

# SEIU Local 721 - City of Riverside - August 2017

## WALK IN OUR SHOES

**S** EIU 721 City of Riverside members serve the community and often city leaders and even high-level managers don't understand the complexity, pressure and sometimes danger of the work that members do on a daily basis. We need Riverside City management to get a close view of what frontline workers do in the community.

As we work to improve our workplaces and our community, we are doing a **Walk In Our Shoes** for the City of Riverside on **August 29th**. When city leaders get a better sense of what we do in our jobs, then we can work together to help raise up Riverside by improving city services. Sign up to be shadowed!
