The County reserves the right to take whatever action may be necessary in an emergency situation; however, SEIU shall be notified promptly of any such emergency action which affects matters within the scope of representation.

The County agrees that it will not exercise the foregoing management rights in an arbitrary or capricious manner.

ARTICLE 4
WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

Work-Period. The normal work period shall be ten (10) working days of eight (8) hours each. A department/district head with prior approval of the County Executive Officer and the Human Resources Director may establish or eliminate a different biweekly work period of eighty (80) hours after giving one pay period written notice to the representative, if any, of the employees affected.

A. SEIU agrees that the County shall retain exclusive control to determine employee work schedules and hereby waives any right to grieve schedule assignments during the remaining term of this agreement.

B. Professional Hours-DPSS. The parties agree that flex schedules shall be made available for Social Service Workers I, II, III, IV, and V, Employment Services Counselor I and II, in D.P.S.S. under the following conditions:

1. Employees are required to work a full 40 hours per week and a full 80 hour biweekly work period or be in pay status. Employees shall not work over 40 hours per week without prior written approval to do so by his or her supervisor in cases where there is urgent necessity or extenuating emergency circumstances to so work.
2. No overtime shall be paid for over 8 hours worked per day. The application of Section 2(A) of this Article shall not apply as it pertains to overtime after 8 hours in a day. The only overtime that shall be paid under this Memorandum shall be that of the provisions of the Fair Labor Standards Act for approved overtime work which is over 40 hours per week.

3. In order for an employee to be under the flex hours provision, he/she must continue to maintain the work load assigned within the 40 hour work period. The department may establish core hours of work. In addition, employees must agree to clear their schedule to attend staff meetings, training classes or any other meetings or events which the department requires the employee to attend. It is mandatory for an employee to complete the client contact sheet daily and follow any other requirement in the department's policy, procedures and handbook. It is incumbent on the employee to keep abreast of all events which affect his/her schedule. Probationary employees and employees who do not meet the required work standard where closer supervision is necessary shall not be eligible for the flex hours scheduling. The department has the absolute and exclusive right to return an employee to the previous or normal work period should an employee not comply with the conditions of this memorandum. Should a grievance be filed against the department for the removal of an employee from this flex schedule the burden of proof is upon the employee to show that the department did not have cause for such action. Cause is based on failure of the employee to follow conditional requirements stated in this memorandum. Removal from the flex time schedule shall not be interpreted as disciplinary action.

Example of Flex Schedules:

Section 2. Overtime

A. Overtime Work Defined. Overtime work is authorized work in excess of the maximum hours of the established FLSA work week or work performed when the employee is called back to meet an emergency on a holiday or is in a stand-by or call duty status. It does not include regularly scheduled work on a paid holiday.

B. Overtime Provisions of the Fair Labor Standards Act. Except as set out in paragraph C below, employees in classifications that are not exempt from the Fair Labor Standards Act (herein referred to as "FLSA") shall be compensated for overtime consistent with the Act. The Human Resources Director and County Counsel shall determine which classes of positions are exempt from the FLSA. The County agrees to meet and consult with the Union to discuss department overtime issues related to FLSA.

C. Double Time Employees in the following classifications shall be eligible to receive overtime credit at two (2) times such actual hours for authorized overtime subject the qualifying factors set out below.

- all hours worked on an extra weekend shift

A "weekend shift" for the purposes of this section means a shift starting on or after 3:00 p.m. Friday and ending on or before 7:30 a.m. Monday. An "extra" weekend shift means a weekend shift actually worked in addition to the required weekend shifts that were actually worked in the pay period. To qualify for double time on an extra weekend shift employees must have also actually worked their regular schedule that week.

All classifications listed above as eligible for double time on an extra weekend shift are required - unless specifically excluded by the Department Head - to work two non-premium weekend shifts during the bi-weekly pay period. An extra weekend shift for any employee exempted, in whole or in part, from the mandatory weekend requirement by the Department Head is a weekend shift in addition to his/her normal schedule as established by the Department Head, provided that the employee actually worked his/her normal schedule that week.

This weekend requirement does not apply to Registered Nurses in the RN-W classifications who work only weekend shifts and do not qualify under this section for double time on an extra weekend shift.

Nurses in the RN-W classifications shall receive a weekend premium of five dollars (\$5.00) per hour for each weekend hour actually worked. A weekend nurse who works seventy-two (72) weekend hours every pay period shall be considered a full-time employee for purposes of flexible benefit entitlement.

D. Authorization for Overtime Work. Performance of overtime work may be authorized by the Board of Supervisors or by the department head or a designee.

There shall be no favoritism in the assignment of overtime work.

E. Departmental Records. Each department head shall keep complete and detailed records as to the attendance and pay status of each employee. This shall include actual hours of overtime work for each employee in each work week, with justification in each case, and shall also include compensatory time off. The daily record for an employee in a normal paid working status may be kept on a negative basis, that is, with no entry except for overtime, compensatory time off, sick leave, vacation, leave of absence, and like items.

The initial record, any secondary records, such as a summary of the work week or of the pay period, or other compilation from the initial record, and the departmental

copy of the attendance report for each pay period together with any subsequent correcting reports, shall be preserved and retained in a condition to be audited for the three most recent full fiscal years, and thereafter until any official inquiry concerning the same has been finally concluded.

F. Reporting and Calculation. Actual hours of overtime work shall be reported on each attendance report. The Auditor shall maintain the record of overtime credit at one and one-half times such actual hours. Actual hours of compensatory time off shall be reported on each attendance report. If payment is to be made, the number of hours of overtime credit to be paid for shall be specified.

G. Compensation for Overtime Work. Accumulated overtime credit in excess of one hundred twenty (120) hours at the end of any pay period shall automatically be paid for. Accumulated overtime credit after forty (40) hours may at the election of the employee, be accumulated as overtime credit as provided herein, or the employee may elect to be paid such overtime. Accumulated overtime credit of one hundred twenty (120) hours or less may be taken in compensatory time off, subject to management approval, and this method of reducing accumulated overtime credit is encouraged. With approval of the County Executive Officer, accumulated overtime credit of one hundred twenty (120) hours or less may be paid for. Paid overtime credit shall be at the hourly rate currently applicable to the employee. Upon termination, accumulated overtime credit shall be paid for. Overtime caused by duly authorized continuing and regular work periods longer than eighty (80) hours, or by seasonal overtime work, if authorized by the County Executive Officer in advance, shall be currently paid for.

H. Fringe Benefits not Affected by Overtime. Overtime work shall not be a basis for increasing vacation or sick leave benefits, nor shall it be a basis of advancing completion of the required period for probation or salary step advance. Where overtime results from necessary irregular work schedules, it may be included in computing the minimum time for salary step advance that would otherwise be delayed beyond the normal period.

I. Payment of Comp. Time

1. Registered Nurses Unit. Any Registered Nurse who is a member of the Registered Nurse Unit who has, at the expiration of each prescribed pay period, any compensatory time off benefits that have not been utilized shall be paid for such compensatory time by County Warrant, or the employee may elect to accumulate compensatory time off benefits up to a maximum of one hundred twenty (120) hours. 1. Any Officer, in order to perform the work of the department or a civil defense function, may employ emergency employees without reference to the salary or classification plans at rates that appear to be prevailing for the type of work to be performed at the time of their employment.
2. For the same purpose, any Officer may employ, on a paid overtime basis, current employees at hourly rates equivalent to their current compensation basis.
3. Any employee who reports to a regular or other designated place of employment or to a civil defense assignment shall be deemed to be employed in their usual position in a regular payroll status. ARTICLE 5
PAY PRACTICES

Section 1. Step Advance

A. Step increases shall be suspended for the duration of the MOU.

B. Anniversary Dates:

The first anniversary date as a result of an original appointment shall be the first day of the pay period following the completion of one year in a paid status in the position not including overtime.

The first anniversary date as a result of promotion or reclassification which involved a salary increase shall be the first day of the pay period following the completion of 6 months in a paid status in the position not including overtime.

Re-employment at a rate other than that of the first step of a range shall be considered an original appointment for purpose of fixing the anniversary date.

The second anniversary date shall be the first day of the pay period following the completion of an additional one year in a paid status, not including overtime, and subsequent anniversary dates shall occur at like intervals.

C. The provisions of this section shall be subject to other specific provisions of this MOU concerning change of anniversary dates.

D. Denial of Step Increase: The department head may disallow a scheduled step increase provided a performance evaluation is first reviewed and approved by the Human Resource Director or a designee. If the increase is disallowed, the employee will be provided the reasons therefore in writing.

