

Our Contract Action Team (CAT) is fired up and ready to go!

Our SEIU 721 County of Ventura CAT team members showed up energized at our August 8th CAT meeting at UFCW 770 Hall in Camarillo.

Solidarity remained strong throughout the CAT planning meeting as we heard from the bargaining team and member leaders with an update on bargaining.

CATs reviewed key bargaining goals and created a plan of action for this phase of bargaining - **and you're a part of it!** We need your unity and participation to win a contract that lifts up our workplaces and our community.

Our bargaining goals focus around :

- Quality Public Services
- Union Rights
- Ventura Rising Together
