

# RIVERSIDE COUNTY WORKERS – RISE UP!

Riverside County supervisors  
Marion Ashley, John  
Tavaglione and Chuck  
Washington just voted to:

-  Increase your healthcare costs
-  Cut your step advances in half
-  Eliminate cost of living adjustments
-  Possibly charge you for parking at work

Riverside management is trying to **bust our union.**

**We won't let that happen.**

**Thursday, December 20,  
working people fight back!**

**Workers Rise  
Up & Picket**  
Thursday  
December 20th  
**ALL County Worksites**

During lunch breaks on 12/20, join your coworkers for a Workers Rise Up Picket outside your facility. Make sure your worksite is represented!

Riverside Workers Rise Up! Let County officials know that breaking the law and imposing a contract that hurts workers and county services will not happen on our watch - without a fight!
