

Name	BU	Candidate Statement
Manuel Granillo	122	My name is Manuel Granillo, currently supervising PFSWI at High Desert Regional Health Center. I have participated with the union in areas that relate to benefits for staff members. I have participated as an SME Representing Supervisor PASWI during class spec review with union and management. I would like to represent my fellow staff members during this bargaining period.
Meliza Hernandez	122	I have a track record of producing and I will do it again this bargaining term. I was able to achieve a 5% inequity bonus. I am dedicated, educated and well spoken. Most importantly I ready to fight for members' benefits.
Martin Rascon	122	County workers are some of the most dedicated, reliable, hard working people who truly care for the constituents they serve. We go above and beyond what needs to be done in order to make LA County a world class area to live in and raise a family. Because of the hard work we do, we should be compensated with fair salaries, great benefits, and a livable retirement fund. I would be honored to represent you in this worthy fight to award you for the extraordinary work you do every day.
Wai Ki Tang	122	For 30 years, DPR-Aquatics has never been fairly or adequately represented. I will work to change that for my peers.
