

2010 Ventura County Negotiations Bargaining Update

Contract Expires September 30: What You Need to Know

Our contract expires on Thursday, September 30 but it will continue to roll over day by day while we are in negotiations. On Monday, September 27, we met with Ventura County management and discussed our proposals and scheduled future negotiation dates.

A strong contract is won beyond the bargaining table. It's won through the tangible and visible support of the membership.

"Join me at the Oct. 6 Contract Action Team meeting. By working together, we can help achieve a stronger contract that benefits everyone."

**Ed Alamillo,
Resource Management Agency/
Technician III**
