

CALL TO ACTION FOR ALL BARGAINING COMMITTEE MEMBERS, ALL STEWARDS, ALL ACTIVISTS, AND ALL CATTEAMS!

RAISE UP ALL OF LA COUNTY NOW

CONTRACT FIGHT UPDATE

Time to crank up the heat on LA County and you need to be part of the planning! We've been bargaining since March, and the County still hasn't come to the table with a fair deal to alleviate the understaffing or with a strategy to deliver more services to the people we proudly serve.

If the County wants to be the employer of choice, then it must invest in the workers on the frontline delivering County services to our communities.

Our Communities and Members can't wait any longer—it's time to bring the Heat this August!

"It's time to show the County that we mean business! It's time to raise up ALL of LA County!"
