to all unit employees, within sixty (60) calendar days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to its accuracy by its president and the treasurer or corresponding principal officer, or by a certified public accountant.
2. The Union certifies to the City that it has adopted, implemented and will maintain constitutionally acceptable procedures to enable non-member agency shop service fee payers to meaningfully challenge the propriety of the uses to which service funds are put.

These procedures shall be in accordance with the decision of the United States Supreme Court in *Chicago Teachers Union, Local No. 1, AFT, AFL-CIO, et al. v. Hudson*, 475 U.S. 292 (1986).

3. The Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this article. It is also agreed that neither any employee nor the Union shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim

of error is made in writing to the Controller within thirty (30) calendar days after the date such deductions were or should have been made.

E. RESCISSION

The provisions herein may be rescinded in accordance with the procedures contained in Rule 12 of the ERB adopted January 11, 1982. In the event that this Article is overturned by the employees in the Unit, all other articles of the MOU shall remain in full force and the prior agreement, rules, regulations, and past practices relating to organizational dues deduction authorizations shall be reinstated until a successor MOU or amendment shall have been approved.

ARTICLE 2.4 WORK ACCESS

- A. A Union Staff Representative, with the prior approval of Management, shall be admitted to City facilities or work sites during working hours to assist employees in adjusting their grievances, or to investigate complaints concerning working conditions.

If access cannot be permitted at the time requested, the Union Staff Representative shall be given the date and time when such access will be permitted. If Management does not respond to the Union's request for access within three (3) business days from the time of the Union's request then access shall be deemed granted. It is mutually understood that only the minimum amount of time necessary to handle complaints or grievances will be utilized by the Union Staff Representative.

- B. A Union Staff Representative may also be admitted to City facilities or work sites, at reasonable intervals, for the purpose of communicating with Unit members who are off duty. Such communications shall be limited to an exchange of information concerning the lawful and legitimate activities of the Union and/or its membership. Authorization to make such visits shall be obtained by contacting either the person that has been designated by Management to grant access to a specific City facility or work site, or the Management Representative of the department, office or bureau affected.
- C. The Union shall provide Management with a list of its Union Staff Representatives. Management of each operative department shall provide the Union with a list of persons designated to grant access to specific City facilities or work locations.
- D. The provisions of this Article shall not be deemed to be a limitation on the authority of Management to deny access to facilities or work sites designated "security" or "confidential."

ARTICLE 2.5 USE OF CITY FACILITIES

The Union shall be permitted to use City facilities with the prior approval of Management for the purpose of holding meetings, if such facilities can be made available without disrupting the normal operations of the departments, offices, or bureaus affected. The Union will pay such usual and customary fee(s) and/or other charges as are required by the City. Such charges normally cover rentals, special set-ups cleanups, and security services.

ARTICLE 2.6 BULLETIN BOARDS

- A. Each department agrees to provide a Union bulletin board or space at each work location that is clearly visible in a prominent location, which may be used by the Union for the following purposes:
 - 1. Notices of Union meetings.
 - 2. Notices of Union elections and their results.
 - 3. Notices of Union recreational and social events.
 - 4. Reports of official Union business.
 - 5. Any other communication or written material which has received the prior approval of the Departmental or Bureau Management Representative, or his/her designee.
- B. It is agreed that copies of communications listed in “1” through “4” will be provided to the designated representative in Human Resources at the time of posting.
- C. It is further agreed that all communications to be posted, other than “1” through “4” above, shall be submitted for approval to the designated management representative in human resources three (3) business days or twenty four (24) business hours prior to posting.
- D. It is further agreed that the Union shall place a removal date on all communications to be posted.

ARTICLE 2.7 ACTIONS BY THE EMPLOYEE RELATIONS BOARD

Should any action(s) by the ERB prior to the expiration of this MOU, result in any significant changes to the composition of this Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required to ensure that the interests of the employees are protected.

ARTICLE 2.8 EMPLOYEE RELATIONS

Meetings at reasonable intervals may be scheduled at the request of a full-time Union Staff Representative or the management representative of a department, office or

bureau for the purpose of informally discussing potential employer-employee relations problems.

ARTICLE 2.9 POLITICAL ACTION COMMITTEE

The Controller shall deduct fifty cents (\$.50) per pay period from the salary to be paid to each Union member, identified on a list prepared and submitted by the Union, as a contribution to the SEIU 721 Political Action Committee ("PAC"). Union members may voluntarily contribute an amount greater than fifty cents (\$.50) per pay period to the PAC; provided the Union provides the Controller timely notice of the members' names and the additional amount they wish to contribute on a biweekly basis. Such contribution is to be deducted from twenty-four (24) biweekly payroll checks annually.

Remittance of the amount of the PAC deductions shall be sent to the Union by the Controller within thirty (30) working days after the end of the month in which such deductions are made.

A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each PAC deduction taken. The Controller will deduct the aggregate amount of such fees on a biweekly basis.

Neither an employee nor the Union shall have any claim against the City for a PAC deduction made or not made, as the case may be, unless a claim of error is presented to the Controller in writing within thirty (30) calendar days after the date such deduction was or should have been made.

The Union indemnifies the City, its officers (present and former), and its employees (present and former) for, and holds them harmless against, any liability or expense (including without limitation any judgment, reasonable attorney's fees, and costs of suit) arising out of the adoption or implementation of this Article.

ARTICLE 2.10 CONTRACTING OF UNIT WORK

The parties agree that during the term of this MOU the following terms and conditions shall apply to the contracting of unit work:

- A. No bargaining unit employee shall be laid off, demoted or suffer loss of pay or benefits as a result of the contracting of unit work.
- B. If any employee subject to the provisions herein is displaced as a result of contracting, he/she shall be retained in a position within a classification represented by the Union.
- C. Notwithstanding any provision of this MOU to the contrary and excluding the provisions of paragraph 6 below, the provisions of this article shall be subject to advisory arbitration only.

- D. In lieu of the meet-and-confer process prescribed by the Employee Relations Ordinance ("ERO"), the parties agree to meet and discuss, in accordance with the provisions outlined below, all contracts to perform unit work except for contracts required by bona fide emergencies.
- E. The parties agree that the following expedited procedure shall replace the impasse resolution provisions of the ERO for disputes arising out of the meet-and-discuss process specified above:
1. The City shall provide timely notice, through the existing "clearinghouse" procedure, of proposed contracts to perform unit work. In addition, the City shall provide the Union a list of individuals responsible for coordinating contracting information in each department.
 2. The Union may request to meet and discuss such proposed contracts within fifteen (15) calendar days following the Charter 1022 notification as indicated in "1." above. Failure by the Union to request such meeting(s) within the prescribed fifteen (15) calendar days shall constitute a waiver of the Union's right to continue this process.
 3. Meeting(s), if requested, shall begin within five (5) working days following notice to the City by the Union of its desire to discuss the proposed contract(s).
 4. If the parties cannot reach agreement through the meet-and-discuss process, the Union may request expedited advisory arbitration within five (5) working days following the last meet-and-discuss session. Failure by the Union to request arbitration within the specified five days shall constitute a waiver of the Union's right to continue in this process. The parties will attempt to establish a mutually agreeable, expedited process for selecting arbitrators. Absent any such agreement, arbitrators will be selected in accordance with Rules 11.03 and 11.04 of the ERB.
 5. The parties agree that for contracts with a value of less than \$1 million, the hearing and issuance of the advisory decision by the arbitrator shall be concluded within thirty (30) calendar days following request for arbitration; and within ninety (90) calendar days for contracts of \$1 million or more.
 6. The arbitrator's advisory decision and recommendation shall be transmitted to the appropriate determining body simultaneously with the proposed contract.
 7. The time limits in this process may be extended only by the mutual, written agreement of the parties.

8. The expedited arbitration process herein shall be informal. Court reporters shall not be used; rules of evidence shall be informal; the production of witnesses and documentary evidence shall be at the discretion of each party; the arbitrator's notes, exhibits (if any), and the written advisory decision and recommendation shall constitute the record of the proceedings; post hearing briefs shall not be required or submitted.
 9. Arbitration fees shall be shared equally by the Union and the City.
- F. Disputes over the practical consequences of the contracting of unit work, other than those occurring under paragraphs 4 and 5 above, shall be resolved in accordance with the provisions of Article. 3.1, Grievance Procedure, and shall not delay the implementation of the contract if all other provisions of this article have been met.
- The parties agree that the review of "practical consequence" grievances shall begin with the first formal level of review of the grievance procedure and that said grievances shall be subject to advisory arbitration, except as provided in the Arbitration step of the Grievance Procedure.
- G. The parties agree that the Union may file a grievance regarding the Charter 1022 notification.
1. A grievance challenging the 1022 notification shall be filed within 15 calendar days of the Union's knowledge of the alleged deficient notification.
 2. The grievance will be submitted to an expedited informal arbitration process. The arbitration shall be conducted within 30 days of the filing of the Union's grievance. The arbitration fees shall be shared equally between the Union and the City.
 3. The arbitrator shall determine if the City has violated the 1022 notification procedures. The arbitrator's remedy shall be limited to ordering the City to reissue the 1022 notification. In no event will the arbitrator have the authority to void a Council-approved contract. The arbitrator's decision is binding on the parties.

