

IT'S NEVER TAX

DAY...

for the 1%

Tuesday, April 17th is tax day for the 99%. But for the 1% - corporate tax dodgers like Wells Fargo or General Electric and millionaires like Mitt Romney - it's never tax day.

We can't afford more cuts to our education, health and safety services. **It's time for the richest 1% to pay their fair share.**

Rally for the 99%