If the department head disallows such increase, the department head shall review the matter at least quarterly, and may allow the increase effective on the first day of any pay period after that in which the increase could have been allowed. The responsibility for submitting a written allowance of increase, after disallowance, shall be with the department head. The anniversary date shall be postponed until an increase is allowed. Such salary increases shall be given unless there is an affirmative decision of the Department Head to deny the increase.

E. Seasonal Employees: With the same procedures as in the foregoing Subsection B, on the first day of the pay period following the completion of one (1) year in a paid status, not including overtime, the salary of a seasonal employee shall be increased. On the first day of the pay period following the completion of an additional one (1) year in a paid status, not including overtime, the employee's salary may again be increased, and thereafter in like intervals. The hours in a paid status need not be continuous, provided no interval of more than one (1) year shall occur when the employee is in an unpaid status.

F. Except as set out herein, every anniversary salary increase shall be to the rate of the second next higher step, except when there are less than two (2) steps remaining, it shall be to the last step.

Section 2. New Employees

A. Except as otherwise provided by this MOU, a new employee shall be appointed at the first step of the salary range. The department head with the prior approval of the Human Resources Director and the County Executive Officer may appoint a new employee in a specified class to any step within the salary range if the employee has: (1) qualifications substantially greater than the minimum for the class; and (2) experience, which if it had been obtained in the position applied for, would have made the employee eligible for the advanced step proposed. When the Human Resources Director and the County Executive Officer authorize a position to be filled at such step

higher than the first step of the range, the Human Resources Director and the County Executive Officer may also advance all incumbents of positions in the same class earning less than the step so authorized to the same or one of said higher steps, fixing the minimum initial salary on such advanced step. Should incumbent Registered Nurses working for an RCRMC campus or Detention Health not be advanced in the scenario outlined above, the parties agree to meet and consult on the issue to determine if advancement would be equitable in all the circumstances. The anniversary date shall be the first day of the pay period which is not less than one (1) year in a paid status thereafter, not including overtime. When such an incumbent employee is already on that step, his/her anniversary date shall not change.

Section 3. Re-employment

A. B. Re-employment after military service shall conform to the requirements of the Military and Veterans Code and the Uniformed Services Employment and Reemployment Rights Act, but in other respects shall be in accordance with this Memorandum.

C. Whenever a former regular employee is or has been re-employed within twenty-four (24) months after termination he/she may, on recommendation of the employing Officer and with the approval of the Human Resources Director and the County Executive Officer, be allowed accrued sick leave and accrued time toward earned vacation, not exceeding the amount thereof which was lost at the time of termination, and his/her anniversary date for step advance may be expressly fixed, subject to other provisions of this Memorandum relating to delay and disallowance thereof, by allowing credit for all or a portion of the applicable period of service prior to said termination. A former employee who is re-employed and who did not withdraw his or her initial retirement contributions at the time of his/her termination, shall not be required to make an additional initial retirement contribution for the previous period of covered employment with Riverside County.

D. Re-employment of Retired Persons. An employee who is retired under the Public Employee Retirement Law (PERL) and who is receiving retirement benefits shall not be employed or re-employed in any position for compensation without the prior written approval of the Human Resources Director. Consistent with the requirements of the PERL for discontinuance of retirement benefits, the retiree may be employed or re-employed.

The Human Resources Director may allow the employment or re-employment for up to nine hundred sixty (960) hours in any fiscal year, without loss of benefits, as

specified in Section 21153 of the Government Code. That section permits the temporary employment only during an emergency to prevent stoppage of public business, or because the restored employee has skills needed in performing specialized work of limited duration. During the employment or re-employment the retiree is to be paid at a rate not less than the minimum, or more than that paid other employees performing comparable duties.

When a retiree under the PERL is employed or re-employed, his/her retirement status must be specified in the documentation of appointment to a permanent or temporary position.

Section 4. Promotion. On promotion, the salary shall be at a rate on the new salary range that is two (2) steps higher than the closest salary step on the new salary grade to the employee's step on the salary grade for the former position where the new range is able to accommodate the increase. The effective date of all promotions shall coincide with the first working day of a pay period. The anniversary date shall be determined as if the date of promotion were the date of employment.

Section 5. Transfer. On transfer, the salary shall be the same as that paid previously. The anniversary date shall not change.

Section 6. Demotion

A. On demotion, the salary shall be at the rate of the same step on the new range as was applicable to the previous range. The anniversary date shall not change. The effective date of all demotions shall coincide with the first working day of a pay period.

B. Permanent employees who, within one (1) year following a promotion, voluntarily demote to their previously held classification may return to the step of the previously held classification from which they promoted. Demotion under this section shall be with the mutual agreement of the employee and involved department head(s) and an opening must exist. The anniversary date shall not change.

Section 7. Reclassification

A. The salary of an incumbent of a position reclassified to a class on the same salary range shall not change. The anniversary date shall not change.

B. The salary of an incumbent of a position reclassified to a class on a higher salary range shall be at the rate which is two (2) steps higher than the closest salary step on the new salary grade to the employee's step on the salary grade for the former position where the new range is able to accommodate the increase.

The anniversary date shall be determined in accordance with this Article, except that the first anniversary date shall be the first day of the pay period following the completion of six (6) months in a paid status, not including overtime, in the new

The initial probationary period may be extended in three (3) month increments up to two (2) times. When the absence ceases or the vacancy is filled, the employee shall return to their regular position, and their salary and anniversary date shall be re-determined as if the temporary promotion had not occurred. Any step increases which would have been due in their regular position shall be allowed.

Section 9. Conformance to Plan. No regular employee shall be assigned to exercise the powers or perform the duties of any classification other than their own classification for an accumulated period of four hundred eighty (480) hours or more during any one calendar year. ARTICLE 12

DISCIPLINARY APPEAL PROCEDURE

Section 1. General. Any notice required to be given by this procedure shall be in writing and shall be deemed served when personally delivered to the person to whom it is directed or when deposited in the United States mail, registered or certified postage prepaid and addressed to the designated recipient at the last known address. Whenever there is an interrogation of an employee where the significant purpose is to investigate facts to support disciplinary action there is a right for the employee to be represented.

A. As used in this procedure, "disciplinary action" means dismissal, demotion, reduction in compensation, suspension or written reprimand in lieu of suspension (FLSA exempt employees only which shall for all purposes have the effect of the equivalent suspension) imposed for disciplinary reasons, that directly affects the wages, hours, or working conditions of a permanent employee.

B. Unless otherwise specified, as used in this procedure, "department head" includes the department head or a designated subordinate.

C. Department, for purpose of this procedure, shall be defined as an agency, department, or district of the County which is set out in a separate section of Ordinance No. 440.

D. The Human Resources Director, or designee, may for good cause extend the time for performance of any act required or permitted by this procedure, upon written request prior to expiration of the time fixed. Powers of the Human Resources Director, or designee, may be exercised by a designated subordinate.

Section 2. Involuntary Leave of Absence. Pending investigation by the department head of an accusation or accusations against an employee alleging employee misconduct, covered under Article 11 of this MOU, the department head, with approval by the Human Resources Director, may place the employee on a leave of absence for a period of time not to exceed fifteen (15) working days with pay.

If the investigation is not completed within the fifteen (15) days referenced above, the leave of absence may be extended to a combined maximum of ninety (90) calendar days with approval by the Human Resources Director. In such cases, and except for good cause as determined by the Human Resources Director, the department head will notify the employee in writing as to what specific allegations are being investigated. The Union will also be notified as to the extension only. Additional leave may be granted subject to the approval of the Human Resources Director. In the event the Human Resources Director does not approve the request for additional leave, the employee shall be returned to duty pending the completion of the investigation and the imposition of any disciplinary action provided, however, the department head may alter the employee's duties or assignment until the investigation is completed when he/she determines it is in the County's best interest. Except for investigations of employment related issues that are also the subject of on-going criminal investigations, leave shall not extend beyond a maximum of one hundred eighty (180) days.

The administrative leave provisions of this Section do not apply to investigations related to, or resulting from, Fitness for Duty or Workers' Compensation related issues.

An employee placed on Administrative Leave pursuant to the provisions of this Section shall, unless otherwise directed, be required to contact his or her supervisor, or other designated party(ies) at the start of each shift he or she would otherwise have been required to work and shall be required to return to work within twenty-four (24) hours notice by an authorized department representative. It is also the employee's responsibility to ensure the department has his or her current address and, if applicable, home telephone number.