ARTICLE 3.0 GRIEVANCE

ARTICLE 3.1 GRIEVANCE PROCEDURE

STATEMENT OF INTENT

Management and the Union have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

DEFINITION

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. The parties agree that the following shall not be subject to the grievance procedure:

- A. An impasse in meeting and conferring upon the terms of a proposed MOU.
- B. Any matter for which an administrative remedy is provided before the Civil Service Commission.
- C. Any issue that the parties agree to refer to another administrative resolution process.
- D. Assignment and scheduling of hours and personnel for intermittent and half-time employees, unless said assignment or scheduling is in violation of the departmental working rules or this MOU.
- E. **Employee Comment Sheet (Comment Card) – LAPD**

Employee Comment Sheets (Comment Cards) are used to document positive and negative conduct or incidences. Employee Comment Sheets (Comment Cards) are not considered disciplinary in nature and shall not be placed in the employee's official personnel file. It is mutually agreed that in the Los Angeles Police Department an "Employee Comment Sheet" (Comment Card) is not grievable or arbitrable. An employee may use an Employee's Report, Form 15.7, to make a written response to the Employee Comment Sheet (Comment Card) within thirty (30) days after it is served.

GENERAL PROVISIONS

A. BINDING ELECTION OF PROCEDURE

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the ERB, the employee must elect to pursue the matter under either the grievance procedure herein provided, or by action before the ERB. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

B. GRIEVANCE PROCESS RIGHTS

No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.

C. TIME, TIME LIMITS AND WAIVERS

"Business days" shall be defined as Monday through Friday, exclusive of City Holidays, as defined in Article 6.4, Holidays and Holiday Pay Article.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

D. MEDIATION

1. At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department's personnel officer. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the ERB appoint a mediator. The ERB shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, Union and Management may jointly agree to a mediator selected by the Executive Director of the ERB. The fees of such mediator shall be shared equally by Union and Management.
2. The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.

3. If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.
4. Notwithstanding the above and ERO Section 4.865, the parties may mutually agree to accept the opinion of the mediator as binding.
5. If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

E. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

1. Suspensions without pay
2. Allegations of failure to accommodate medical restrictions
3. Allegations of retaliation
4. Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the Union and Management.

GRIEVANCE PROCESS

STEP 1 - ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

- A. The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.
- B. The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the Union of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

STEP 2 – GRIEVANCE INITIATION (FORMAL)

- A. If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.
- B. The manager, or appropriate designee, shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of Management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

STEP 3 – GRIEVANCE APPEAL

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

Los Angeles Police Department only:

If the grievance is not resolved at Step 2, or the Chief of Police, or designee, fails to respond within the time limit, the grievant may process the grievance to the next level. The employee may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 3, or (b) the last day of the response period provided for in Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the employee.

STEP 4 - ARBITRATION

- A. If the written response at Step 3, or mediation, does not settle the grievance, or management fails to provide a written response within thirty (30) business days of the Step 3 meeting, the Union may elect to serve a written request for

arbitration with the ERB. A copy of this notice shall be served upon the department's personnel officer. The request for arbitration must be filed with the ERB within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3. Failure of the Union to serve a written request for arbitration with the ERB within said period shall constitute a waiver of the grievance.

- B. If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the ERB, within ten (10) business days following receipt of said list. Failure of the Union to notify the ERB of the selected arbitrator within sixty (60) business days of receipt of said list shall constitute a waiver of the grievance.
- C. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the ERB, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.
- D. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
- E. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES

The Union may elect to file a grievance on behalf of two or more employees. The facts and issues of the grievance must be the same.

PROCEDURE:

STEP 1 – GROUP GRIEVANCE INITIATION (FORMAL)

- A. The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees

participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form prior to the meeting with the General Manager.

- B. The General Manager, or designee, shall provide written notification to the Employee Relations Division of the CAO of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the Union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

Los Angeles Police Department only:

If the grievance is not resolved at Step 1, or the Chief of Police, or designee, fails to respond within the time limit, the Union may process the grievance to the next level. The Union may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 1, or (b) the last day of the response period provided for in Step 1. Failure of the Union to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the Union.

STEP 2 – GROUP GRIEVANCE APPEAL

If the grievance is not settled at Step 1, or in the Police Department if the grievance is not resolved by the Commission, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

ARTICLE 3.2 UNION STEWARDS

- A. The Union may designate a reasonable number of Union Stewards who must be members of the Union, and shall provide all departments, offices, or bureaus with a written list of employees who have been so designated and revised lists within thirty (30) calendar days of any changes in said designations. A steward may represent a said grievant in the presentation of a grievance at all levels of the grievance procedure. A steward may represent an employee in pre-disciplinary hearings (Skelly) or pre-disciplinary interviews where there is a reasonable expectation that disciplinary action will follow.

An employee and his/her steward may have a reasonable amount of paid time off for the above-listed activities. However, a steward will receive paid time off only if

he/she is the representative of record; is a member of the same Union as the employee; is employed by the same department, office or bureau; and, is employed within a reasonable distance from the work location of the employee.

If a steward must leave his/her work location to represent an employee, he/she shall first obtain permission from his/her supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the grievance steward will be informed when time can be made available. Such time will not be more than forty-eight (48) hours after the time of the steward's request, excluding scheduled days off and/or legal holidays, unless otherwise mutually agreed to. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.

Before leaving his/her work location, the steward shall call the requesting employee's supervisor to determine when the employee can be made available. Upon arrival, the steward will report to the employee's supervisor who will make arrangements for the requested meeting.

Time spent on grievances, or the pre-disciplinary representation activities described above, outside of regular working hours of the employee or his/her steward shall not be counted as work time for any purpose. Whenever these activities occur during the working hours of the employee and/or the steward, only that amount of time necessary to bring about a prompt disposition of the matter will be allowed. City time, as herein provided, is limited to the actual representation of employees and does not include time for investigation, preparation or any other preliminary activity.

- B. In order to facilitate the expeditious resolution of workplace disputes at the lowest possible level, the parties agree to establish a joint Labor-Management training program for Stewards and Front-Line supervisors.

No later than March 10, 2016, or another date mutually agreed upon by the parties, the Union and City representatives will have established a curriculum and training program that will provide skills for both stewards and front-line supervisors in the processing and resolution of grievances and other workplace issues in a cooperative, problem-solving manner. Upon completion of the program, both Union Stewards and Front-Line Supervisors will be certified. Stewards certified through this training shall be authorized to spend up to two (2) hours of City time to investigate each dispute raised under the Grievance Procedure of this MOU.

As is practicable, grievances will be heard by Certified Supervisors.

ARTICLE 4.0 ON THE JOB

ARTICLE 4.1 HEALTH AND SAFETY

- A. Safety clothing and devices currently provided by Management shall continue to be provided, as long as the need exists; the Union will encourage all members of the Unit to utilize said safety clothing and devices to the fullest extent possible.
- B. Management shall provide safe working conditions. The Union will encourage all members in the Unit to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Said Supervisor should:
 - 1. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor; or
 - 2. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and location of the hazardous condition to the next level of supervision designated by departmental management for said purpose, if elimination of the hazardous condition is not within the immediate supervisor's capability.
 - 3. If elimination of the hazardous condition is not within the capability of the second level of supervision to correct, he/she shall promptly report the problem to the next designated level of supervision or inform the Departmental Safety Coordinator about the problem.
- C. If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to affect a satisfactory solution of the problem within a reasonable time, the employee or his/her representative may call the City Occupational Safety Division and report such hazard. Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the Cal-OSHA rules and regulations with a copy to the City Occupational Safety Division.
- D. If an employee is required to perform his/her duties at a treatment plant, construction site, landfill, crime scene or any designated hard hat area, safety clothing and protective devices shall be provided by Management when Management or local, State or Federal safety laws or regulations require that such clothing or devices be worn. Employees who are provided such safety clothing and protective devices shall wear such clothing and devices at all times in the designated area where it is required by Management and/or by local, State, or Federal safety laws or regulations. Such safety clothing and protective devices may include, but not be limited to, hard hats, gloves, goggles, shoes, fire and chemical retardant jackets or smocks, and high visibility vests, depending on

the duties to be performed. An employee shall be entitled to review the contents of any of his/her departmental personnel folder(s) at reasonable intervals, upon request, during normal business hours of the department, office or bureau.

