OUR CHOICE: VOTE NOV. 6

Our President

SEIU members have endorsed President Obama for a second term. He's fighting for us and has already accomplished a lot:

- ✓ Healthcare coverage for millions
- ✓ Saved the auto industry
- ✓ Prevented an economic collapse
- ✓ Student loan reform

YES on 30 Tax Millionaires

Our Future

There is nothing more important than our children's future and our communities' safety. Prop. 30 is an investment in both.

- ✓ Prevents \$6 billion in immediate cuts to schools, colleges, and local public safety
- ✓ Raises income taxes on the wealthy; only families earning more than \$500,000 a year would pay higher income taxes
- ✓ Helps balance California's budget

NO on 32 Stop their Power Grab

Our Voice

Prop. 32 is not what it seems. It pretends to be campaign finance reform. In reality:

- ✗ It would make it impossible for working people to have an organized political voice
- ✗ At the same time, it's full of loopholes that would give the wealthy and big corporations even more say over our lives