Section 3. Notice of Disciplinary Action

A. For permanent employees written notice of intent to take disciplinary action shall be served on the affected employee, except as previously provided, at least seven (7) working days prior to the effective date of the action and shall include:

1. A description of the action(s) to be taken and the expected effective date(s);
2. A clear and concise statement of the specific grounds and particular facts upon which the disciplinary action is based;
3. A statement that a copy of the materials upon which the action is based is attached or available for inspection upon request; and

4. A statement informing the employee of the right to respond either verbally or in writing, to the department head prior to the effective date of the disciplinary action(s).

B. After considering the response or if the time to respond has elapsed without the employee responding, written notice that the disciplinary action will be implemented shall be served on the employee on or before the effective date of the action and shall include:

1. A statement informing the employee of the disciplinary action(s) taken, the effective date(s) of the action(s), and that the action is being taken for the acts specified in the letter of intent; and

2. A statement informing the employee of the right to appeal within ten (10) working days of the date the letter is served on the employee.

Section 4. Amended Notice of Disciplinary Action

A. At any time before an employee's appeal is submitted to the neutral for decision, the department head may, with the consent of the Human Resources Director, or designee, serve on the employee and file with the Human Resources Director, or designee, an amended or supplemental notice of disciplinary action.

B. If the amended or supplemental notice presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense thereto. The employee shall not be required to file a further appeal. Any objections to the amended or supplemental causes or allegations may be made orally or in writing at the hearing.

Section 5. Appeals. Any employee may appeal any disciplinary action taken against the employee. The appeal shall be in writing and filed with the Human Resources Director, or designee, within ten (10) working days after the date of notification of action against which the appeal is made. An appeal shall:

A. Be accompanied by a copy of intent and final decision notice of disciplinary action served on the employee;

B. A brief statement of the facts and reasons for the appeal; and

C. A brief statement of the relief requested.

Section 6. Waiver. If an employee fails to appeal the disciplinary action within the time specified, or after appealing, withdraws the appeal, the right to review is waived. Further, after an appeal is filed if the employee, or his/her representative, fails to take the next step to advance the appeal at any point in the process for ninety (90) days the appeal is deemed to be withdrawn and the right to review is waived.

Section 7. Hearing Procedure - Minor Discipline

A. When disciplinary action results in a suspension of eighty (80) working hours or less, a pay reduction equal to eighty (80) hours or less of gross salary, or a written reprimand in lieu of suspension of eighty (80) working hours or less, the appeal shall be determined under the following provisions:

1. Appeals shall be heard by a person assigned by the State Conciliation Service or another third party neutral (either hereinafter referred to as a neutral) as agreed to by the parties. The neutral's decision may be verbal or in writing. The neutral's decision shall be binding on both parties, neither of which shall have the right of further appeal.

2. Only the employee and one (1) non-attorney representative and the department head or a designee and the Human Resources Director or a non-attorney designee shall take part in the presentation of any appeal, unless the employee is an attorney who is self represented. Nothing herein shall prevent an attorney testifying to facts of which the attorney has personal knowledge and that which the attorney may be competent to testify.

3. The appeal hearing and disposition of the appeal shall be informal, the object being to settle the appeal promptly by the parties. The parties shall have the right to offer evidence by witnesses at the hearing subject to the discretion of the impartial party. The neutral may consult with witnesses informally and otherwise investigate the controversy.

4. The neutral may modify the disciplinary action, but in no event shall have the authority to increase the disciplinary action imposed to be greater than in Section 7(A) herein.

5. The judgment of the neutral shall be rendered within five (5) working days of submission of the controversy to him/her. Provided, however, the parties may mutually agree to extend the time in which the judgment may be rendered.

6. The neutral's authority shall be limited to deciding the issues submitted by the parties. The neutral shall have no jurisdiction or authority to add to, delete from, or modify any written provisions of any MOU.

7. All costs for the service of the neutral, if any, including but not limited to, per diem expenses, travel and subsistence expenses, a transcript, and the cost of the hearing room will be borne equally by the County and SEIU. A SEIU member who elects not to be represented by SEIU at the hearing shall provide to the Human Resources Director, or designee, an advance deposit of two hundred fifty dollars (\$250) per half day of hearing, prior to the hearing being scheduled.

Section 8. Hearing Procedure - Major Discipline

A. Appeals filed in cases of termination, suspension exceeding eighty (80) working hours, or pay reductions exceeding eighty (80) hours of gross salary shall be heard by a neutral.

B. The parties shall maintain a jointly negotiated list of no fewer than seven (7) nor more than eleven (11) neutrals who shall be selected by the striking method. The only remaining name after the striking process shall serve as the neutral. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. If the neutral chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the neutral. As soon as possible, a representative from SEIU and the County shall meet to establish the list of up to eleven (11) neutrals.

C. The hearing shall be set by the Human Resources Director, or designee, and employee representative, or employee, within a reasonable period based on the neutral's availability and other scheduling factors.

D. The employee and the department head may be represented by counsel or other representative, provided, however, if the employee is in a representation unit wherein an Employee Organization has been awarded exclusive recognition pursuant to the Employee Relations Resolution, unless represented by counsel, the employee may be represented only by the exclusive employee organization.

E. It shall be the duty of any County Officer or employee to attend a hearing and testify upon the written request of either the employee, the department head, or the neutral, provided reasonable notice is given to the department employing the officer or employee. The Human Resources Director, or designee, shall arrange for the production of any relevant County record. The neutral is authorized to issue subpoenas.

F. All appeal hearings involving the dismissal of an employee shall be reported by a stenographic reporter. All other appeals need not be reported but either the employee or the department head may, at their own expense, provide a reporter for the hearing.

G. The expenses of the neutral and transcripts, if required, shall be shared equally by the County and SEIU. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the disciplinary hearing.

H. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or cancelling party.

I. Within twenty-one (21) days following the submission of the appeal, the neutral shall submit written findings of fact, conclusions of law, and the decision to the parties together with a copy of the appeal and a summary of the evidence taken at the hearing.

The decision of the neutral shall be final subject to the right of either party to seek judicial review under Section 1280 et. seq. of the California Code of Civil Procedure.

1. The neutral shall confine the decision to issues raised by the statement of charges and responses. The neutral shall act in judicial, not legislative manners. The neutral shall not amend, modify, nullify, ignore, add to or subtract from the provisions of the MOU but, rather, shall interpret and apply its terms.

2. The neutral will not substitute his/her discretion and judgment for that of management for sustained charges unless the neutral finds that discrimination, unfairness, capriciousness, or arbitrary action by the County is proven.

3. In the case of suspension/reduction in compensation or demotion, if the action is modified or rescinded, the appellant shall be entitled restoration of pay and/or fringe benefits in a manner consistent with the neutral's decision.

4. In the case of discharges, if the neutral finds the order of discharge should be modified, the appellant shall be reinstated to a position in the classification held immediately prior to discharge subject to forfeiture of pay and fringe benefits for any period of suspension imposed by the neutral.

5. If the neutral finds the order of discharge should be rescinded, the appellant shall be reinstated to a position in the classification held immediately prior to discharge and shall receive pay and fringe benefits for all of the period of time between the discharge and reinstatement.

6. The County shall not be liable for restoring pay and fringe benefits for any period(s) of time the appellant was reduced or removed from duty which results solely from the appellant's request for written briefs in the arbitration proceedings.

7. Restoration of pay benefits shall be subject to deduction of all unemployment insurance and outside earnings which the appellant received since the date of discharge which would not have been earned had the appellant not been disciplined. The appellant shall supply such outside employment earning records during the period of time in question when requested.

8. The neutral shall render findings sufficient both to enable the parties to determine whether and on what basis they should seek review and, in the event of review, to apprise a reviewing court of the basis for the neutral's decision. If the neutral fails to do so either party may request in writing within thirty (30) days of the issuance of the decision that the neutral render such findings.

