YOUR STORIES WERE HEARD!

Today at the Board of Supervisors members shed light on the negative impact of the cuts to their departments, jobs, and their lives. We have their attention, and that was just a sample!

We will be back on March 22nd for Part 2!

Contact Dwane at Dwane.Devoe@seiu721.org or call 213.309.2978 for the letter template and to turn in your letters. Send them in no later than March 11th.
