### Meet your newly elected 2016 SEIU Local 721 County of Ventura Bargaining Team.

These members are from the Admin Support, Maintenance and Labor, Professional, Social Services, Supervisory,

Technical Units and an At Large member and serve communities across Ventura County.

So far the Bargaining Team has met several times to review the contract and start developing proposals that

also include the larger community. When we keep the interests of the community we serve in mind as we bargain, we make it easier to gain their support. Our wins will be their wins.

Together we can help **Lift Up Ventura County.**

**Ready to get more involved?** Sign up to be a part of the **Contract Action Team (CAT)** and help spread the news to your co-workers.

**For questions or to sign up to be a CAT, contact a bargaining team member or Chief Negotiator Danny Carrillo at [danny.carrillo@seiu721.org](mailto:danny.carrillo@seiu721.org), (805) 901-0799.**