No evaluatory or disciplinary document may be placed in an employee's personnel file without his/her review and a copy of the document presented to him/her for his/her records. The employee shall acknowledge that he/she has reviewed and received a copy of the document by signing it with the understanding that such signature does not necessarily indicate agreement with its contents.

A written reprimand or "Notice to Correct Deficiencies" will be sealed upon the written request of an affected employee if the affected employee has not been involved in any subsequent related incidents that resulted in written corrective counseling or other Management action for a period of four (4) years from the date the most recent notice was issued or Management action taken. Upon an employee's in-person review of personnel folder, management shall provide written confirmation of removal of notice.

Pursuant to the above paragraph, those documents which have been either removed from the personnel file or sealed shall be only made available upon subpoena or other appropriate legal request.

ARTICLE 4.3 REST PERIODS

- A. Each employee shall be granted a minimum fifteen (15) minute rest period in each four (4) hour period; provided, however, that no such rest period shall be taken during the first or last hour of an employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor.
- B. Management reserves the right to suspend any rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.

ARTICLE 4.4 PERFORMANCE EVALUATIONS

- A. The supervisor who signs an employee's performance evaluation shall have been in a position to review the employee's work for a reasonable period of time during the evaluation period and during the same time frame having been directly

involved with the employee in the daily work assignments that the employee is to be evaluated on. If the employee has worked under more than one supervisor for a significant period of time during an evaluation period, the rating shall reflect the opinion of each such supervisor.

- B. A performance evaluation shall not include a substandard rating, i.e., "Improvement needed" or "Unsatisfactory," that had not been previously communicated to the employee and documented during the rating period in question, including specific and job-related underlying reasons for the alleged performance deficiency and recommended action to make the needed improvement.
- C. An annual performance evaluation that has been appealed or grieved shall be retained in Department files for up to a maximum of three hundred and sixty (360) calendar days or until the appeal or grievance is resolved. At that time, the original signed/acknowledged document will be placed in the employee's Personnel File unless an amended document is agreed upon by both the employee and the Department. In such instance, the amended document will be placed in the employee's Personnel File and the original signed/acknowledged document shall be destroyed.

ARTICLE 4.5 CREDIT FOR TRAINING

- A. Whenever Management approves, an employee may be permitted to assume tasks which are outside the scope of the normal duties of his/her position, for the purpose of gaining experience in the performance of duties in higher level positions or learning to operate such City equipment as is used by his/her department in order to gain work experience on such job or equipment. A qualified person shall be designated and shall be available to instruct and supervise the employee in the performance of such tasks or in the safe and proper operation of said equipment. Any dispute concerning the person's qualifications to instruct and supervise shall be decided by the employee's Departmental Management Representative.
- B. If the employee requests:
 - 1. The employee and his/her supervisor will jointly log the successful performance of such tasks on a form provided by Management. The form will be kept updated; and,
 - 2. The employee's department will provide confirmation of such performance on a form titled "Verification of Work Experience" (Personnel Department form PD 21R #11-74), so that it may be utilized by the employee whenever such verification is required to establish eligibility to take an examination.

ARTICLE 4.6 WORK SCHEDULES

A. Work Schedules

Pursuant to the Fair Labor Standards Act (FLSA), employees shall have a fixed workweek that consists of a regular recurring period of 168 consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. For employees working a rotating shift schedule or employees covering a seven (7) day operation, the workweek shall average forty (40) hours and at least two (2) consecutive rest days per week, exclusive of holidays, except in weeks where a shift change occurs. The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the FLSA.

Eight (8) consecutive hours of work shall constitute a day's work for shift employees.

Employees shall have a minimum of twelve (12) hours off before the start of the next work shift. Any time worked during said minimum twelve (12) hours off is considered overtime and shall be compensated at the overtime rate for the class as established by this MOU. There shall be no pyramiding of overtime (i.e., compensation shall not be paid more than once for hours worked).

Overtime shall be computed in accordance with FLSA and this MOU (See Overtime provision) for all bargaining unit employees.

B. Alternative Work Schedules

Management may assign or employees may request to work a four/ten, five/forty, nine/eighty or other work schedule, including but not limited to non-consecutive days off, provided that such assignment is not arbitrary, capricious or discriminatory.

Management may require employees to change their work schedules (working hours or change days off, except the split day) within the same FLSA work week, providing that the change is not arbitrary, capricious or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management. No employee shall be required to work a four/ten schedule against his or her will.

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as 9/80 day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of Management or the employee are prohibited unless it is intended for the employee to work additional hours (overtime).

Employees on a four/ten work schedule shall work ten hours per day for a four-day work week (or twelve hours per day for a three-day work week in the Information Technology Agency only) exclusive of lunch periods. Employees shall be entitled to rest periods in accordance with the provisions of Article 4.3, Rest Periods. Employees shall be compensated for forty (40) hours per week at the regular hourly rate for their class and pay grade.

Employees who work on a four/ten, nine/eighty or three/twelve work schedule may be required to work overtime on Saturday rather than on their day off which falls within the week. Employees who work on a schedule other than five/forty shall have their sick leave, vacation and holiday credits accrued at the same hourly rate as an employee on the five/forty schedule.

The City reserves the right to develop 26-week/1040 hours or 52-week/2080 hours work periods under FLSA Section 7(b) [29 USC §207(b) (1) and (2)] during the term of this MOU for the purpose of increasing scheduling flexibility. Implementation of this work schedule is subject to agreement by the parties and certification of the Union as bona fide by the ERB.

ARTICLE 4.7 DEPLOYMENT PERIOD (POLICE DEPARTMENT)

Notwithstanding the provisions of Sections 4.108 (Regular Hours of Work) and 4.113 (Overtime) of the Los Angeles Administrative Code to the contrary, employees in this Unit who are employed in the Police Department shall have a work schedule consisting of twenty (20) days of work in each twenty-eight (28) day deployment period. Such day may be eight (8) hours, seven and one-half (7.5) hours, or seven (7) hours as determined by the Chief of Police.

Said twenty (20) days of work or the equivalent number of days for an alternate work schedule may be scheduled at such time during two (2) biweekly pay periods as the Chief of Police may direct.

This Article shall not be construed to prohibit the implementation of flexible work schedules.

ARTICLE 4.8 72-HOUR WORK SCHEDULE

Notwithstanding Section 4.108(a) of the Los Angeles Administrative Code, whenever a full-time employee voluntarily reduces the number of his or her biweekly regular work hours from 80 to a number not less than 72 at the request and or with the permission of his or her department, office or bureau such employee shall be credited with the same rights and benefits as though he or she worked 80 hours in the payroll period. The employee shall not be credited for overtime worked until more than forty (40) hours have been worked in the workweek. Compensation received under the circumstances

herein provided shall be considered full compensation for all employees participating in such voluntary work hour reduction.

ARTICLE 4.9 TELECOMMUTING

The Union and Management acknowledge the City of Los Angeles Telecommuting Program (C.F. #93-2250), and that employees of this Unit may be considered for eligibility by management of their respective departments/bureaus in accordance with the Telecommuting Action Plan (TAP), found on the internet here: http://clkrep.lacity.org/onlinedocs/1993/93-2250_MISC_02-17-1994.pdf.

Both parties agree to comply with this Plan, the provisions of which shall be superseded by any modifications adopted by the Joint Labor/Management Committee on Employee Parking and Transportation Options or other body so authorized to make such modifications.

For more information about telecommuting or to obtain a City of Los Angeles Telecommuting Application, employees may call the Commute Options & Parking Section (COPS) at (213) 978-1593 or view the 'Work Schedules' link from the COPS webpage at: <http://per.lacity.org/bens/commuteoptions.htm>.

ARTICLE 4.10 SCHEDULE CHANGES FOR PERSONAL BUSINESS

Management may allow any employee to modify his/her work schedule in any one workweek, for personal business, except for changes on the 9/80 day off or the split day. Subject to the approval of Management, such time off shall either be made up in full in the same workweek, or charged against the employee's accrued and unused vacation credits on an hourly basis.

This Article shall not apply to salaried employees, as defined in Article 5.1, Overtime.

ARTICLE 4.11 PROCUREMENT OF MATERIALS

At no time shall any Unit employee be required to use their own money to purchase parts or materials used to repair or maintain City vehicles or equipment, or for any other City-related purpose regardless of whether such money is intended to be reimbursed. Examples include but are not limited to (1) parts or materials used in vehicle repairs (not including tools), (2) field or office supplies, and (3) consumables.

Parking fees and road tolls shall be paid by the employee and reimbursed by the employing department.

ARTICLE 5.0 COMPENSATION

ARTICLE 5.1 OVERTIME

A. Distribution of Overtime

Management will assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. However, Management may consider special skills required to perform particular work. No employee shall work overtime without prior approval from his or her supervisor. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor, consistent with department policy. Failure to secure prior approval may result in discipline. Working and not recording the time is similarly prohibited.

