

Healthcare

is a Human Right!

IN 2017, A PRESIDENT AND CONGRESS WHO OPPOSE UNIVERSAL HEALTHCARE WILL BE SWORN IN. We've come too far to let our hard-won healthcare rights slip away. We are calling for all hands on deck to protect our families and communities by standing up for our healthcare rights! From Medicare to Medi-Cal, from Covered California to Health4All, from coverage for those with pre-existing conditions to reproductive freedoms, the Golden State must rise up to protect what we have, and keep moving forward toward the promise of quality, comprehensive, universal healthcare!

**Protect Our Families. Protect Our Communities.
Protect Our Healthcare. Protect Our Rights.**

**Tuesday, November 22 • 11:00 AM
LAC+USC Medical Center
2051 Marengo St., Los Angeles, CA 90033**
