Fernando Anaya	432	Let's win Together!
Arthur Cruz	432	My name is Arthur Cruz. I have been employed by the county of Los Angeles at LAC - USC for 29 years. I have been on the bargaining teams for the last 19 years for blue collar and super blue, bargaining units 431-432. Since I have been on these bargaining teams we have had not takeaways in fringe or in salary. It would be my pleasure to represent my union brothers again.
Maria Gonzalez	432	I am a great leader and feel that I will be able to make the best decisions when it comes down to any issues or concerns that our members may encounter. I'm a great team player and work well with my peers. I'm open to hear any concerns and can work well under pressure.
Dessie Hamilton	432	As a shop steward and returning Bargaining Team Member, I ask for your support by voting for me in the upcoming 2018 bargaining election. Due to an equity study that was conducted prior to the last bargaining negotiations, we were successful in winning a 15 percent raise for all custodial employees. I want to continue to fight hard for my fellow union brothers and sisters. Please vote for me.
Eileen Hill	432	I attended my first bargaining the last time around. It was the first time animal care employees were actively bargaining for. Previous reps were contracting on personal advertisement. I'm contracting on more equipment training, safety and staffing. I back my coworkers and want to make it a safe place to work.