Section 9. Evidence and Procedures Applicable to All Hearings

- A. Hearings need not be conducted according to technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs.
- B. Hearsay evidence shall be admitted and may be used for the purposes of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support disciplinary action as defined in Section 1.a. herein, unless it is the type of hearsay admissible over objection in a civil action. The rules of privilege shall apply to the same extent to which they are recognized in civil actions.
- C. Irrelevant and unduly repetitious evidence shall be excluded.
- D. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In addition, communications between Human Resources Department employees, non-attorney advocates, Management or employees of County departments involved in an arbitration, and communications between the union representative and the employee who is the subject of a personnel action shall be confidential and not subject to disclosure in a personnel hearing.
- E. Oral evidence shall be taken only on oath or affirmation. Any written statements, declarations, or affidavits admitted as evidence shall be made or sworn under penalty of perjury.
- F. Employees not testifying in their behalf may be called and examined as on cross-examination.
- G. The employee and the Department Head shall have these rights:
1. To call and examine witnesses;
 2. To introduce exhibits;
 3. To cross-examine opposing witnesses on any matter relevant to the issue, even though the matter was not covered in the direct examination;
 4. To impeach any witness regardless of which party first called the witness to testify; and
 5. To rebut any derogatory evidence.
- H. The hearing shall be a private proceeding among the County, the employee and the employee organization.
- I. The intention of the parties is that appeals or arbitration hearings be adjudicated as efficiently and economically as possible. Historically the parties have found that the use of legal counsel in the appeal/arbitration process can result in excessive delays,

longer hearings, and increased costs. The parties to an appeal hearing or an arbitration hearing hereby commit to instructing their legal counsel to conform to the intention of this Memorandum, and to take all necessary steps to expedite the appeal/arbitration hearing and minimize the cost of the hearing.

In cases involving hearings in excess of three (3) days the parties must engage in a case management process with the neutral. The case management meeting must be held at least thirty (30) days prior to the first scheduled date for the hearing and may be held telephonically. The neutral shall consider:

- (a) the simplification of the issues,
- (b) the possibility of obtaining admissions which might facilitate the hearing,
- (c) the quantum of damages, in the appropriate case,
- (d) any preliminary application by either party,
- (e) any other matters that may aid in the disposition of the action or the attainment of justice.

At the case management conference the neutral may, whether or not on the application of a party, order that:

- (a) a party file and deliver, within a fixed time, to each other party as specified by the neutral, any relevant documents,
- (b) any preliminary applications be brought within a fixed time or by a specified date,
- (c) a statement of agreed facts be filed within a fixed time or by a specified date,
- (d) a party deliver a written summary of the proposed evidence of a witness within a fixed time or by a specified date,
- (e) experts who have been retained by the parties confer, on a without prejudice basis, to determine those matters on which they agree and to identify those matters on which they do not agree,
- (f) the hearing be adjourned,

and, on making an order the neutral may give other directions that he/she thinks just or necessary.

If the neutral, upon application by either party to the appeal hearing, determines that legal counsel for the other party has unnecessarily prolonged the hearing and/or

increased the cost of the hearing beyond the reasonable expectations of the parties at the commencement of the hearing then the neutral is authorized to impose sanctions on the offending party including, but not limited to, ordering such offending party to pay all or part of the non-offending party's increased costs of the hearing, to pay all or part of the non-offending party's attorney fees, to pay all or part of the non-offending party's cost of the neutral, to pay all or part of the non-offending party's costs of the transcripts, or such other relief that the neutral deems appropriate in the circumstances.

Reasonable access to work areas by representatives of qualified employee organizations shall be in accordance with Section 19 of the Employee Relations Resolution. The grievant and one representative are entitled to be released from work for a reasonable period of time in order to present the grievance. No person hearing a grievance petition need recognize more than one representative for grievant unless, in the opinion of the person hearing the petition, the complexity of the grievance requires more than one (1) representative in order to fully and adequately present the matter.

Section 5. Grievance Petition Form. All grievances shall be submitted to the Human Resources Department on the form prescribed by the Human Resources Director. No grievance petition shall be accepted for processing until the form is complete. Such grievance shall set forth the specific section(s) of the MOU violated as provided under Article 13, Section 2.

Any grievance petition not carried to the next step by the grievant within the prescribed time limits, or such extension which may be agreed to, shall be deemed resolved upon the basis of the previous disposition.

Section 11. Resubmission. Upon consent of the person hearing the grievance petition and the grievant, a petition may be resubmitted to a lower step in the grievance procedure for reconsideration.

Should either party to this agreement determine that it is necessary to amend its argument at Step 1 or Step 2 of the grievance procedure, the grievance petition shall be remanded back for consideration at the previous step of the procedure. In the event such action occurs, the timelines set forth under Sections 13 (B) and (C) shall apply.

Section 13. Grievance Resolution. With respect to whether issues are grievable, the County and SEIU agree to utilize a third party neutral (hereinafter referred to as a neutral) agreed to by the parties to settle questions of grievability and comply with his/her decisions on grievability. Both parties will abide by the neutral's decision.

The County agrees to cite specific reasons, including any applicable Articles or Sections of the MOU, or specific provisions or other procedures, that constitute the County's rationale for rejection of the grievance. The Union, by this agreement, does not waive any of its rights to file grievances, unfair practice charges or other means to enforce the MOU in the future. The parties agree to meet in an attempt to resolve any future denials upon the request of the Union.

Section 14. Steps. The following procedure shall be followed by an employee submitting a grievance petition:

A. Discussion with Supervisor. Prior to filing a written grievance petition, the employee shall, within ten working days from the date of the event leading to the

grievance, discuss the matter with his/her immediate supervisor. The supervisor shall give a prompt response where it is possible to do so. The employee and the supervisor are each entitled to the presence of a silent observer to the employee-supervisor discussion. An observer that interrupts or participates in the discussion may be excluded from the discussion by either the employee or the supervisor.

B. Step 1. In the event the matter is not resolved as a result of the discussion described in (A.) above, the employee shall, within fifteen (15) working days after the discussion with his/her supervisor, submit the grievance petition to the Human Resources Department. The Human Resources Department shall forward the petition to the grievant's department head. Within fifteen (15) working days after submission of the petition, the department head, or a designee shall meet with the grievant and the grievant's representative, if any. The Human Resources Director, or a designee, shall meet with the grievant and the grievant's representative, if any, within ten (10) working days of the submission of the request for review. No later than ten (10) working days thereafter, the Human Resources Director, or a designee, shall render a written decision.

D. Step 3. Failing to resolve the grievance at Step 2, the grievant shall submit a written request for arbitration to the Human Resources Director, or designee, within ten (10) working days following the date the Human Resources Director, or designee, renders a decision.

E. The grievance shall thereafter be subject to advisory arbitration and decision by the Board of Supervisors in the manner prescribed herein. The Board of Supervisors shall either accept or reject the neutral's decision, or accept part of the decision and reject the rest, without further testimony from either party. If the Board rejects all or part of the neutral's decision, the Board shall state its reasons for rejection. The decision of the Board of Supervisors shall be final. Unless mutually agreed, proceedings conducted at any step of the grievance procedure shall be private except the proceedings before the Board of Supervisors.

Section 15. Advisory Arbitration

A. After submission of a request for review, SEIU and the Human Resources Director, or designee, shall attempt to agree on a neutral.

B. The parties shall maintain a jointly negotiated list of up to eleven (11) neutrals who shall be selected by the striking method. The only remaining name after the striking process shall serve as the neutral. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. The list shall contain no

fewer than seven (7) or more than eleven (11) names. If the neutral chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the neutral.

C. If either party wishes to have a transcript of the arbitration proceedings, the requesting party will be solely responsible for all costs associated with the transcript. If both parties request a transcript the cost will be shared equally.

D. The expenses of the neutral, if any, shall be shared equally by the parties. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the arbitration hearing. Such arrangements shall be made through the Human Resources Director, or designee, with the employee's department head at least two (2) working days in advance of the hearing date.

E. Prior to the arbitration hearing, the grievant and the Human Resources Director, or designee, shall meet and attempt to prepare a joint statement of the issues which describes the existing controversy to be heard by the neutral. If the parties are unable to agree on a joint statement, each shall prepare a separate statement of issues.

The neutral shall not decide any issue not within the statement of the issues submitted by the parties. This includes issues which have not been raised and considered at an earlier step of the grievance procedure.

F. If the neutral sustains the grievance, a remedy shall be fashioned that does not conflict with the provisions contained in this MOU.

G. Arbitration proceedings shall be conducted pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association, unless the parties agree that the proceedings may be conducted pursuant to the Expedited Labor Arbitration Rules of the American Arbitration Association.

H. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In the event of substantial doubt whether the disability is compensable pursuant to Section 4850 of the Labor Code, payment of salary shall be withheld, except as to so much thereof as shall be equal to the value of accrued sick leave, vacation and compensatory time off for overtime, until the issue shall be adjudicated.

An employee may be laid off out of seniority when a less senior employee possesses essential skills necessary to the operation of the department, subject to the approval of the Human Resources Director. Employees laid off out of seniority shall be given written notice of this action.