B. Non-emergency Overtime

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, FLSA Non-Exempt employees required to work will be given at least a forty-eight (48) hour notice.

C. Rate and Methods of Compensation – FLSA Non-Exempt Employees

1. Compensation for overtime shall be for all hours worked in excess of forty (40) hours in a workweek, including all absences with pay authorized by law. Compensation for employees in this unit, who are employed in a class or pay grade, if the class has multiple pay grades, with a top step biweekly rate, without bonuses (with the exception of the Project Manager bonus) at or below the top step regular biweekly rate for the class of Shift Superintendent Wastewater Treatment I shall, be in time off at the rate of one-and one-half (1.5) hours for each hour of overtime worked; or in at one-and-one-half (1.5) times the employee's regular rate of pay. The method of overtime compensation shall be at the discretion of management.

2. Compensated Time Off

Employees may, subject to Management discretion, be permitted to accumulate up to eighty (80) hours of compensated time off (CTO). Occasionally, employees may accumulate CTO in excess of eighty (80) hours for a temporary period of time, not to exceed an additional fiscal year. If an employee does not schedule and take CTO over eighty (80) hours prior to the end of the fiscal year, Management may require the employee to use CTO prior to the end of the fiscal year; require employees to use such time in lieu of vacation (unless the mandatory use of CTO would result in the loss of vacation accumulation) or other leave

time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the CTO hours in excess of eighty (80), Management may extend the time limit for use or payment of the excess hours for a period not to exceed one additional fiscal year.

In accordance with FLSA, no employee shall lose CTO. An employee who has requested the use of CTO for overtime worked must be permitted by Management to use such time within a reasonable time period after making the request unless the use of the CTO within a reasonable period would unduly disrupt the operations of the City department. This standard does not apply to non-FLSA overtime (i.e., overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime.)

Under no circumstances shall compensated time off in excess of two-hundred forty (240) hours be accumulated.

D. Salaried Employees

1. Employees in this unit who qualify for exemption from the FLSA overtime provisions based upon duties and who are assigned to a class or pay grade, if the class has multiple pay grades, with a top step regular biweekly rate, without bonuses, above the top step regular biweekly rate for the class of Shift Superintendent Wastewater Treatment I shall be treated as salaried employees, in accordance with the provisions of the FLSA as identified in Los Angeles Administrative Code section 4.113(b).

Salaried employees may be assigned 5/40, 4/10, 9/80 or other schedules at the discretion of Management. Notwithstanding any LAAC and MOU provisions, or other City department rules and regulations to the contrary, these employees shall not be required to record specific hours of work for compensation purposes, although hours may be recorded for other purposes. These employees will be paid the predetermined salary for each biweekly pay period, as indicated in the appropriate salary appendices, and shall not receive overtime compensation. Salaried employees shall not be subject to deductions from salary or any leave banks for absence from work for less than a full workday. This provision applies to occasional partial day absences from work which is authorized by the appropriate supervisor designated by management. This provision does not apply to long-term or recurring partial day absences (e.g., intermittent leave/reduced work schedule for purposes of Family/Medical Leave).

Salaried employees shall not be subject to disciplinary suspension for a period of less than a workweek (seven days; half of the biweekly pay) unless based on violations of a safety rule of major significance. This

requirement shall be superseded by the revised Department of Labor FLSA regulations pertaining to disciplinary suspensions of FLSA-exempt employees on the operative date of the FLSA regulations.

The appointing authority of each City department may grant time off for hours worked due to unusual situations.

2. In lieu of time off, the appointing authority may, with the approval of the Mayor, grant additional compensation when an employee is assigned by Management to work additional hours outside of an employee's regular work schedule, in increments of a full day (8 hours), in unusual situations (e.g., earthquake, flood, sewage spills, emergency construction response, etc.). Compensation for each additional day shall be an amount equivalent to 4.6 percent of the monthly rate of the employee's appropriate step rate, as indicated in the appropriate salary appendix.

ARTICLE 5.2 OVERTIME MEAL ALLOWANCE

Whenever an employee is held over from a scheduled work shift and is required to work more than four (4) hours on an unscheduled overtime work shift, the employee shall be paid an overtime meal allowance of \$10.00.

ARTICLE 5.3 CALL BACK AND OFF SITE/REMOTE ACCESS COMPENSATION

A. Call Back

Whenever an employee is ordered by the administrative head of his/her department, office or bureau, or his/her designee to return to duty following the termination of his/her work shift and departure from his/her work location, the employee shall receive a minimum payment equivalent to four (4) hours of work at the employee's regular rate of pay (overtime rate will be paid in accordance to Article 5.1, Overtime. Call Back time contiguous to and continuing into a normal work shift will not be treated as Call Back for purposes of this Article, but will instead be compensated as hour-for-hour overtime. The time of Call Back pay starts at the time that the employee is notified or when it is determined that returning to the work location is required.

B. Remote Access

Whenever an employee is required to perform job-related tasks either remotely or off-site or to troubleshoot, the employee shall receive compensation of no less than one (1) hour at the appropriate hourly rate. If the remote task(s) exceed one (1) hour in duration, the employee shall be compensated for each such hour at the appropriate hourly rate. If the employee is scheduled to be On Call/Standby

then such compensation will be in addition to the compensation outlined in the On Call/Standby Compensation Article.

ARTICLE 5.4 ACTING PAY ASSIGNMENT

Effective July 1, 2015, time served in the following higher level assignments shall be credited as qualifying experience for promotional purposes.

A. Absence at Higher Level Position

Whenever Management assigns an employee to perform the duties of a higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*) due to the temporary absence of the higher level incumbent, such employee shall become eligible for additional compensation upon completion of a qualifying period of ten (10) consecutive working days in such assignment at his/her regular rate of compensation. Management shall not divide or alternate the assignment of higher level duties during the qualifying period. Such additional compensation shall begin on the 11th consecutive working day in such assignment. For employees assigned to a modified work schedule, such as 9/80 or 4/10, compensation shall begin on the next day following the completion of 80 consecutive hours of assignment.

Approved leave time off taken during a qualifying period shall extend the 10-day (or 80 hour) qualifying period by the length of absence. All other absences shall constitute a disqualifying break in the qualifying period requirement, necessitating the initiation and completion of a new qualifying period.

Each subsequent acting assignment following the employee's return to his/her regular assignment shall not require completion of a new qualifying period.

B. Vacant Higher Level Position

Whenever Management assigns an employee on a temporary basis to perform the duties of a vacant higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*), such employee shall become eligible for additional compensation on the first day of said assignment.

C. Status Review

Acting pay is not intended as compensation for a long-term out-of-class assignment and, effective December 13, 2015, shall not extend past one (1) year. When an employee has filled an acting assignment for a period of three (3) months, Management will review the status of the vacancy to determine when the vacancy can be filled through appropriate measures. Upon request,

Management will review the acting assignment with the employee. At that time, the employee may request to be removed from the acting assignment.

At the Union's request, Management will provide a list of employees in acting positions on a yearly basis. The list will include: name of employee; date of appointment to acting position; department; assigned class; acting class.

D. Compensation

An employee qualifying for additional compensation as stated above shall receive salary at two (2) premium levels above the appropriate step on the salary range prescribed for his/her class, for each day on duty (present for 50% or more of the work day) in an acting assignment. However, the maximum pay rate for such duty shall be limited to the top step of the salary range that has been established as compensation for the higher level position to which the employee has been assigned.

*Management will assign higher level duties to an employee who meets the criteria, to the extent practicable.

ARTICLE 5.5 OUT-OF-CLASS ASSIGNMENTS

A. Definition

It is the intent of Management to avoid working an employee on an out-of-class assignment. An out-of-class assignment is defined as any assignment requiring substantial work in a higher level position which is not usually included within the scope of the duties and responsibilities as defined by the class specifications for the class to which the assigned employee's regular position is allocated.

B. Waivers and Exceptions

1. Nothing in this Article shall be construed as limiting Management's authority to make temporary assignments of qualified personnel during emergencies or unusual operating conditions. However, such assignments shall not be extended beyond the period of emergency or unusual operating conditions.
2. Whenever an employee performs duties outside of the normal duties of his/her position for the purpose of training or providing experience, written confirmation of such performance will be placed in the employee's personnel file upon request by the employee. Management shall designate a knowledgeable person to supervise said training or experience.

C. Rate of Pay

An employee temporarily assigned higher level duties under the provisions of Section II a will continue to receive the rate of pay for his/her regular classification and pay grade, unless or until he has been appointed to a higher classification or pay grade, except as provided in Article 5.4, Acting Pay Assignment. In the event that said assignment exceeds thirty (30) consecutive calendar days, Management will initiate a request to provide the higher level position authority, or initiate action to appoint a qualified employee to said position.

