

# County of Ventura Over One Hundred Strong at the BOS

Nov. 16, 2016

**S**EIU Local 721 County of Ventura members showed up in full force at the Board of Supervisors meeting! We emphasized the connection between a strong Ventura County workforce and a strong Ventura County community! From healthcare and social services to road maintenance and emergency services, when we recruit and retain a high quality workforce, we lift up Ventura County!

**"When you value your employees and the work they do -- then you prioritize recruitment and retention. When you value your community, you invest in your workforce."** said member Angela Maxwell from Ventura County Public Works.

**Members from across the county - Alma Betancourt, Humberto Tello and Jo Hathon - urged the board to invest in our community so we can Lift Up Ventura County!**
