

It's time to prepare for our 2026 bargaining campaign!

Our City of Port Hueneme contract expires on June 30, 2026 so it's time to start up our bargaining campaign!

If we want to win a strong contract, we're going to need your participation. Here are three ways how you can help kick off our campaign.

Take the Bargaining Survey.

We need your input on this survey so our elected bargaining team can review our priorities and formulate proposals. Please take a moment to fill out this bargaining survey and let us know what you think are the most important priorities this year.

Join the Contract Action Team (CAT).

The Contract Action Team is a network of SEIU Local 721 member leaders who are **the lifeblood and backbone of our bargaining campaign. Strong contracts are won in the field!**

Nominate Our Bargaining Team.

One of the most important parts of our bargaining campaign will be the formation of our bargaining team. Bargaining Team members thoroughly review our contract, listen to priorities from our bargaining survey then create and submit proposals to management. Nominate yourself or a coworker to our team. **The deadline to nominate is Wednesday, February 25, 2026 at 5pm.**