ARTICLE 5.6 MILEAGE

Each employee that is authorized to use his/her own vehicle, pursuant to Division 4, Chapter 5, Article 2 of LAAC, in the performance of his/her duties shall be reimbursed for transportation expenses for all miles traveled in any biweekly period, in addition to any and all salaries and other compensation otherwise provided for by law at an amount equal to the annual standard car mileage allowance as determined by the Internal Revenue Service (IRS). The CAO shall certify to the Controller appropriate changes, if required, to become effective at the beginning of the first full pay period in which the IRS reimbursement rates change is effective.

Notwithstanding Section 4.231 of the LAAC, employees authorized to use their personal vehicles pursuant to Section 4.229 of the LAAC who are required by Management to bring the vehicle to work shall receive a minimum payment of 10 miles per day, regardless of whether the vehicle is driven for City business.

ARTICLE 5.7 EARLY REPORT PAY

A regularly assigned FLSA non-exempt (non-salaried) employee who is required to report earlier than his/her regularly-scheduled starting time for the convenience of his/her department, office or bureau, shall receive time and one-half his/her regular hourly rate of pay for each hour of work performed prior to his/her regularly scheduled starting time. Such compensation may be made in either cash or compensatory time off at the discretion of Management.

Management maintains its authority to retain employees who are called in before the start of their regular starting time for their full, regularly scheduled shift. Hours worked prior to an employee's regularly scheduled starting time qualify the employee to receive Early Report Pay. Consistent with any department procedures that may exist, employees may or may not be retained beyond eight hours, subject to operational needs.

In the event an employee receives Early Report Pay and is required to work his/her full regularly scheduled shift in addition to the Early Report Pay hours, the employee shall not receive overtime for working his/her full, regular shift. Prescheduled shift

adjustments with at least a forty-eight (48) hour notice do not qualify for Early Report Pay.

ARTICLE 5.8 ON CALL/STAND-BY COMPENSATION

Any FLSA Non-Exempt bargaining unit employee, when required by management to be on standby shall receive, in addition to any other compensation provided for herein, the following:

- A. Compensation for employees required to stand by during the off-duty hours of a regularly assigned work day shall be an amount equivalent to 0.57 percent of the monthly rate of the employee's appropriate step rate for each day so assigned.
- B. Compensation for employees required to stand by on a Saturday, a Sunday, or a holiday (as defined in Article 6.4, Holidays and Holiday Day Pay) shall be an amount equivalent to 2.3 percent of the employee's appropriate step rate for each day so assigned.

When an employee is scheduled for On Call/Standby then such compensation will be in addition to the compensation outlined in the Call Back Pay and Off Site/Remote Access Compensation Articles.

ARTICLE 5.9 BILINGUAL DIFFERENTIAL

Whenever an appointing authority determines that it is necessary or desirable that a position be filled by a person able to converse fluently in a language other than English, or write and interpret a language other than English, the appointing authority shall transmit to the Controller a written statement approving payment of a bilingual premium, as provided by this Article to the person occupying such a position and possessing such bilingual skills.

After authorizing payment of a bilingual premium, the appointing authority shall certify to the Controller the name of an employee eligible for a bilingual premium and the Personnel Department shall certify to the Controller that the employee has qualified under its standards of fluency and proficiency for said language.

Persons certified as being qualified by the Personnel Department shall receive a bilingual premium of one (1) premium level rate (2.75%) for duties requiring that they converse fluently in a language other than English, or of two (2) premium level rates (5.5%) for duties requiring that they interpret a language other than English, in addition to conversing fluently in that other language. The Bilingual Differential payment is pensionable when regularly assigned.

Compensation provided for in this Article shall be retroactive to the employee's first day in a bilingual position.

ARTICLE 5.10 SALARIES

The parties to this MOU jointly recommend to the City Council approval of the salaries set forth in the attached Salary Appendices. These appendices shall incorporate the agreement of the parties that effective December 13, 2015, employees will be subject to a new salary step structure and that effective June 26, 2016, employees covered by this MOU shall receive a two percent (2%) salary increase.

4. Salary anniversary dates shall be unfrozen effective June 27, 2016. However, no employee may advance to Step 12 until January 7, 2018.

C. EXTENSION OF STEP ADVANCEMENT DATE

Uncompensated absences of sixteen (16) days (128 hours for employees on a work schedule other than 5/40) or less during the 2080 hour qualifying period and during each subsequent 2080 hour annual period shall not extend the step advancement date. The step advancement date shall be extended one (1) working day for each working day absence (or one hour for each hour of aggregated uncompensated absence in excess of 128 hours). Employees who are injured on duty and are compensated in accordance with State of California Labor Code, Division IV and LAAC, Division 4, Article 7 shall not have their step advancement date changed due to their workers' compensation status.

D. Consecutive Appointments within a Twelve Month Period

Consecutive appointments or assignments to positions with the same top step salary rate in the twelve (12) months (2,080 hours) following an appointment or assignment shall be treated as one (1) appointment or assignment for step advancement purposes.

E. Appointments to New Positions with the Same or Lower Salary Range

An employee who is appointed or assigned to a new position on the same or lower salary range shall retain the step advancement date established for the former position.

F. PROMOTIONAL DIFFERENTIAL

Notwithstanding the rate provided for in LAAC Section 4.91, effective December 13, 2015, employees who receive a promotion shall be moved to the salary step that provides a minimum 5.5% increase over the rate received in the former position. As provided in LAAC Section 4.91, any regularly assigned bonus or premium compensation amounts shall be included in calculating the step rate for the former position and added to the new salary, if applicable, after determining the appropriate salary step rate for the new position. This bonus is pensionable when regularly assigned and non-pensionable when assigned on a daily basis.

ARTICLE 5.11 CIVILIAN SUPERVISORY DIFFERENTIAL

In the Police and Fire Departments, members of this Unit shall be eligible for a supervisory differential, as a "bona fide supervisory employee," in accordance with Section 4.62.2 of the LAAC, when regularly assigned as a supervisor with full administrative and technical authority to assign, review and approve the work of civilian subordinates. The salaries of any sworn subordinates shall not be used in determining eligibility for the supervision differential described in LAAC Section 4.62.2 or elsewhere in this Article.

ARTICLE 5.12 SHIFT DIFFERENTIAL

Notwithstanding the provisions of Note N of Schedule A of Section 4.61 of the LAAC any employee, when required to work 50% or more of his/her time during his/her regular shift on any one day between the hours of 5:00 P.M. and 8:00 A.M., shall receive for each such day worked, salary at the second premium level rate above the appropriate step rate of the salary range prescribed for his/her classification. The procedure for the payment of adjusted compensation for work performed under the provisions of this Article shall be in accordance with Sections 4.72, 4.74, and 4.75 of the LAAC.

ARTICLE 5.13 COURT APPEARANCES

- A. The following court provisions will apply to all employees in the Unit, except those in the Police Department.

When an employee is required to appear in the Superior or Federal Court in and for the County of Los Angeles outside of his/her normal duty hours, but on a matter arising within the scope of his/her employment, said employee shall be entitled to receive a minimum of one hour at one and one-half (1.5) times his/her

regular rate of pay. Time spent in excess of the one-hour minimum guarantee shall also be at the rate of one and one-half (1.5) times the employee's regular rate of pay, payable in six (6) minute increments. No compensation shall be paid for the first forty-five (45) minutes of the Court's noon recess, provided, however, that no such compensation shall be allowed unless such employee is in actual attendance in court. Such compensation for court appearances may be in either time off or cash. Call back provisions are not applicable to court appearances.

Any employee on call outside of his/her assigned work schedule and not required to report to court shall receive two (2) hours of overtime compensation regardless of the number of hours actually spent on call.

- B. The following court provisions shall apply to employees in the Police Department only. These provisions apply only for the payment of overtime for court appearances outside of the normal duty hours of employees. Call back provisions are not applicable to court appearances.

1. Basic Compensation

An employee, at the employee's option, may report to court when subpoenaed or remain on call. If the employee elects to appear in court, the division supervisor must be notified, at the latest, one administrative day prior to the scheduled court appearance. If the employee wishes to remain on call, the employee must be able to appear in court not more than one hour after being notified that the employee's appearance is required in court. To appear in court more than an hour after having been notified will void the employee's right to on-call compensation. An employee need not remain at home, but must be available for telephonic notification at a location where the supervisor knows the employee can be reached.

- a. An off-duty employee shall receive a minimum of two (2) hours overtime compensation for any court day he/she is subpoenaed to be on call or required to appear.
- b. An off-duty employee shall receive hour-for-hour overtime compensation for each additional hour of actual attendance in excess of the two (2) hour minimum provided for in paragraph B(1)(a) above, with the following noontime recess exceptions:

Length of Recess

Forty-five (45) minutes or less
Forty-six (46) minutes or more

Amount of Compensation

None
All time over forty-six (46) minutes (in six [6] minute increments)

NOTE: An employee shall not receive court on-call overtime compensation and hour-for-hour overtime compensation for the same time period.