D. After consultation with the Human Resources Director or a designee, the department head shall give notice to each regular employee affected by a reduction in force and to the recognized employee organization that represents the affected employee's representation unit, at least fourteen (14) days prior to the effective date of the action. The list given to the employee organization shall include a seniority list of the affected classes showing previously held positions. A list containing the names of the employees to be laid off shall at the same time be given to the Human Resources Director. If an employee who has received official notice of layoff has previously held regular status in another job classification within the department, and was not removed there from for disciplinary reasons, such employee shall, upon request, be given a transfer or demotion within the department to such other classification in lieu of layoff unless such action cannot be accomplished without authorization of another position or displacement of an employee with greater seniority. The affected employee must request such transfer or demotion within seven (7) days of written notification of layoff by personal delivery or mailing of a certified letter.

Regular employees who elect to demote under this provision shall be placed on the step nearest their present salary within the range of the class to which they are demoting provided such step shall not exceed present salary.

Thereafter, the employee can be sent home with loss of pay as a result of a violation of this Article.

Dress codes and uniform allowances that were in effect as of July 1, 2009, shall continue in effect for the term of this MOU unless otherwise negotiated.

During the term of this MOU, the parties agree to meet and confer in good faith pursuant to Government Code 3500 et. seq. on proposed dress codes and uniform allowances for County departments where no such codes or allowances currently exist or for County departments seeking to modify existing codes or allowances.

Section 2. VETERAN'S SERVICES POLICY & PROCEDURES DRESS CODE

A. Purpose Our department is here to serve veterans, their dependents and survivors. While we realize we cannot meet all needs or obtain all benefits sought, we owe it to our clients to provide courteous, competent and compassionate assistance at all times. In short, we care for these people because they're special and they need our help.

One way we communicate our attitude towards our clients and to others is by the way we dress and our general personal appearance. Understand that it is quite possible to compromise concern and good intentions in the mind of the object of that concern is our dress and demeanor is perceived as being unprofessional, unkempt, overly-casual, slovenly, or in relative bad taste based on acceptable professional and community standards. The key is how we are perceived by our clients; the standard is how professionals with whom our clients have done business - lawyers, doctors, morticians, VA personnel, insurance agents, realtors, teachers, other government service providers - dress and comport themselves.

If the standard for our dress and comportment is to be what our clients expect or feel comfortable with, let us realize that our clients cover the social spectrum, from bereaved widows of retirees to homeless veterans with post-traumatic stress disorder to young home buyers to war orphans. If there is a common denominator it is that they all look to us as professional service providers. Our appearance, therefore, must meet their most demanding standards while not distancing the occasional, more relaxed expectation.

Management is responsible for employee behavior and performance. Accordingly, management, by example, leadership skills and exhortation will set the tone for department appearance.

B. Policy The following general guidelines will apply at all times:

1. Dress and grooming must conform with acceptable professional community standards and be consistent with the highest expectations of the most exacting clients;
2. Dress and grooming will, at all times, be modest, professional, non-provocative and appropriate enough so as not to offend or overly arouse clients or co-workers.
3. Work clothes should not restrict but should allow the worker to perform all tasks within their job specifications.
4. Apparel should be clean and in good repair, buttons buttoned, zippers zipped, shirt-tails tucked in.

C. Enforcement The Director will counsel anyone whose dress and general personal appearance does not reflect the spirit of these guidelines. Unacceptable violations will not be tolerated, and the violator may be requested to return home on their time to change into more appropriate attire.

Section 3. COMMUNITY HEALTH AGENCY / RCRMC DRESS CODE

A. PURPOSE: In keeping with the high standards that have been established within the Community Health Agency ("CHA") and Riverside County Regional Medical Center ("RCRMC") this dress code is intended to specify acceptable practices that support a high standard of excellence.

B. POLICY The appearance of all employees is important to the total operation and effectiveness of CHA and RCRMC. The general public, visitors and patients' perception of CHA and RCRMC is influenced in part by the appearance of staff as well as the level of courtesy, professionalism and compassion they receive.

Dress and appearance are key ingredients of the service delivery component of our continuous quality improvement process. A well-groomed and professional appearance helps create favorable impressions, whereas appearance that distracts our patients, visitors, or fellow employees does not reflect the type of impression that is appropriate to the Agency/Hospital environment.

In keeping with the health service nature of our agency/department and in compliance with current rules, regulations and legislation, standards of personal appearance and apparel have been established. These guidelines have been established to promote good service to patients, reduce the chance of cross infection and promote good public relations. The Dress Code is not intended to infringe upon the personal rights of employees but to offer them guidelines and standards to follow.

It is not possible to cover every conceivable question of dress and grooming in a written policy. The best and most effective control has to come from each employee's good judgment of what is best for our obligations to patient care and the public we serve.

There may be differences in some departments' or division's dress codes, depending upon the work environment, nature of work performed, and involvement in patient care activities or required uniform. These differences are not intended to conflict with, but are in addition to, this general policy.

For reimbursement of personal items, refer to Reimbursement Policy C-5.

- h. Shorts Permission to wear shorts shall be based upon risk/liability, safety, and work location/assignment.

Shorts must be in compliance with the Department/Division Managers' Guidelines. Shorts should be of a solid color, no more than 2" above the knee.

Violations will not be tolerated and the violator(s) may be requested to return home to change into more appropriate attire. For the first occurrence, employees will be permitted an hour on "company" time to return home, change and return to work. Time in excess of one (1) hour will be on the employee's own time. If an employee has no time to cover the time in excess of one (1) hour, or has been previously counseled for taking longer than the allotted time, they may be subject to absent time without pay.

Failure to comply with Dress Code provisions as outlined will result in the implementation of progressive disciplinary measures.

Section 4. REGISTRAR OF VOTERS DRESS CODE

A. PURPOSE. In keeping with the high standards that have been established in Registrar of Voters, this dress code is intended to specify acceptable practices that support a high standard of excellence.

One way to communicate our attitude toward those we serve is by the way we dress and our general appearance. Understand that it is quite possible to compromise the department's image as a service provider if our dress and demeanor are perceived as being unprofessional, unkempt, overly casual, slovenly, or in relatively bad taste based on acceptable professional and community standards. The key is how we are perceived by those we serve; the standard is how professionals in the local community have done business, how they dress, and how they comport themselves. The appearance of all employees is important to the total operation and effectiveness of the department. A well-groomed and professional appearance promotes public confidence in those who serve them. In keeping with service nature of Registrar of Voters, standards of personal appearance and apparel have been determined. These guidelines have been established to promote security, professionalism, good public relations, and not for the purpose of infringing upon the personal rights of employees.

Dress and appearance are essential ingredients to the service delivery component of our overall service to the public. A well groomed and professional appearance helps create favorable impressions.

B. Policy. The objective is to communicate a professional attitude by both dress and general appearance. The appearance of all employees is important to the total operation and effectiveness of RCIT. A well-groomed and professional appearance promotes customer and public confidence. Staff will compromise their image if customers perceive their dress and demeanor as unprofessional, unkempt, overly casual, slovenly, or in bad taste based on acceptable professional and community standards. These standards are based on how professionals in the local community carry out their business, how they dress, and how they conduct themselves.

public or customer departments dictates otherwise.

F. Safety Equipment. Any employee working in an area where wearing safety equipment is a requirement shall use the safety equipment per the guidelines of those standards. This included warehouse workers, field technicians, or technical support personnel.

Some RCIT environments require wearing safety equipment such as safety boots, hard hats, safety glasses, reflective clothing, and gloves. Sweatshirts without logos, emblems, or advertisements are acceptable in the appropriate work environment (i.e. field work). employees will be permitted one (1) hour on "company" time to return home, change and return to work. Time in excess of one (1) hour will be on their own time. If an employee has no time to cover the time in excess of one (1) hour, or has been previously counseled for dress code violations, they will be subject to absent without pay time.

Employees covered under the terms of this MOU who are assigned to the Fire Department shall be required to comply with the provisions of the Fire Department's Uniform Specifications, Acquisition and Grooming Standards.

A uniform consists of specific outer garments which the employee is required to wear exclusively while carrying out the duties and responsibilities of a position. A uniform further includes items that serve to identify the person, agency, function performed, rank or time in service.

Employees must begin each workday clean and neat and attired in the properly fitting prescribed uniforms. Employees will use prudence in wearing repaired uniform garments. Uniform items with visible areas of wear or disrepair, which detract from the employee's appearance, will not be worn. The allowance will be issued from County Fire Finance based on each employee's anniversary date and completed annually thereafter (based on a rolling calendar year). It is the employee's responsibility to request the allowance through their supervisor.

Once approval is received, the employee will then obtain new article(s) of clothing from the contract vendor. It is the employee's responsibility to expend no more than the maximum uniform allowance inclusive of all taxes and/or alterations. Any amount over the maximum is the employee's responsibility to pay the vendor. Any remaining allowance does not roll into the following year of anniversary date.

