

Honorable Supervisors,

My name is:

I have been a San Bernardino County _____ (classification)
for _____ (years) and I am a member of the SEIU 721 San Bernardino Professional Unit.

When the County imposed wage cuts in 2014 it not only affected us as employees but it severely impacted the public services we provide.

Because of the cuts our department has struggled (describe)

My job is difficult enough, but when we are under-staffed it makes it even harder (describe)

The impact on my family has been and continues to be (describe)

But I am still a public sector worker because (describe)

I call upon the San Bernardino County Board of Supervisors to hear our concerns and seek to restore services that have been impacted by the cuts. We need you to help stop the flow of qualified professionals to other counties. We need to have manageable caseloads so we can continue to serve children, seniors and the most vulnerable in our county.

Investing in your workers is investing in our community.