2. Multiple Cases

An off-duty employee who receives morning and afternoon subpoenas for separate cases on a court day shall receive overtime compensation as in paragraph B (1) (a) above, for each case for a total of four (4) hours. In addition, he/she shall receive hour-for-hour overtime compensation for each additional hour of actual court attendance in excess of two (2) hours.

3. Exceptions to the Two-Hour Minimum

Management will attempt to adjust an employee's shift to accommodate court appearances or on-call status commencing two hours or less before or after the employee's regularly assigned shift begins or ends. If an employee's shift cannot be adjusted, the employee will be compensated as follows:

- a. Court appearances or on-call status commencing two (2) hours or less before the employee's regularly assigned shift begins. Compensation will be for the actual time between the commencement of the court appearance or on-call and the beginning of the employee's assigned shift with the same noon recess provisions as outlined in paragraph B (1) (b) above.
- b. Court appearances commencing two (2) hours or less after the employee's regularly assigned shift ends. Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the court appearance with the same noon recess provisions as outlined in paragraph B(1)(b) above.
- c. Court appearances or on-call that begin during an employee's regularly assigned shift. Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the appearance or on-call status with the same noon recess provisions as outlined in paragraph B(1)(b) above.

ARTICLE 5.14 SIGN LANGUAGE PREMIUM

Any qualified employee covered by the provisions of the MOU who is requested by the deaf-mute assistance center to utilize sign language shall receive compensation equal to one premium level rate (2.75%) of their salary or wages for each business day the skill is utilized. The Sign Language Premium Pay is not pensionable.

ARTICLE 5.15 DISTURBANCE COMMUNICATION

Disturbance Communication is defined as any communication to city and non-city owned devices or software products with the expectation that the employee will respond prior to the start of the employee's next regularly scheduled work shift.

Disturbance communication includes but is not limited to phone calls, email, texts/instant messaging and any other form of communication.

Any FLSA Non-Exempt bargaining unit employee shall be eligible for compensation under this Article.

Whenever employees are contacted while on off-duty status by the Department head or designee, to furnish information needed to maintain the continuity of City business, without the necessity of having to report for duty personally, such employees shall receive a minimum of one hour of compensation subject to the following limitations:

1. Only the first disturbance communication made in any one calendar day shall qualify for the minimum one hour of compensation described above. The time actually spent on such disturbance instance will be considered hours worked for that workweek. Thereafter, compensation for all other qualifying disturbance calls totaling an aggregate of ten (10) minutes or more in that same calendar day shall be for actual time worked. Disturbance compensation shall be used to offset any overtime owed.
2. Any employee receiving On Call/Standby Compensation for the same day shall not be eligible to receive compensation under this Article for that day;
3. The Department head or designee may determine the method of compensation;
4. An employee contacted while off-duty concerning subsequent work scheduling shall not be eligible to receive compensation under this Article.

ARTICLE 6.0 BENEFITS

ARTICLE 6.1 CIVILIAN MODIFIED FLEXIBLE BENEFITS PROGRAM

During the term of this MOU, the City will provide benefits in accordance with the Civilian Modified Flexible Benefits Program (hereinafter Flex Program) and any modifications thereto as recommended by the Joint Labor-Management Benefits Committee and approved by the City Council.

During the term of this MOU, the City agrees that it will not unilaterally impose a reduction in plan design or benefits for any benefit plan applicable to employees covered by this MOU. Nothing in this MOU, however, shall prevent the parties from jointly reaching agreement on plan design or benefits applicable to employees covered by this MOU. Additionally, nothing in this MOU constitutes a waiver by the Union or the City with respect to making changes to plan design or benefits.

If there are any discrepancies between the benefits described herein and the Flex Program approved by the Joint Labor-Management Benefits Committee, the Flex Program benefits will take precedence.

Health and Wellness Bonus

Effective December 25, 2016, employees who are eligible for and participate in the Civilian Modified Flexible Benefits Plan shall receive a non-pensionable biweekly health and wellness bonus of 1.5% of base salary.

Health and Wellness Contribution

Effective December 25, 2016, employees who are eligible for and participate in the Civilian Modified Flexible Benefits Plan without regard to whether an employee opts out of medical coverage shall make a pre-tax contribution equal to 1.5% of base salary to cover the cost of health care.

Section I - Health Plans

The health plans offered and benefits provided by those plans shall be those approved by the City's Joint Labor-Management Benefits Committee and administered by the Personnel Department in accordance with LAAC Section 4.303.

Effective January 1, 2015, Management agrees to contribute a monthly sum not to exceed the Kaiser family rate ("maximum monthly health care subsidy") per full-time employee toward the cost of a City-sponsored health plan for employees who are members of the Los Angeles City Employees' Retirement System (LACERS). During the term of this MOU, Management's monthly health care subsidy for full-time employees shall increase by the increase in the Kaiser Permanente family rate. Increases in this monthly health care subsidy shall be effective at the beginning of the

pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Management will apply the subsidy first to the employee's coverage. Any remaining balance will be applied toward the coverage of the employee's dependents under the plan.

Management agrees to contribute for each half-time employee, as defined by Section 4.110 of the LAAC, who became a member of LACERS following July 24, 1989, and for each employee who transfers from full-time to half-time status following July 24, 1989, a monthly subsidy not to exceed the Kaiser employee-only rate, toward the cost of his/her Flex Program medical plan. Half-time employees who, prior to July 24, 1989, were receiving the same subsidy as full-time employees shall continue to receive that subsidy and shall be eligible to receive any increases applied to that subsidy as provided in this Article. Adjustments in this monthly subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Any employee who was receiving a full health subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Article. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989, shall be subject to the partial subsidy provisions in this Article.

Full-time employees who work a temporary reduced schedule under the provisions of Article 6.8 Family and Medical Leave, shall continue to receive the same subsidy as full-time employees and will be subject to any adjustments applied to that subsidy as provided in this Article as well as the required Health and Wellness Bonus and Contribution toward the cost of health care as described in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding his/her status as a member of LACERS.

During the term of this MOU, the Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Health Plans.

Section II - Dental Plans

The dental plans offered and benefits provided by those plans shall be those approved by the City's Joint Labor-Management Benefits Committee and administered by the Personnel Department in accordance with LAAC Section 4.303.

Management will expend for full-time employees in the classifications listed in this Unit, who are members of LACERS, the monthly sum necessary to cover the cost of the employee-only coverage under the City-sponsored Dental Plan Program. Coverage for dependents of eligible employees may be obtained in a City-sponsored plan at the employee's expense, provided that such sufficient enrollment is maintained to continue to make such coverage available.

For each half-time employee, as defined by Section 4.110 of the LAAC, who becomes a member of LACERS and for each employee who transfers from full-time to half-time status following July 24, 1989, Management will expend an amount equivalent to one-half of the cost of the employee-only coverage of the most expensive plan under the City-sponsored Dental Program. Half-time employees who, prior to July 24, 1989, were receiving the full employee-only subsidy shall continue to receive the full employee-only subsidy.

Any employee who was receiving a full employee-only dental subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989 shall be subject to the partial subsidy provisions in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding his/her status as a member of LACERS.

During the term of this MOU, the Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Dental Plans.

Union-Sponsored Dental Insurance

Employees may elect to be covered by one of the Union-sponsored dental insurance programs instead of by the City-sponsored dental insurance plan. The amount to be remitted for each employee covered by a Union-sponsored plan shall not be in excess of the employee only premium for coverage. Employees may not receive a subsidy for more than one of the City-sponsored or Union-sponsored dental plans.

The parties mutually understand that the City will expend the above noted funds only for those employees who enroll in these plans and remain on active payroll status with the City, and that the City retains all rights to any unused funds which may be allocated for the purpose of implementing this Article.

The parties mutually understand that the City will provide the subsidy to the separate SEIU 721 dental carriers an aggregate amount equal to the sum of the subsidy paid for those employees enrolled in the Union-sponsored programs who are on the payroll

during each payroll period for which the subsidy is paid together with a list of those employees for whom the subsidy was paid during said payroll period. Remittance of this aggregate amount will be made within 30-working days after the conclusion of the payroll period in which the subsidy was paid.

The parties further understand that for those employees enrolled in a Union-sponsored program, who authorized the City Controller to make a payroll deduction to cover any additional costs of said dental insurance plan, the City will remit to the carrier a separate amount and appropriate deduction list.

The parties mutually agree that the City is not responsible for, nor expected to provide, any additional accounting, administrative, bookkeeping, clerical or other services except as provided for in the above paragraphs, and that the Union assumes all responsibility for any services which may arise out of the administration of the Union-sponsored programs.

The Union shall indemnify, defend and hold the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or result from any action taken by the City for purposes of complying with this Article, or by failure of the Union or its dental insurance carrier to provide the coverage and services agreed to between the Union and the carrier.

