Christopher Cordova	729	In my 18 years working for LA County, "Knowing Our Rights as Workers" and fighting for good benefits and pay is why I want to represent my fellow Bargaining Unit 729 co-worker in the 2018 contract negotiations! Fighting against bullying in the workplace is another passion I have to help my fellow union brothers and sisters! Vote for me and I'll always work hard to bring up and protect LA County Financial Workers! Si se puede!
Oscar Espinoza	729	My name is Oscar Espinoza. I'm a quality control worker at LAC/USC Medical Center. And it would be an honor to serve you again on the bargaining team. We made great improvements in our bargaining unit 729 financial services. Last contract campaign we gain differential pay for the PRW working in the emergency room and bones ingress for the midnight shift in the ER. I have the experience and what it takes to bargain for all of us.
