10/06/2014

Dear Mr. Castillo,

Further to the meeting on 10/3/2014, please find enclosed copies of letter and affidavits submitted to Nursing Department Administration on February 28, 1014 regarding [REDACTED] Nurse Manager. Copies of the enclosed have since been given to DHS Human Resources.

Please note that after this packet was submitted additional individuals working at the LAC-USC requested to sign the letter. We continue to feel this is a very serious situation that requires action in order to ensure safe, competent care for the patients, staff, and visitors of the Medical Center. We believe in order to excel as a major provider of healthcare we need to work together to achieve these goals.

Thank you again for meeting with us and for your attention to this matter.

Sincerely,

[REDACTED]