Management will retain all duties and responsibilities it has had for the administration of the City's Dental Plan.

Section III - Definition of Dependent

The definition of a dependent shall include the domestic partner of an employee and the dependents of such domestic partner. Any employee claiming a domestic partner and/or the dependents of such domestic partner for purposes of this Article shall have an approved City Affidavit of Domestic Partnership form or a registered State of California Declaration of Domestic Partnership form on file in the Employee Benefits Office, Personnel Department, which identifies that individual as the employee's domestic partner.

Section IV - General Provisions

An open enrollment period of at least 30 days shall be declared by the Personnel Department each year. During this open period, employees may enroll themselves and, at their option, their dependents in the City-sponsored plan. Employees who fail to enroll during this open period will be ineligible to participate in a City-sponsored plan unless another open enrollment period is subsequently declared by the Personnel Department.

Management will retain all duties and responsibilities it has had for the administration of the City's Health and Dental Plans.

Section V - Subsidy During Family or Medical Leave

For employees who are on Family or Medical Leave, under the provisions of Article 6.8 of this MOU, Management shall continue the City's medical and dental plan subsidies for employees who are enrolled in a City health and/or dental plan prior to the beginning of said leave. Employees shall be eligible for such continued subsidies while on a Family or Medical Leave in accordance with Article 6.8 herein. However, for any unpaid portion of Family or Medical Leave, health and/or dental plan subsidies shall be continued for a maximum of nine (9) pay periods, except while an employee is on a Pregnancy Disability Leave absence (up to 4 months), Management shall continue the City's subsidy for her pregnancy health coverage (medical plan subsidy) in compliance with the provisions of SB 299 and AB 592 enacted in 2011.

Section VI - Benefit Protection Plan

For employees who have approved disability claims (excluding those for work-related injuries) under the City's Flex disability insurance carrier, Management shall continue the City's medical, dental, and basic life insurance plan subsidies for a maximum of two years or at the close of claim, whichever is less. Employees must have been enrolled in a Flex medical, dental and/or basic life plan prior to the beginning of the disability leave. The credited time will be deposited into a separate leave bank to be used in a manner similar to vacation time, or cashed out at the time of retirement. This will apply to payouts that would be due at the end of calendar years 2011 and 2012. Cash payment may be made to an employee at the discretion of the employing department.

If an employee retires from the service of the City, or if an employee who is eligible to retire dies prior to retirement, any balance of accumulated sick leave at full pay remaining unused at the date of retirement or death shall be compensated to the employee, or in the event of the death of the employee, to his/her legal beneficiaries, by cash payment at 50% of the employee's salary rate on the date of retirement or death.

Military orders or other evidence of call-up into the armed forces of the United States must be submitted with the request.

ARTICLE 6.11 DISABILITY INSURANCE PLAN

Management shall expend for active employees of this unit who are members of LACERS the sum necessary to cover the cost of a basic disability insurance plan. Management shall also maintain a Supplemental Disability Insurance Plan, enrollment in which is at the discretion of each employee. The full cost of the Supplemental Disability Insurance Plan premiums shall be paid by the individual employees who enroll

in the plan. The City's Joint Labor-Management Benefits Committee shall determine the benefits and provider of the plan.

ARTICLE 6.12 DEPENDENT CARE REIMBURSEMENT ACCOUNT

During the term of this MOU, Management agrees to maintain a Dependent Care Reimbursement Account (DCRA), qualified under Section 129 of the Internal Revenue Code, for active employees who are members of LACERS, provided that sufficient enrollment is maintained to continue to make the account available. Enrollment in the DCRA is at the discretion of each employee. All contributions into the DCRA and related administrative fees shall be paid by employees who are enrolled in the plan. As a qualified Section 129 Plan, the DCRA shall be administered according to the rules and regulations specified for such plans by the Internal Revenue Service.

ARTICLE 7.0 TIME OFF

ARTICLE 7.1 JURY SERVICE

Any employee duly summoned to attend any court of competent jurisdiction for the purpose of performing jury service shall, for those days during which jury service is actually performed and for those days necessary to qualify for jury service, receive his/her regular salary. The absence of the employee for the purpose of performing jury service shall be deemed to be an authorized absence with pay within the meaning of LAAC Section 4.75.

During the time the employee is actually reporting for jury service, the head of the department, office, or bureau, or his/her designee will convert the employee's usual shift to a regular five-day, Monday through Friday day shift. However, employees may choose to remain on an alternative work schedule (9/80, 4/10, or 3/12) or on an off-watch schedule during jury service with the understanding that jury service on a regularly scheduled day off (RDO) will not be compensated. Employees must report for work on any day of his/her converted shift that he/she is not required by the court to perform jury service.

Compensation for mileage paid by the courts for jury service shall be retained by the employee.

Employees performing jury service on a designated City holiday shall be compensated for the designated City holiday; additional time off for that holiday shall not be provided.

ARTICLE 7.2 CIVIC DUTY

Whenever an employee is served with a subpoena by a court of competent jurisdiction which compels his/her presence as a witness during his/her normal working period, unless he/she is a party to the litigation or an expert witness, such employee shall be granted time off with pay in the amount of the difference between the employee's

regular earnings and any amount he/she receives for such appearance. This Article is not applicable to appearances for which the employee receives compensation in excess of his/her regular earnings. A court of competent jurisdiction is defined as a court within the County in which the employee resides or if outside the county of residence, the place of appearance must be within 150 miles of the employee's residence.

ARTICLE 7.3 EMPLOYMENT OPPORTUNITIES

- A. The Personnel Department will provide to the Union copies of all job bulletins. Tentative examination bulletins approved by the Personnel Department will be provided to the Union seven (7) calendar days prior to the date of the public posting of the final bulletin for the examination.
- B. Employees shall be granted reasonable time off with pay for the purpose of taking oral promotional examinations when such examinations are given by the City and scheduled during the employee's normal working period; provided, however, that each employee entitled to such time off with pay shall give reasonable advance notice to his/her supervisor. Such time off with pay shall include travel time.
- C. Management agrees that any employee covered by this MOU who may be assigned to work on a day that a written promotional examination is administered by the Personnel Department, and for which an employee has applied, shall be given priority in the scheduling of days off for that day.

ARTICLE 7.4 BEREAVEMENT LEAVE

Management's present practices with regard to allowances for leave because of family deaths will be continued during the term of this MOU. Such practices of allowances for leave because of family deaths shall be in accordance with Section 4.127.1(a) – (d) of the LAAC which provides for a maximum of three working days for each occurrence of a death in the employee's immediate family.

For the purpose of this Article, the definition of an immediate family member, as defined in Section 4.127.1 of the LAAC, shall include the father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, grandparents, grandchildren, step-parents, step-children, great-grandparents, great-grandchildren, foster parents, foster children, a domestic partner, any relative who resided in the employee's household, a household member (any person residing in the immediate household of the employee at the time of death), and the following relatives of an employee's domestic partner: child, grandchild, mother, father. For purposes of this Article, simultaneous, multiple family deaths will be considered as one occurrence. Any employee claiming a domestic partner for purposes of this Article shall have an approved City Affidavit of Domestic Partnership form or a registered State of California Declaration of Domestic Partnership form on file in the Employee Benefits Office, Personnel Department, which identifies that individual as the employee's domestic partner.

In addition to the bereavement leave granted under this Article, upon the approval of the appointing authority, any employee who has accrued unused sick leave at full pay, shall be allowed sick leave with full pay not to exceed two working days per occurrence for the purpose of bereavement leave if it is necessary for the employee to travel a minimum of 1500 miles one way, as determined by the Automobile Association of American (AAA).

Employees requesting the use of sick leave under this provision shall furnish satisfactory proof to the appointing authority of the distance traveled. Use of sick leave hours for bereavement leave shall not be counted as sick leave in any department Sick Leave Use Monitoring Program.

Members of this Unit shall be entitled to use the bereavement leave granted under this Article (or the sick leave used for purposes of bereavement leave as described in this Article), up until 370 calendar days from the date of the death of the qualifying immediate family member. Bereavement leave days not used prior to 370 calendar days from the date of said death shall be deemed waived and lost.

ARTICLE 7.5 MILITARY LEAVE

Every employee who qualifies for and is granted a military leave, whether temporary or otherwise, pursuant to the provisions of the Military and Veterans Code of the State of California, shall, before he/she is paid his/her salary or compensation during such leave, or any part thereof, as provided in said Code, furnish to his/her appointing authority two certified copies of his/her orders, one (1) copy to be filed in the department in which he/she is employed and the other with the Controller. In lieu of the orders, the employee shall furnish to the appointing authority, upon forms provided by the Controller, certified evidence of his/her entry into active service in the armed forces of the United States and the date thereof. Any certification required by this Article may be made by any commissioned officer of such armed forces. The Controller shall have power at any time to require such additional satisfactory evidence of the entry of such employee into active service in such armed forces and of the actual performance by the employee of ordered military duty during all or any part of such leave.