The uniform allowance will be tracked by County Fire Finance per each employee's anniversary date to ensure that the annual uniform allowance is not exceeded per employee. No uniform vouchers will be issued prior to the anniversary date.

- B. Definition of catastrophic illness or injury.

Catastrophic illness or injury is a severe illness or injury which is expected to completely and totally incapacitate the employee for at least two (2) weeks and which creates a financial hardship because the employee has exhausted all accumulated leave at the time the application is submitted. Catastrophic illness or injury is further defined as a debilitating illness or injury of an immediate family member (i.e., the spouse, registered domestic partner, son, daughter, step-son, step-daughter, foster-son, foster-daughter, child of registered domestic partner, parents, grandparents, brother or sister of the employee or any other person living in the immediate household of the employee) that results in the employee being required to take time off from work for at least two (2) weeks to care for the family member creating a financial hardship because the employee has exhausted all accumulated leave at the time the application is submitted.

C. Conditions and procedures under which a Time-Bank for catastrophic illness/injury may be established.

1. Only the department head, upon concurrence from the Human Resources Director, may request establishment of a Time-Bank for an employee within the department who is suffering a financial hardship due to a catastrophic illness or injury.
2. When the department head has determined that an employee would benefit from the establishment of a Time-Bank, the department head will contact the employee to determine if the employee desires to participate in a Time-Bank program. If the employee desires to participate in the Time-Bank program, the department head will contact the Human Resources Department and recommend the establishment of the program.
3. The Time-Bank will be established on behalf of an individual employee. The bank will accept donations of leave from one (1) or more donors.
4. The Time-Bank will be operated by the Human Resources Department. The department head will take actions to help ensure that individual employee decisions to donate or not donate to a Time-Bank are kept confidential and that employees are not pressured to participate.

4. An employee may not donate leave hours which would reduce their accrued leave balances of vacation, holiday accrual, compensatory time, sick leave, or administrative leave to less than one hundred sixty-eight (168) hours.

5. Donated leave shall be charged to its cash value and then credited to the recipient in equivalent hours at the recipient's base hourly rate of vacation or administrative leave.

The parties agree that the obligations herein are a condition of continued employment for all unit members. The parties further agree that the failure of any unit member to remain a member in good standing of SEIU or pay the equivalent of SEIU dues during the term of this MOU shall constitute, generally, just and reasonable cause for termination. The County shall not be obligated to put into effect any new, changed or discontinued deduction until the pay period commencing fifteen (15) work days or more after such submission.

No unit member shall be required to join SEIU or to make an agency fee payment; if the unit member is an actual verified member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting employee organizations; this exemption shall not be granted unless and until such unit member has verified the specific circumstances. Such employee must, instead, arrange with SEIU to satisfy their obligation by donating the equivalent amount

to a non-labor, non-religion charitable fund, tax exempt under Section 501(c)(3) of the Internal Revenue Code (IRC), chosen by the employee.

Whenever a unit member shall be delinquent in the payment of dues or fees, SEIU shall give the unit member written notice thereof and fifteen (15) days to cure the delinquency; a copy of said notice shall be forwarded to the Human Resources Director, or designee. In the event the unit member fails to cure said delinquency, SEIU shall request, in writing, that the County initiate termination proceedings. The termination proceedings shall be governed by applicable State laws.

The County shall not deduct monies specifically earmarked for a Political Action Committee or other political activities unless such deduction is affirmatively, separately and specifically authorized in writing by the unit member.

SEIU shall keep an adequate itemized record of its financial transactions and shall make available annually to the County and, upon request to the employees who are members within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its President and Treasurer or corresponding principle officer, or by a Certified Public Accountant. A copy of financial reports required under the Labor-Management Disclosure Act of 1959 or Government Code Section 3546.5 shall satisfy this requirement.

This organizational security agreement shall be null and void if rescinded by a vote of employees affected in the unit pursuant to Government Code Section 3502.5(b).

SEIU will defend, indemnify and hold harmless the County of Riverside from any loss, liability or cause of action arising out of the operation of this article.

SEIU's indemnity obligation is more fully set forth as follows: SEIU will defend, indemnify and hold harmless the County of Riverside from any loss, liability or cause of action arising out of the operation of this article. Upon commencement of any such legal action, SEIU shall have the right to decide and determine whether any claim, liability, suit or judgment made or brought against the County because of such action shall or shall not be compromised, resisted, defended, tried or appealed. Any such decision on the part of SEIU shall not diminish SEIU's indemnification obligations under this MOU.

The County, immediately upon receipt of notice of such legal action, shall inform SEIU of such action, provide SEIU with all information, documents, and assistance necessary for SEIU's defense or settlement of such action and fully cooperate with SEIU in providing all necessary witnesses, experts and assistance necessary for said defense.

SEIU upon its compromise or settlement of such action shall immediately pay the parties for such action all sums due under such settlement or compromise. SEIU, upon

final order and judgment of a Court of competent jurisdiction awarding damages to any employee of the County, shall immediately pay to such employee all sums owing under such order and judgment.

Effective January 1, 2005, all SEIU represented employees, including those hired prior to July 3, 1986, must join the Union or become "fair share" (fee) payers.

ARTICLE 24
MAINTENANCE OF MEMBERSHIP
(Supervisory Unit Only)

Employees in the Supervisory representation unit who are members of SEIU on June 29, 1989, shall remain members during the period covered by this MOU. Such employees may withdraw during the month of April of any year as described below.

Any employee desiring to revoke their authorization for dues shall forward a letter by United States Mail or in person to SEIU, setting forth his/her desire to remove said authorization and may include reasons thereof. To be considered, a letter shall be received by SEIU on or after April 1st, but no later than the last working day of April. SEIU shall promptly forward a stop deduction to County payroll in the manner provided by the County.

Failure to timely notify SEIU as described above shall be deemed abandonment of the right to revocation until the next appropriate time period.

Hold Harmless. SEIU shall indemnify and hold the County harmless from any and all claims, demands, suits or any other action arising from these maintenance of membership provisions.

ARTICLE 25
SEIU PENSION

Subject to meeting the conditions set forth below, the County shall make a biweekly contribution to the SEIU National Industry Pension Fund equal to ten cents (\$0.10) per hour for all hours worked on behalf of those Regular employees covered under the provisions of this agreement. The County agrees to be bound by and comply with the Appendix to the Collective Bargaining Agreement between SEIU Local 721 and the County of Riverside to which it is signatory, and any amendments thereto; provided, however, that SEIU, Local 721, the Fund, and all members, agents, employees, representatives or other parties empowered to act on their behalf shall indemnify and hold the County harmless from any and all liability, including costs of suits and reasonable attorney fees, arising from the implementation and continued operation of this Article.
Conditions:

1. SEIU must provide a copy of the IRS approval letter of the SEIU defined benefit plan (including the approval number) to the County.

2. SEIU agrees to perform all necessary calculations for each SEIU represented employee, at the time of his/her retirement, to assure that the retiring employee's combined PERS and SEIU retirement benefit does exceed one hundred percent (100%) of the County salary received by him/her prior to retirement. In the event such combined salary exceeds this one hundred percent (100%) limit, SEIU agrees to reduce the SEIU retirement benefit for the affected employee to a level that will assure that the one hundred percent (100%) requirement is met.

3. Inasmuch as the SEIU Defined Benefit Plan is administered by SEIU and not the County of Riverside, the County must receive a written statement from PERS, prior to the implementation of the Plan, stating that, for PERS purposes, the implementation of the SEIU plan is both legal and consistent with PERS regulations.

4. SEIU assumes responsibility for all necessary reporting to the appropriate State and Federal agencies.

5. In the event SEIU is unable to comply with all of the conditions set forth above, the ten cents (\$0.10) per hour negotiated by the parties will be applied to a County sponsored 401(a) plan.

6. SEIU agrees that the County may use some or all of the Short Term Disability Fund (less appropriate reserves) during the term of this agreement to fund this increase.

ARTICLE 26
SEPARABILITY

It is understood and agreed that this Memorandum of Understanding is subject to all present and future applicable Federal and State laws and regulations and the provisions hereof shall be effective and implemented only to the extent permitted by such laws and regulations. If any part of this MOU is in conflict or inconsistent with such applicable provisions of Federal or State laws or regulations, such part or provision shall be suspended and superseded by such applicable laws and regulations and the remainder of this MOU shall not be affected thereby and shall remain in full force and effect.

