# 30th Annual

## *SEIU Local 721 Christmas Toy Drive For Los Angeles County Foster Children*

November 1, 2010 begins our Local 721 Christmas Toy Drive for L.A. County Foster Children. The toy/gift deadline is Friday, December 10, 2010.

The 30th Annual Christmas Toy Drive has become a Tradition with Local 721 staff and membership. We continue to recognize the great need for gift donations to foster children who are in group homes and foster care throughout L.A. County. During this holiday season it is important that we all continue to reach out and put a Smile on the face of children who have very little.

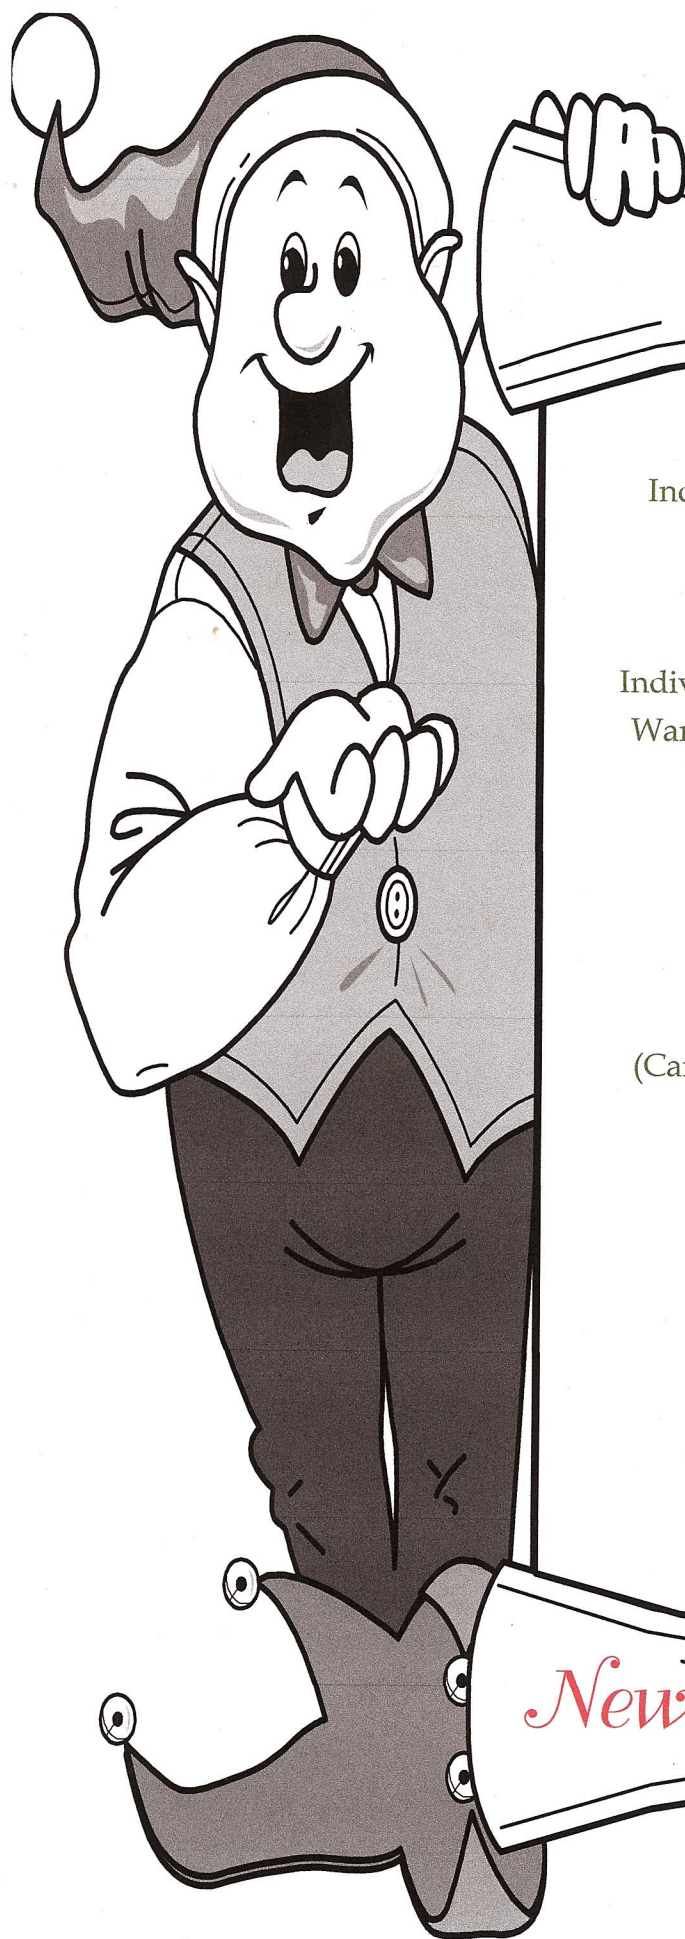

Many worksites will have toy boxes and a Toy Drive Captain. The Toy Drive Captain could be you. Any Local 721 member can volunteer to be a Toy Drive Captain and maybe your heart is telling you that you need to volunteer this year. A Toy Drive Captain is the person who will be asking people to donate new toys, new clothing, or cash donations at your worksite. If you would like to become a Toy Drive Captain, and solicit donations at your work site, please contact your Local 721 Worksite Organizer or Raymond John Campoy III at 213-280-7918.

You may send checks  
payable to Local 721 Toy Drive to:
