

Riverside County General Membership Meeting

It's in our hands to champion a contract that guarantees living wages for all, prioritizes the safety and wellbeing of all residents and frontline workers, and restores public services to the highest levels.

We have the power and the resources to Raise Up Riverside County and it falls on us to stay united and engaged in our contract negotiations!

Join your SEIU 721 brothers and sisters in getting up to speed on the latest bargaining negotiations and what you can do to Raise Up Riverside County.
