

SEIU 721 Members Win Largest General Salary Increases in the History of L.A. County

..... 12% General Salary Increase, with 5.5% in first year, + \$1,375 Bonus!

In February, Los Angeles County unions established a "Solidarity Pact," making a commitment to accept no less than a 5.5% salary increase in 2022 as historically high inflation reduced members' purchasing power. Your elected SEIU Local 721 bargaining teams won just that and more – with the help of thousands of members like you who joined the March 31 *Fight for the Frontline* march and rally and countless worksite actions. Members also voted overwhelmingly to authorize an unfair labor practice strike after County negotiators acted in bad faith at the bargaining table.

The 2022-2025 Tentative Agreement contains the highest general salary increase and the highest general bonus in Los Angeles County history. The TA also provides for additional salary adjustments (inequities and bonuses) for many classifications along with annual County contribution increases for the *Options* flexible benefit program, significant improvements in family benefits, and stronger protections against contracting out County jobs. **Your elected Bargaining Policy Committee urges you to vote YES to seal the victories of our bargaining campaign.**
