

# Stand Up for City Workers

**Mr. Mayor,  
Retirement Security  
Is a Moral Issue.**

Billionaires and millionaires, led by Richard Riordan, are out to eliminate retirement benefits for LA city workers. Mayor Antonio Villaraigosa hasn't spoken out about this scheme to destroy our city and our future. Join us on Thanksgiving Eve to ask the mayor to stand up for city workers.

Don't sign Riordan's petition. Volunteer by calling (877) 721-4968.