UNION RIGHTS

Section 1. Bulletin Boards: Space will be made available to SEIU on a reasonable number of departmental bulletin boards designated for such purpose, provided such use is reasonable. Notices shall be dated and signed by a SEIU representative. The

privilege does not extend to the individual members of SEIU. The posting and removal of bulletin board material must be maintained in a timely fashion. The County, through the Human Resources Director, or designee, reserves the right to suspend or cancel bulletin board privileges for abuse.

The Union shall also be provided, upon request, a meeting room at all work locations, to conduct meetings with represented employees before and after work and during lunch periods (non-working time). Where facilities like RCRM exist and make impracticable the ability of employees on other floors to be able to attend a meeting due to limited lunch breaks, the County agrees to make every effort to provide additional meeting rooms to address this issue. All meetings will be scheduled through Human Resources, and, at the time the request is made the request will be granted, provided that the meeting room requested has not been previously scheduled.

Section 5. Consensus: The existing County Charter consensus provision of the County Labor/Management Committee shall be applicable to the SEIU bargaining unit specific Labor/Management Committee.

Section 6. Education and Training Release Time: Effective January 1, 2003, County agrees to release SEIU represented employees for Union related education and training activities not to exceed an aggregate total of twenty (20) minutes per represented employee per calendar year (Cost \$39,922). Time spent training Stewards in the grievance procedure through the providing of release time to prepare for grievances/administrative interviews and Skelly hearings, will be charged to this Article/Section. The parties agree that up to fifty percent (50%) of this bank may be used for Steward activities.

Section 7. Stewards: Except as set out below, SEIU may elect or appoint one (1) Steward in each County Department, one (1) additional Steward in departments with more than 200 SEIU members, and one (1) additional Steward in departments with more than 500 SEIU members in more than ten (10) geographical locations.

At RCRM SEIU may elect or appoint five (5) stewards as follows: two (2) at the main campus, one (1) at the Arlington Campus, and two (2) at Detention Health. At DPSS SEIU may elect or appoint eight (8) stewards as follows: three (3) in south County, three (3) in mid-County, and two (2) in the desert.

[To avoid any conflict of interest, any Steward elected or appointed from the supervisory unit shall be limited to representing employees in the supervisory unit.] The Stewards are recognized as representatives of SEIU in their department with the power to bind SEIU in all matters pertaining to this MOU. SEIU agrees to notify the County

Human Resources Department in writing of the names of its Stewards and the effective dates of their election or appointment.

There shall be no union activity on County time or premises except as provided for in this MOU. A Steward is permitted to represent SEIU in grievances, administrative interviews, or Skelly hearings, consistent with the representational rights granted by the Meyers-Millas-Brown Act. Stewards shall not be permitted to request preparation time pursuant to this Article. A Steward will not absent him/herself from his/her work without first obtaining the permission of the Department. To obtain permission the Steward shall identify (i) the specific reason for requesting permission, (ii) the employee(s) to be represented, and (iii) the general issue involved. SEIU agrees that the provision of County services is not to be negatively affected by any Steward activity permitted by this Article. Subject to the foregoing, the County will not unreasonably withhold permission.

Except as outlined above, the Steward will not be paid his/her regular wages while conducting steward business but will be permitted to use accumulated vacation and/or compensatory time, provided the use of such time does not result in the payment of overtime during the workweek in question. County will not pay for, nor shall the Steward be entitled to make any claim for, time spent on steward business during the Steward's non-regular working hours or for time spent on other union matters including, but not limited to, Labor-Management meetings, arbitration, PERB hearings, court, depositions, negotiations, union conferences or training.

The Steward program is introduced on a trial basis and will terminate at midnight, December 31, 2005. Any continuation of the program thereafter will require the express agreement of the parties.

Section 8. New Employee Orientation: SEIU will be allowed to participate and present during new employee orientation.

Section 9. SEIU Training Fund: Effective July 1, 2004, the County will contribute one cent (\$0.01) per hour, for employees covered under the provisions of this Memorandum of Understanding, for all regular hours compensated, to be allocated to the SEIU, Local 1997 Training Fund.

County and SEIU agree to look at training opportunities and funding for employees and families in labor-management meetings.

ARTICLE 33
Children's Services Division Command Post (CP) Operations

Section 1. Work Week

and the report is due prior to the commencement of the next regularly scheduled work shift, then the employee shall request and obtain permission from his/her supervisor to complete the report on non-scheduled time. Payment for such non-scheduled time shall be made in accordance with the MOU or any amendments thereto.

6. Assignment to Command Post. Assignments to and removal from the Command Post will be made at the discretion of the Department Head or his/her designee. Such decisions are not subject to either the grievance or disciplinary appeal procedures in the MOU and cannot be made or interpreted as disciplinary action. Employees assigned to the Command Post may also request reassignment from the Command Post in accordance with the department's normal procedures. Reassignment will be made as quickly as possible following receipt of the request from the employee.

7. Employees shall be given an opportunity to express their interest in an assignment to the Command Post and the department will maintain a list of interested employees and attempt to staff the Command Post from the list of interested employees. If an insufficient number of employees signify interest in the Command Post, or if the employees on the list do not meet the staffing requirements of the department, the department reserves the right to assign employees to the Command Post to ensure full and appropriate staffing levels.

8. The County reserves the right to amend or revise the rules described herein with respect to the Command Post to create a more effective Command Post model and/or discontinue the Command Post program, subject to any meet and confer obligations with SEIU regarding the effects of such decisions. Notice for changes to the shift patterns of the Command Post will be provided prior to the implementation of any change according to the work schedule requirements of this MOU.

Any Children's Social Services Worker and Children's Social Services Supervisor assigned to the Blythe, California office of the Department of Public Social Services who performs on-call duty in the circumstances outlined below shall be paid in accordance with the following schedule for all hours that they are on-call. Upon being called out this hourly rate will cease and they will be paid in accordance with the MOU, this hourly rate will resume at the completion of their call-out until the completion of their on-call duty. For all such employees, notwithstanding any prior work practice to the contrary, said compensation shall cease when the employee ends their mandatory on-call shift.

Children's Social Services Worker III	\$7.75 per hour
Children's Social Services Worker IV	\$8.00 per hour
Children's Social Services Worker V	\$8.40 per hour
Children's Social Services Supervisor I	\$8.80 per hour

A. Command Post Schedules. A Command Post provides off hours emergency response services by Children Social Services Workers and Supervisors. The department shall regularly review the Command Post to ensure that it is providing a quality, cost effective solution to the off duty hours emergency response needs of the County. The department reserves the right to determine the work assignments for Command Post staff. However, the general focus of the Command Post is after-hours emergency response for the purpose of reducing the burden of on call duty for other departmental staff. The following conditions apply to all employees that are assigned to the Command Post:

1. Employees not working the third or weekend shifts shall be scheduled for forty (40) straight time hours as follows:

a. Regular Shift: Monday to Thursday from 3:00 p.m. until 1:00 a.m.

b. On-Call Duty: Four (4) on-call duty shifts of six and one half hours each week. Generally employees will be scheduled for on-call duty shifts Monday to Thursday from 1:00 a.m. until 7:30 a.m. the following morning. However, the four (4) weekly on-call duty shifts may be scheduled on other days or times during the week to meet departmental staffing needs.

2. Third Shift. Employees assigned to the Command Post third shift will be assigned a 4/10 work schedule, Monday through Thursday, the hours of which will be determined by the department.

a. Employees assigned to the Command Post third shift shall receive a meal allowance of ten dollars (\$10.00) for each shift actually worked.

3. Weekend Shift. Employees assigned to the Command Post weekend shift will be assigned a 3/12 work schedule, Friday through Sunday, the hours of which will be determined by the department, plus a floating four (4) hour shift each week, Monday through Thursday, at a time to be determined between the employee and his/her supervisor.

a. Employees assigned to the Command Post weekend overnight shift shall receive a meal allowance of ten dollars (\$10.00) for each shift actually worked.

4. The alternative shift configuration for the Command Post may be changed at the discretion of the department to meet staffing needs including, but not limited to, the configuration of the hours of work, the start and stop times for the regular shifts, and the days of work during the week according to the provisions of Section 1(B) of this Article.

5. Completing Court Reports. Any employee in the Command Post who is required to complete a court report as the result of an emergency response shall complete the court report, immediately following the emergency response or during the next regularly schedule work shift. If it is not possible to complete the court report immediately following the emergency response,

Children's Social Services Supervisor II \$9.55 per hour

The enhanced on-call rate is payable only to those employees who are placed by the department in mandatory on-call status as part of a regular rotation of such mandatory on-call assignments in the Blythe office and shall end when the employee reports to work. It is not payable for *ad hoc* on-call assignments or for voluntary on-call assignments. In those cases the usual on-call rate of one (1) hour pay for every four (4) hours of on-call work will continue to apply.

