# BARGAINING UPDATE

SEIU  
local 721

Our SEIU 721 County of Ventura bargaining team met with management for the first time on Tuesday, August 30th. **Members from across the Government Center stopped by to help send off our bargaining team and members Purpled Up across the County.**

At the bargaining table, we did introductions then reviewed and explained all of our initial comprehensive proposals. Management has 30 days to review the proposals and we expect them to come back with their first counter proposals at our next bargaining session which will be on September 28th.
