

Coronavirus/COVID-19 webinar series

The latest updates, and how Kaiser Permanente is responding

If you have questions and concerns about the coronavirus, you're not alone. Join us for a webinar series that will give you tools and information for navigating the next normal of COVID-19.

Webinar: COVID-19 update #11 – Updates, reviewing impact and spread, and holiday considerations

On Wednesday, October 28th, Dr. MaryAlice Ambrose, will speak about the scientific realities of coronaviruses and COVID-19, control measures, the human impact, and Kaiser Permanente's response.

You'll learn about:

- **COVID-19 updates and trends** — Insights on the current state of the pandemic
- **Reviewing the impact and spread of COVID-19** — What we've learned about how COVID-19 spreads, how long people are contagious, and the human impact
- **Preparing for safety during the holidays** — Ways to help your employees prioritize their mental health, make responsible travel decisions, and more
- **Prioritizing flu prevention** — Why this flu season matters more than ever, and how to keep your team safe

About MaryAlice Ambrose, MD:

Dr. Ambrose has practiced neurology with The Permanente Medical Group since 2006. In addition to her neurology practice, she is the TPMG Director of Employer and Group Customer Relations and works with our national accounts as a Physician Market Leader.
