

VENTURA RISING TOGETHER

BARGAINING UPDATE

October 9, 2019

The Bargaining Team had its third meeting with County negotiators on Monday, October 7th.

We provided updates on our proposals and stood strong on our key priorities - negotiating stronger wages, increasing the flex credit contribution, improving contract language and protecting good jobs.

The County knows that we've **all** been turning up the heat in the field and we're not done fighting for our families and our communities!

We go back to the bargaining table on **Wednesday, October 16**. We expect management to return with counter proposals. Make sure to **Purple Up** to show we are Union Strong.