The enhanced on-call rate shall become effective in the first full pay period following the date on which the necessary adjustments to the payroll system are made to accommodate this new on-call rate. SEIU will be notified of the effective date in advance of implementation.

B. Shift Differentials.

3. Command Post Evening Shift Differentials. All employees assigned to the Command Post, who otherwise qualify, shall be paid an additional \$0.60 per hour evening shift differential (for a total of one dollar twenty cents (\$1.20) per hour) for all hours actually worked between 3:00 p.m. and 11:00 p.m. Employees assigned to the Command Post shall be paid an additional thirty cents (\$0.30) per hour night shift differential (for a total of one dollar fifty cents (\$1.50) per hour) for all qualifying hours actually worked after 11:00 p.m. to 7:30 a.m.

All employees assigned to the Command Post during regular day shift hours (10:00 a.m. - 8:00 p.m.) who otherwise qualify, shall receive one dollar (\$1.00) per hour for all hours actually worked after 3:00 p.m.

Section 3. Retention Bonus.

Employees shall receive a retention bonus under the following conditions:

A. Command Post. All employees assigned to the Command Post shall receive a quarterly retention bonus of one thousand fifty (\$1,050.00) dollars. To qualify for the quarterly bonus an employee assigned to the Command Post must work at least seventy-five (75%) percent of their regularly scheduled daily shifts during the fiscal quarter. The employee must complete their entire shift to be counted toward the seventy-five percent (75%). The retention bonus will be prorated during the first and last fiscal quarter the employee is assigned to the Command Post, assuming the employee works seventy-five (75%) percent of their regularly scheduled shifts during these quarters.

Section 4. FLSA Exemption

The County, with limited exceptions, pays overtime in accordance with the rules established in the Fair Labor Standards Act ("FLSA"); and after reviewing all of the classifications in the bargaining units represented by SEIU to determine which classifications are exempt from the FLSA overtime provisions; the County recognizes that applying the FLSA rules to certain exempt classifications would

result in a recruiting and/or retention problem; therefore,

a. Any employee in the FLSA exempt classifications set out below shall be paid a recruitment/retention premium for all hours actually worked in excess of eighty (80) hours in a pay period. The premium shall be equivalent to one and one-half (1 1/2) times the employee's "base rate". The base rate is calculated at one-fortieth (1/40th) of the employee's regular weekly salary (i.e. does not include any other premiums or differentials),

b. This premium will not apply in the event the employee's FLSA status is changed to non-exempt as a result of a mandatory furlough.

MANDATORY FURLOUGH

Section 1. Scope and Implementation

The mandatory furlough will be effective beginning August 13, 2009, and may be terminated at any time by the County Executive Officer. When implemented, the mandatory furlough is applicable to all bargaining unit employees.

Section 2. Length of Furloughs

SEIU, Local 721 represented members agree to participate in the County's mandatory furlough program in an amount equal to two hundred eight (208) hours per fiscal year (to be taken at the rate of at least nine (9) hours per pay period unless the employee requests to take additional hours within that same pay period). Such increments will be approved by the employee's supervisor and such approval shall not be unreasonably denied. The mandatory furlough shall be scheduled by the department head or designee in accordance with the operational needs of the department. Part-time employees shall furlough on a pro-rata basis.

Section 3. Additional Mandatory Furloughs

In the event the County Executive Officer determines that additional mandatory furloughs, beyond the number of hours or days originally established, are required then the affected employees and SEIU shall be given two pay periods notice of the additional furlough requirements and the reasons therefore, except when the additional furlough requirements are in response to a fiscal emergency that makes the provision of two pay periods notice impossible or impractical (e.g. external funding is cut off).

Section 4. Voluntary Furloughs

Employees will be permitted to take additional voluntary furlough time beyond the mandatory furlough required herein in accordance with Board of Supervisors Policy C-31. As indicated in Policy C-31, supervisors and managers are encouraged to approve these requests unless operational needs preclude them from doing so. However, voluntary furloughs will not be granted if they will result in the need for another employee to work overtime to perform the duties that would otherwise be completed by the furloughed employee or otherwise result in net loss of County revenue.

Section 5. Restrictions

Except as indicated below, no annual leave, vacation, extra vacation, sick leave, overtime, compensatory time off, or other banked leave may be used to offset mandatory furlough time.

Employees may not perform County work while on a mandatory furlough or work additional hours during the workweek in which the mandatory furlough falls to make up for the mandatory furlough time. The mandatory furlough time will not count as hours worked under the *Fair Labor Standards Act (FLSA)* or be counted towards qualification for overtime under the provisions of the MOU. Employees will not be permitted to be in their work areas or to perform their official duties during the period of mandatory furlough. Supervisors may not direct employees to work and employees are not to perform work for the County on their own during the period of mandatory furlough.

Supervisors shall not permit an employee, and employees shall not seek or volunteer to work overtime in a week in which mandatory furlough time is taken. Permitting an employee to earn overtime during a week in which the employee takes mandatory furlough hours would reduce the savings achieved by the mandatory furlough.

If required by the operational needs of the department, the employee's department head or designee may revoke a previously scheduled mandatory furlough and the employee will be rescheduled to take the mandatory furlough at some other time prior to June 30th of the same fiscal year.

Section 6. Retirement

Employees who submit a letter of intent to retire from the County during any fiscal year in which mandatory furloughs have been authorized will still be required to furlough but may use any banked leave, except sick leave, to receive payment for their mandatory furlough hours. None of these leave hours paid for this purpose will be considered in determining eligibility for overtime.

107

Should any employee who submits such notice not retire during the fiscal year identified in the letter of intent then an additional amount of paid leave equal to the amount of paid leave that was used to cover the mandatory furlough during that fiscal year will be deducted from the employee's leave balances at the end of the fiscal year. In the event the employee has insufficient leave to cover this deduction then the amount will be deducted from the employee's leave accruals in the following fiscal year(s) or from the employee's final paycheck should the employee fail to restore the leave balances prior to his/her departure from the County.

Section 7. Holidays

Mandatory furlough hours taken before or after a paid holiday will not affect payment for the holiday unless the employee specifically requests to voluntarily furlough the holiday as well. Additionally an employee, subject to department approval, may take mandatory furlough hours adjacent to other forms of paid leave.

Section 8. Benefits

Employees subject to mandatory furlough will be allowed to maintain the same level of County contributions for flexible credit allowance, as well as continuation of their other employee benefit plans. They will retain their work status for benefit purposes. Mandatory furlough hours will have no effect on the following benefits:

- Flexible benefit allowance
- Medical/dental/vision/life insurance eligibility and coverage
- Rate of differential and premium pay that is included in the compensation base for pension calculation, except to the extent that they are based on the actual number of hours worked. This includes bilingual pay, shift differentials, etc.

Mandatory furlough hours will not cause a break in service or a reduction in employees' service credit for the purposes of seniority, probationary period, or anniversary date/merit salary adjustment.

Mandatory furlough participants who are required to take a block of time off in excess of a full pay period will be protected from losing their service credits and flexible benefit credits for the relevant pay period(s), as well as their leave accrual for the relevant pay period(s). However, employees will need to arrange payment of the normal required employee contributions for benefit plans during the relevant pay period(s).

Section 9. FMLA/CFRA/PDL Leave

Employees on FMLA/CFRA/PDL qualifying leave on a day (or days) they have been scheduled for mandatory furlough will be required to substitute mandatory furlough hours (unpaid leave) for paid leave on that day (or days) during the FMLA/CFRA/PDL leave.

Section 10. Military Leave

Employees on paid military leave will not be scheduled for mandatory furloughs

108

during such leave but will participate in the mandatory furlough at all other times during the fiscal year.

Section 11. Payroll Issues

A special time entry code will be established to capture all mandatory furlough hours taken off, and to facilitate continuation of seniority, health and retirement benefit accruals, contributions, and payments. Employer taxes and withholdings will be calculated based on the actual hours worked and benefits received.

Participation in the mandatory furlough will reduce the employee's immediate take home pay. In scheduling mandatory furlough times the department head or designee should attempt to ensure that employees will continue to receive adequate wages to cover their normal payroll deductions (e.g., tax withholdings, deferred compensation contributions, SEIU dues, life insurance, etc.).

This Tentative Agreement is subject to the ratification of the entire MOU by the SEIU members and the adoption of the Board of Supervisors.