In determining whether an employee has been in the service of the City for a period of not less than one year immediately prior to the date on which the absence begins, continuous service shall be required.

Unit members called into active military service (other than temporary military leave) shall accrue vacation time, and be entitled to the cash-out of accrued, but unused, vacation time, in accordance with Article 6.10, Vacation.

ARTICLE 8.0 RETIREMENT

ARTICLE 8.1 RETIREMENT BENEFITS

A. Benefits

1. Effective July 1, 2011, for all Tier I employees regardless of their date of hire, the Tier I retirement formula and a flat-rated employee retirement contribution of seven percent (7%) was implemented and shall be continued. The employee retirement contribution rate shall return to six percent (6%) in accordance with the Early Retirement Incentive Program (ERIP) agreement dated October 26, 2009, LAAC Section 4.1033, which provides that this seven percent (7%) employee retirement contribution will continue until June 30, 2026 or until the ERIP cost obligation is fully paid, whichever comes first.
2. For employees hired on or after the date of adoption of the Ordinance implementing LACERS Tier 3, the retirement formula for LACERS Tier 3 and a flat-rated employee retirement contribution of seven percent (7%) shall be continued during the term of the MOU.

B. Retiree Health Benefits

1. There is currently in effect a retiree health benefit program for retired members of LACERS under LAAC Division 4, Chapter 11. All covered employees who are members of LACERS, regardless of retirement tier, shall contribute to LACERS four percent (4%) of their pre-tax compensation earnable toward vested retiree health benefits as provided by this program. The retiree health benefit available under this program is a vested benefit for all covered employees who make this contribution, including employees enrolled in LACERS Tier 3.
2. With regard to LACERS Tier 1, as provided by LAAC Section 4.1111, the monthly Maximum Medical Plan Premium Subsidy, which represents the Kaiser 2-party non-Medicare Part A and Part B premium, is vested for all members who made the additional contributions authorized by LAAC Section 4.1003(c).
3. Additionally, with regard to Tier 1 members who made the additional contribution authorized by LAAC Section 4.1003(c), the maximum amount of the annual increase authorized in LAAC Section 4.1111(b) is a vested benefit that shall be granted by the LACERS Board.
4. With regard to LACERS Tier 3, the Implementing Ordinance shall provide that all Tier 3 members shall contribute to LACERS four percent (4%) of their pre-tax compensation earnable toward vested retiree health benefits,

and shall amend LAAC Division 4, Chapter 11 to provide the same vested benefits to all Tier 3 members as currently are provided to Tier 1 members who make the same four percent (4%) contribution to LACERS under the retiree health benefit program.

5. The entitlement to retiree health benefits under this provision shall be subject to the rules under LAAC Division 4, Chapter 11 in effect as of the effective date of this provision, and the rules that shall be placed into LAAC Division 4, Chapters 10 and 11, with regard to Tier 3, by the Implementing Ordinance.
6. As further provided herein, the amount of employee contributions is subject to bargaining in future MOU negotiations.
7. The vesting schedule for the Maximum Medical Plan Premium Subsidy for employees enrolled in LACERS Tier 1 and LACERS Tier 3 shall be the same.
8. Employees whose Health Service Credit, as defined in LAAC Division 4, Chapter 11, is based on periods of part-time and less than full-time employment, shall receive full, rather than prorated, Health Service Credit for periods of service. The monthly retiree medical subsidy amount to which these employees are entitled shall be prorated based on the extent to which their service credit is prorated due to their less than full time status.

C. Procedure for Benefits Modifications

1. Proposals for major retirement benefit modifications will be negotiated in joint meetings with the certified employee organizations whose memberships will be directly affected. Agreements reached between Management and organizations whereby a majority of the members in LACERS are affected shall be recommended to the City Council by the CAO as affecting the membership of all employees in LACERS. Such modifications need not be included in the MOU in order to be considered appropriately negotiated.
2. Proposals for minor benefit modifications and technical changes will be considered and reported on as appropriate, but no more than once a year, in a report from the CAO to the City Council. Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.
3. If agreement is not reached between Management and the organizations representing a majority of the members in LACERS as to whether a

particular proposal constitutes either a major or a minor modification, the proposal shall be treated as a major modification.

ARTICLE 9.0 MISCELLANEOUS

ARTICLE 9.1 DEFINITION OF EMERGENCY

For the purpose of administering the provisions of this MOU, an emergency shall be defined as an occurrence, situation, or condition which could not have been reasonably foreseen or anticipated.

ARTICLE 9.2 LABOR-MANAGEMENT COOPERATION

The parties agree that Joint Labor Management Committees may be useful in resolving operational needs, the ability to meet the service mandates of the city and other issues which may benefit from joint efforts to resolve economic, service or other issues. Such issues should be presented by the Union or Management to the appropriate Union/Departments for review and discussion to determine if the issue can be resolved or if a JLMC should be established to address and/or resolve the issue in compliance with Charter Section 234.

ARTICLE 9.3 COMMUTE AND PARKING

The provisions of the Special Memorandum of Understanding regarding City Employee Parking and Commute Options, including all existing and future amendments, shall apply to employees represented by the Service Employees International Union Local 721. All Citywide parking and transportation policies promulgated by either the Commute-Options and Parking Section of the Personnel Department and/or the Joint Labor-Management Committee on Commute Options and Parking shall also apply, including the policies regarding appeals of employee parking issues. Such appeals shall not be grievable.

Temporary Parking — Occasional Mileage Assignment

Employees who are assigned to receive mileage on an occasional basis, and are not otherwise assigned a mileage parking permit may apply to Parking Services for a temporary parking pass (for one or more days), upon certification by a supervisor in advance that the employee will be assigned to mileage on a specific date(s). Such temporary pass may be requested in lieu of receiving reimbursement for parking on the date of the mileage assignment.

Such permits shall be available only for City owned lots for which temporary permits are normally available.

Temporary Parking — Office Relocation

It is the understanding of the parties that temporary transition parking for a function relocated to the civic center area may be provided under the condition that such temporary parking shall not exceed 30 days and no more than 10 permits shall be available at any time to any group of City employees.

The purpose of such transition parking is to provide affected employees with the opportunity to arrange carpools, vanpools or public transportation at their new work location.

Application for such permits shall be submitted by the General Manager of the relocated department on behalf of the group of affected employees. Such permits shall be made available to employees who do not immediately qualify for regular parking permits or a transportation subsidy. If the number of relocated employees exceeds 10, then it shall be the responsibility of the requesting department to determine eligibility, and such determination shall not be subject to grievance or appeal to Parking Services.

Such permits shall be available only for City-owned lots for which temporary permits are normally available. They will not be available to individual employees who transfer or promote between locations.

Parking Spending and Transit Spending Pre-tax Accounts

The City allows all employees to set aside money pre-tax to pay for either parking expenses or commute related expenses on public transit. These monies are set aside from the employee's paycheck similar to the Dependent Care pre-tax account. For more information see the City personnel website at <http://per.lacity.org/commuter.htm> and follow the links for each pre-tax account.

ARTICLE 9.4 STATE REGISTRATION EXAMINATIONS

An employee may take time off with pay for the purpose of taking examinations for State registration as a Professional Engineer as governed by the California Board of Professional Engineers and Land Surveyors. Additionally, an employee may take time off with pay for the purpose of taking examinations for State Registration for an Environmental Health Specialist, or a licensed Architect, or for State certification as a Water or Waste Water Treatment Plant Operator. Such time off will only be permitted for an employee who would normally be required to work on a day on which the examination is actually given. Upon demonstrated passage of the examination, the employee will be reimbursed by the city for cost of the examination.

ARTICLE 9.5 REIMBURSEMENT FOR STATE REGISTRATION

Any employee in this Unit who is required to maintain a State of California Professional Registration as a condition of employment shall be reimbursed by the City for the cost of such registration upon presentation by the employee of a paid receipt for such cost.

Any Department of Building and Safety employee in this Unit who is required to maintain certification as a Building Official, Plan Reviewer, or Building Inspector by the State of California as a condition of employment shall be reimbursed by the City for the cost of that certification upon presentation of a paid receipt from a Department-approved certifying organization.

Any employee in the following classifications and pay grades who is required to be certified as a Qualified Stormwater Pollution Prevention Plan Developer/Practitioner (QSD/QSP) or Leadership in Energy and Energy and Environmental Design (LEED) professional, or Envision Sustainability Professional, and uses such certification, as part of their regular job duties shall be reimbursed by the City for the cost of that certification upon presentation of a paid receipt from a Department-approved certifying organization.

The Union will reimburse the City for all IOD and Workers' Compensation related costs.
- K. When the employee returns from release time, he/she shall return to his/her civil service classification and pay grade at the time of release.
