

# L.A. County Negotiators Take Aim at 'Options' Health Benefits

First we learned that L.A. County is trying to shortchange SEIU Local 721 workers on salaries.

Our response was: **"7% over 3 years is not enough. We will fight for more!"**

Now, to make matters worse – L.A. County negotiators disclosed that they intend to propose steep cuts to "Options" health benefits.

We say: **"Hands off our health benefits!"**
